

Unto The Crowns, Nobles, Chivalry, and Populace of The Adrian Empire do Sir Angus Kilshannig and Dame Margarita Dubois Send Greetings and Wishes for Health and Prosperity.

Let it Be Known throughout the Lands of Adria that on this, the nineteenth day of April, Two Thousand and Nine (Anno Adria XXII) That We, Sir Angus Kilshannig and Dame Margarita Dubois do now declare our intent to contend for the Imperial Thrones of the Adrian Empire.

We are both well qualified beyond the minimum requirements set down in the Bylaws and bring much experience from mundane life as well.

Dame Margarita Dubois Has been a member of Adria for ten years. She is Twice a Countess of Umbria As well as Holding Third Level Knighthoods in both Archery and Ministry, and a Second Level in Arts. She has been the Imperial Minister of Archery for many Years, and has sat on the Board of Directors for the last Two Years. Mundanely she has worked as both a bookkeeper and an office manager in the medical field, and has been a supervisor of security most recently.

Sir Angus Kilshannig Has been a member of Adria for fourteen years. He is a Viscount of Umbria and a Knight Premier, as well as being a Knight Bachelor and Knight Robe. He is preparing to take the 2nd Level Accolade in both of these Disciplines. He Has been the Imperial Minister of Arts and Sciences for Three of the Last four Years, and has held every Ministry position locally save for Rolls. He also at one time Sat on the Imperial Senate. Mundanely he has been in the Military as a Police Officer, and worked in the automotive and mechanical field as a supervisor many years before he was disabled. He now stays at home, and is a partner in a small business.

We have many goals we would like to accomplish, should we win. Here are the Major ones:

We would like to return the Justice System back into the hands of the Chivalry, and see an end to Charges being used as a tool of political expediency. We believe firmly in the Ideals of Knights Councils and the ideals of the oath that many Knights take to dispense Justice tempered with Mercy. We also find fault with a system that places the prosecutor in the position of serving at the pleasure of the Judge.

We wish to work with the Imperial Estates and the Board of Directors to establish and define clear and concise duties and responsibilities for the Board of Directors to assure that they remain fully answerable to the Estates for any and all actions they take in the Empire's name.

We have a firm belief that Chapter's should have the right manage their own affairs unless they either ask for help from the Imperium, or prove they can't through lack of reporting. These are usually rare occurrences in most Chapters, so The Imperial Government under our Reign will not be intrusive into the affairs of Chapters beyond the requirement of regular reporting.

We would like to ask the Estates to Make the July Meeting a Closed Agenda Meeting with three Items only. The Financial Report, Approval of Crown Contenders, and the Vote for President and VP. The rest of the weekend could be used for Collegia, Tournaments, and a feast or get together Saturday night. We are looking into possibly finding a way to get a bulk UPS rate for armor and weapons to be shipped to a hotel site from different areas of the Empire, and have the armor packed and returned to it's original destination on Monday. We are looking into whether or not the Empire could subsidize the shipping costs.

We wish to work with the Estates to lessen th amount of Legislation that is passed during the year. We are willing to listen to ideas on how to arrange it so our Laws are not changed 3 times a year and become confusing for the average Adrian to understand.

We pledge to have all required corporate and IRS paperwork in before the due date.

We encourage more fun events to be held of all kinds. We encourage all the chapters to join together and get creative. We would like to see inter-regional tournaments and collegia abound. We encourage cross-play both with other chapters and other like-minded Organizations.

We pledge to travel to as many Chapters as we can during our Reign. We want to get out there and visit, and get to know everyone.

Most of all, We want people to enjoy the Dream that is Adria and have FUN!!!!

By our Hands,

Sir Angus Kilshannig
Dame Margarita DuBois
