

Letter of Registration and Return January 2008

Greetings,

This has been a slow month, but much good is coming from it. Pheonix has started education with his Heraldry Game. As a herald with a few years behind me, I enjoyed it myself. We do hope that you have all enjoyed it. It is essential knowledge for any interested

in learning heraldry. Actually if you were able to complete Game 3, send me a note. You are on your way to being more knowledgeable than most and we are looking for a few good heralds out there. The next three months should be bringing a lot of new information, Be on the Look out!!!

“Reporting” (That dreadful word). Frankly, going on my third Year as a Imperial Minister I am tired of chasing reports down. From now on we will just post who hasn’t reported and send a copy to the Imperial Rolls Minister so she can verify when duties of the Minister of Arms Offices are not being fulfilled.

Thank you to Gloucester, Sangreal, Esperance, Terre Neuve, Castilles, Cambridge, and Alhambra for fulfilling yours.
