Confirmations

[0] Imperial Adria – St. Bella (Order of) [Adri] Imperial Device

“Argent, a pile couped and inverted Gules.”

This item predates the Adrian College of Arms but was never documented. Thanks to Sir Johan Hoehenstaufen for the history on this item.

[4253] Trulock, Thomas James Jr. – Aka James the Red [Umbr] Personal Badge

“Azure, a cross fitchy Argent.”

“Sable, a cross fitchy within a bordure Argent.”

These items had been transferred posthumously via crown prerogative several times. The College of Arms had no paper trail to support the move. Thank you to Prince Pavo for the history on these arms.
