

Unto Their Imperial Majesties, Their
Royal Majesties, Their Graces, Their
Excellencies; good nobles & ministers
do I,
Sir Dorn das Schwarz Brause send
greetings.

I would like to start by thanking Their Imperial Majesties for entrusting me in
this position. I will do my best to uphold the standards. I would also like to
thank Sir L'Bete' de Acmd, Beast King of Arms, for his tireless service. I sadly

can not grant him a title higher than that which he has. I can only offer him my continued respect & friendship.

My first act is to issue the following warrants of office.

Dama Antonia Lopez, as Beltazure Queen of Arms. She speaks with my authority on all matters Heraldic.

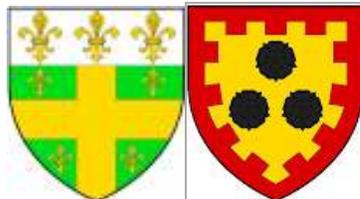

Sir Cledwyn ap Llanrwst, as Griffin King of Arms. (Imperial Deputy West)

I do not have many items for this LoRR; however I do want to publish one each month by the 15th. I have been asked to reconsider a few items as well as process a few under special circumstances.

Sir Dorn das Schwarz Brause
Fleur d' Lis, King of Arms
