

SEPT/OCT 2013

Unto Their Imperial Majesties, Their Royal Majesties, Their Graces, Their Excellencies, good nobles, ministers, and populace, do I, Sir Dorn das Schwarz Brause send greetings.

This is the Official Letter of Registration and Return for this month. We have processed 16 Arms this month of those none have been returned.

Out of the 6 Kingdoms, 3 Archduchies, 12 Duchies, and 14 Shires the following Territories sent in a report:

Kingdom of Stirling
Kingdom of Terra Nueve

Kingdom of York
Duchy of Cashel
Duchy of Cyprus
Duchy of Somerset
Duchy of Tyr~lynn
Shire of Malta
Shire of Monaco
Shire of Wolfendorf

I wish to thank Their Imperial Majesties for the opportunity so serve the Empire in this capacity. It has been an experience I will not soon forget.

During my time as ISoA; I took on a few projects. I did not complete them all but the two large ones that did get completed were the updating of the Manual and the clean up of the Armorial. I would like to thank all of those Crowns and Ministers that helped in that project. As well as Dame Katelyn of Stirling for her assistance in clearing up the Arms from the merged Chapters.

While serving in this Office I have had many challenges. Some in the form of personality conflicts others in the form of heraldic debates. I have also had the pleasure of working with some wonderful people. Not all of whom are in the College but were either willing to learn (Dame Katelyn of Stirling) or willing to do some research (Dame Milisent of Esperance). Others within the College were around to help me in many ways including pointing out corrections that were needed (Dame Jericho of York), as well as those that I consulted with on more than one occasion (Sir Vanyev of Gloucester among them)

To my staff; I could not have done this with out you. I thank you; you were always helpful.

Beltazure; Dama Antonia Lopez. You were always there for me with a second pair of eyes to check my work. You were always available for a task. Quite often sending me a "what's next?" email. Always there to create an emblazon for me. Always compiling lists that I needed. You computer skills were invaluable. I thank you

Phoenix; Baron Sebastian Javier la Cruz. You were excellent in processing the submissions and getting a report to me. You were outstanding in creating emblazons and adding them to the LoRRs. You did a wonderful job maintaining the database. Always quick with updates and corrections. I thank you.

Baron Francesco Gaetano Greco D'Edessa. You were fabulous at processing the submissions and getting reports in. I thank you.

Griffin; Dame Alistrina Amragosso. You came in with a thirst for learning and you did just that. I have seen you go from asking the basic questions to answering the hard ones. You were always great with your processing of submissions and turning in reports. I thank you.

Bezent; Constance Rosewall. You joined the team late but you never faltered. You would answer my call for research quickly and with more information than I needed. I thank you.

For the work that was done; I do hereby bestow upon these individuals the following ranks:

Dama Antonia Lopez	“Lobo Plateado Herald Extraordinaire”
Sebastian Javier la Cruz	“Eagle Herald Extraordinaire”
Alistrina Amragosso	“Mermaid Pursuivant Extraordinaire”
Jericho Gutte d'Or	“Unicorn Herald Extraordinaire”

Miter King of Arms, there is nothing I can give you other than my friendship and gratitude.

I have created an Award for those that are not members of the College but have done outstanding work and provided excellent assistance for/to the College.

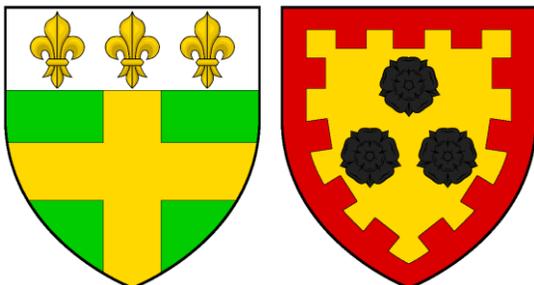

That Award is the “Golden Quill”

I do hereby bestow it upon

Dame Katelyn
Dame Milisent de Lilley

Dorn das Schwarz Brause
