<b>ARTICLE XVIII: CONDUCT OF TARGET ARCHERY IN TOURNAMENTS AND WAR</b>
--

Realizing that facilities for archery are somewhat limited in some subdivisions the following will apply:

**A. SCHEDULING**

Archery need not be held on the same day or place as other tournament and war activities, and may be scheduled as completely separate activity. Archery activities that cannot be held due to lack of facilities, or acts of God (i.e. weather) may be rescheduled and or made up. This applies but is not limited to Crown tournaments, Events, and Wars, and Imperial tournaments, Events, and Wars.

**B. WARS**

Should it become necessary to hold War Target Archery lists offsite, or on a different day from the rest of the war, the Crown presiding over the War shall lay out in Writ the time, place, and conditions of the Target Archery, with the course being set by the Minister of Joust and War, bearing in mind the facilities available to different subdivisions in the case of Imperial Wars (i.e. set ranges and course that may be conducted under even the most limited conditions). The tallying must be completed prior to the start of the on site War, with the course being set by the minister of Joust and War with the advice of the Minister of Archery, bearing in mind the facilities available to different subdivisions in the case of Imperial Wars.

Pursuant to current law, the archery war point and tournament may be conducted off-site and on different days if facilities are not available at the war site. The site of the Imperial Crown War West 2001 has no such facilities. The archery war point and Imp tournament for said Imperial Crown War for those sites which cannot provide on-site archery will be conducted as follows. It will be shot at any practice or tournament conducted between June 30 , 2001 through August 26 2001. ### **Proposal : Estates Writ requires simple majority**

Authorize the creation of a IMP Crown Travel Fund .

The fund would be able to raise funds through various means such as but not limited to auctions, raffles, hold benefits and accept donations for use of the Imperial Crown to help defray travel expenses. The fund could start raising monies immediately but no withdrawals would be made until 1 November 2001 . The Imperial Steward would receive all monies for this fund and track in separate category and disperse the funds to the Imperial Crowns for purposes of travel. Donations to this fund would be purely voluntary. This would be additional to any funds authorized by the Imperial Estates for this purposes .

#### **Commentary :**

*The cost involved in sitting the Imperial Throne are ever increasing as the Empire grows and spreads out geographically. The personal expenses of travel involved for the Crowns has reached the point where only the well to do would ever be able to meet the obligations of office, the fund would facilitate the ability of many more to sit the Throne without incurring any cost to the membership .*

## **CRB # 3**

from the Imperial Crowns and the Board of Directors

*Commentary: current law pertaining to revocation of membership stipulates only two circumstances: a) conviction of violation of state or federal penal code in connection with an Adrian Empire activity, or b) recommendation of a duly-constituted court following conviction under the law. The law does not stipulate relevancy, nor consider the possibility that persons may be convicted of a crime not at an Adrian event nor in connection to one which may still be very relevant to the Adrian Empire's concerns for the protection of minors and the populace's safety. Based on last year's incident of dealing with an ongoing investigation (since prosecuted and convicted) of a member of Adria (who's no longer a member) for child molestation which was not "in connection with an Adrian Empire activity" We feel that the organization should consider adding language that allows the Empire to consider convictions for crimes "relevant to Adrian Empire activity". Under current law We could not deny membership to Charles Manson, if he were to make parole, because his crimes didn't take place at or in connection with an Adrian Empire activity. Additionally under current law we could technically throw someone out for being caught littering in a state park at an event. Relevancy should be a consideration. This proposal is a response to the previously considered CB1.*

ARTICLE III: MEMBERS (added language is underlined and bold text)

## A.2 MEMBERSHIP REVOCATION

Membership in the Adrian Empire may be revoked as provided above only for one of the following reasons;

- a. Conviction of violation of state or federal penal code in connection with **or relevant to** an Adrian Empire activity, or
- b. Recommendation of a duly-constituted judicial court following conviction under the law.

## A.3 MEMBERSHIP DENIAL

Membership in the Adrian Empire may be denied for the same reasons as revocation. Membership may also be denied if the reasons for a previous revocation of membership are still valid.

# VII. CHANCERY BUSINESS

## CHB # 1

The Kingdom of Aragon formally requests the Imperial Crown confirm judgement in the matter pertaining to the former sovereigns and their officer, and that the Imperial Estates consider the banishment extension requested (See Writ of Judgement, Aragon).

### WRIT OF JUDGEMENT FOR:

Sir Winfred Randall Llewellyn ap Alyson MKA: Randy Allison,  
Dame Anginette Theresa Mesalyn de la Fouche' ap Alyson  
MKA: Annette Allison  
Lady Alara de la Fouche' MKA: Clara Fouche'

In May of 1998, Sir Winfred MKA: Randy Allison and Dame Anginette MKA: Annette Allison began their Service as Rulers of Aragon, at which time they appointed Lady Alara de la Fouche' MKA: Clara Fouche'" as Stewart, Lady Alara remained in this position until she was removed in May of 2000.

Financial irregularities including non-payment of Imperial dues came to the attention of the Imperial Government in March of 2000 and the incoming crowns of Aragon in May of 2000.

At the May 2000 event Sir Winfred, Dame Anginette and Lady Alara were given a copy of an e-mail by Her Royal Majesty Dame Serina MKA: Lori Yerger from the Imperial Stewart. This e-mail stated that Aragon had only 27 paid members. At this time His Royal Majesty Sir David MKA: Dave Albrecht and the then Chancellor Dame Betka MKA: Becky Spray were also notified of the discrepancy. This prompted the audit investigation.

Sometime around May 18, 2000, Sir Winfred, Dame Anginette and Lady Alara were informed that the Imperial Crowns requested and audit of the Stewart's office.

Dame Betka made several trips to the home of Sir Winfred, Dame Anginette and Lady Alara to retrieve documents needed for the audit. Sir Winfred and Dame Anginette made several trips to Her Royal Majesty Dame Serina's home also.

In consolation with the Imperial Crowns and Imperial Chancellor and audit was conducted. Ultimately the amount of \$11,669.84 was unaccounted for, from the period May 1998 through May 2000.

On October 22, 1999 a check for the amount of \$1300.00 was issued to and cashed by Randy Allison for the purchase of 6 pavilions.

In December 1999 at the Estates meeting it was voted to approve the expenditure of the \$1300.00 for the 6 pavilions.

In the March 2000, at the estates meeting, Sir Winfred advised the estates that it was apparent that we were not going to receive the 6 pavilions and that he personally accepted full financial responsibility for the repayment of the \$1300.00. Randy also advised the estates that he had indeed filed a police report. During the audit it was discovered no such police report was filed. When confronted Randy admitted he never filed the report.

Several meetings took place between Sir Winfred, Dame Anginette, Dame Serina, and Dame Betka. At some of these meetings Sir Cirus MKA: Jason Dvorchak and Sir Eduardo MKA: Ed Perusse were present. During these meetings evidence of their involvement was brought to their attention. On the eve of the audit Sir Winfred and Dame Anginette admitted to Dame Serina, Dame Betka and Sir Eduardo that they had known of at least \$1600.00 missing from Aragon's bank account for several months and had asked at that time to resign quietly from Adria. Also Dame Anginette's participation with ATM Transactions were initially denied at that time. Upon investigation Dame Anginette admitted to ATM usage once advised that she was one of two people identified as using the ATM Machines.

Notification letter of the Charges of Misfeasance of Office was delivered by Dame Betka and signed for on the behalf of Sir Winfred MKA: Randy Allison, Dame Anginette MKA: Annette Allison and Lady Alara de la Fouche MKA: Clara Fouche by Dame Anginette MKA: Annette Allison.

This notice informed that other charges might be filed pending full investigation. This was done to preserve the rights of the Kingdom of Aragon and The Empire of Adria. (See attached)

The three- (3) defendants requested crown justice and pleaded guilty to the charges of Misfeasance of Office.

On August the 8<sup>th</sup> 2000 Randy Allison, Annette Allison and Clara Fouche' signed before a notary public a promissory note for the full amount of \$11,669.84 plus interest. This is to be paid at, at least \$100.00 a month. (See attached) At which time they asked that if it was determined that a lesser amount was actually owed the amount would be amended.

After these proceedings the Crowns of Aragon invited and encouraged commentary and sentencing suggestions by the populace. (This was done out of a courtesy as the populace was also effect by the outcome of the audit) These suggestions were considered but the decision rests entirely with the Crowns.

**THEREFORE:** in consideration of all of the proceedings, we Dame Serina Isobella de Torsiello and Sir David von Albrecht, Regina et Rex Aragon, hold in re:

Sir Winfred Randall Llewellyn ap Alyson MKA: Randy Allison  
Dame Anginette Theresa Mesalyn de la Fouche' ap Alyson MKA: Annette Allison  
Lady Alara de la Fouche' MKA: Clara Fouche'

**GUILTY** of the charge of Misfeasance of Office.

The seriousness of their misconduct demands the harshest of sentences. We request the Imperial Crowns concur in and where necessary request the Imperial Estates approve the following:

In the matter of Lady Alara de la Fouche' MKA: Clara Fouche':

Banished for Life or for so long as the Imperial Estates see fit.  
(Let it be known that Clara Fouche' requested this through her son-in-law Randy Allison and was made public knowledge by Randy Allison.)

Revocation of all ranks, titles, honors and awards granted by the Adrian Empire.

(As per the Adrian Imperial Bylaws and the Codex Adjudicata,  
Courts of Justice,

Conduct of the court,

6. Punishment

B. Loss of Awards, Ranks and Titles.

D. Judicial Ban,

E. Banishment:

We the Crowns of Aragon order banishment for 1 year.

We request the Imperial Crowns extend the banishment to 3 years.

We request the Imperial Estates extend the banishment to life.

We further request the persona known as Alara de la Fouche' be put to death as per precedence.

F. Removal of Honorifics and the striking of Arms.)

In the matter of Sir Winfred Randall Llewellyn ap Alyson MKA: Randy Allison  
And Dame Anginette Theresa Mesalyn de la Fouche' ap Alyson MKA Annette Allison:

Banishment until the debt of \$11,669.84 is paid in full or life.

Revocation of all ranks, titles, honors and awards granted by the Adrian Empire.

(As per the Adrian Imperial Bylaws and the Codex Adjudicata,  
Courts of Justice,

Conduct of the court,

6. Punishment

B. Loss of Awards, Ranks and Titles.

D. Judicial Ban,

E. Banishment:

We the Crowns of Aragon order banishment for 1 year.

We request the Imperial Crowns extend the banishment to 3 years.

We request the Imperial Estates extend the banishment to until the debt of \$11,669.84 is paid in full or  
Life.

F. Removal of Honorifics and the striking of Arms.)

We order that the Knighthood Civil for Sir Winfred and Dame Anginette be permanently removed.

We order that the Knighthood Minister for Sir Winfred and Dame Anginette, Knighthood Bachelor for Sir Winfred,  
Knighthood Robe for Dame Anginette be suspended until the debt is paid in full.

We order that the retiring titles of Last Viscount and Viscountess of Aragon, First Earl and Comtessa of Aragon, all  
other titles, awards and honors acquired during the reigns of Sir Winfred and Dame Anginette in Aragon be  
permanently removed.

We order, and request that the Imperial Crowns concur, that any and all other titles earned in Adria are permanently  
removed.

We order the Honorifics and the Arms of Sir Winfred and Dame Anginette be suspended until the debt is paid in full.

It was request of the Crowns of Aragon to show compassion to the aforementioned defendants. We feel that  
compassion is reflected in this sentence given how gross the offense. The Knightly virtue: Compassion and  
Forgiveness demand contrition and repentance, both seem to be lacking here.

So say we,

### **Clarification : requested by Rolls Minister of TN and IMP Chancery**

Chancery Comments : Clarify the issue of whether one may receive an additional participation for participating in an Imperial tournament. Imperial tournaments held at Imperial Wars or otherwise do in fact entitle the participant to an additional participation for the month in question. This has been the longstanding practice and current ruling of the Chancery and the Imperial Crown. The question was is a tournament at an Imperial war an Imperial tournament and is the Imperial Crown War and Imperial Banner war or other such designated event an Imperial Crown event : the answer is yes and this is also a longstanding ruling of the Chancery and Imperial Crown.

In Article V, section D it states:

"A member shall not be allowed to participate in more than one (1) event per month for purposes of meeting their requirements for advancement. There are two exceptions to this: 1)Imperial Crown events and 2)Crown/Civil Wars."

Also stated as in Article X, section C it states:

"No member of the Adrian Empire may gain more than one tourney win per month for the purpose of gaining rank in the Knightly Orders. The only exception to this rule shall be in the case of attending an Imperial Tournament in the same month as a Crown Tournament."

**Propose by Chancery : add specific language clarifying that the extra participation may be granted for the participation in IMP Tournaments and tournaments at Crown Wars .**

**CHB#3 This item was moved from NB in March and passed 34yes 12 no the chancery has offered final clarifying language .**

combined score of all Masters list (bowmen).

**One (1) Knights' War Point:** combined score of all Knights list (Huntsman)

**One (1) Open Tournament War Point:** combined score of all masters list and knights list .

This is a separate act from the above .

**And one (1) Champion's Match War Point:** highest score of any individual .

this will be determined by the highest score by any individual from the list of supporters of any given candidate , the candidate need not select a champion .

Article XVI: Crown War B. (line three and the 7th "bullet" regarding archery)

There shall be twenty-one (21) [nineteen (19)] war points consisting of:

\* four (4) [two (2)] archery points (consisting of one (1) Master's Tournament, [and] one (1)

Knights' Tournament, one (1) Open Tournament, and one (1) Champion's Match

Note: this is an effort to recognize Archery's expanding importance in the Empire as an activity open to virtually all our membership but mastered by few.

**6. VICTORY**

Victory shall be determined by computation of points won at all war sites. Relative weight of the points from each war site shall be in proportion to attendance of paid members at the given War sites. The exact proportions shall be submitted by the Imperial Chancellor to the Imperial Estates General Imperial Grand Assembly at their meeting in July for approval.

Commentary : it is the opinion of the Chancery that this provision was meant to apply only to the first Bi-Coastal War and sense then there has been established methods to enact these provisions .

If not then it is proposed to include the method of proportioning the points in this section to avoid any confusion in the future .

**Proposed Requires 2/3 majority**

Strike the following sentence : The exact proportions shall be submitted by the Imperial Chancellor to the Imperial Estates

General Imperial Grand Assembly at their meeting in July for approval.

Insert the following sentence .

The war points shall be proportioned by attendance at the war sights as follows :  
determine total attendance for both sights add together , divide attendance at each sight by the total number in attendance at both sights and determine the relative percentage to be assigned to each sight .

**Proposed : requires a simple majority  
for IMP Crown War 2001 .**

**Commentary : this is a technicality but should be done if underlying law is not changed .**

The war points shall be proportioned by attendance at the war sights as follows :

Current Language: Regardless of the number or types of titles entitled to a member to seats on any of the Estates, the member shall have only one vote, proxies excepted.

Proposed Language: *A member shall be limited to one (1) vote granted by any and all non-landed titles and/or ranks. There shall be no limit as to the number of votes per member granted by any landed representation or proxy. These votes shall be in addition to any one vote granted due to non-landed titles and/or ranks if applicable.*

Note: Non-landed ranks and titles are those of 2<sup>nd</sup> and 3<sup>rd</sup> level knights, retired Royalty, Founding Peers, and the equivalents.

Landed representation is formed by the creation of chartered and unchartered subdivisions within and of the Empire such as Empire, Kingdom, Duchy, March, County, Barony and House and their equivalents. Each subdivision would still be limited by law to one vote per subdivision. If there are two (2) ruling peers for a Kingdom, the kingdom is still entitled to only one (1) vote.

  - ii. Ducal Crowns and Ruling Nobles must hold a membership that is current and has been maintained continuously for not less than 6 months.
  - ~~iii. Household sires must hold a current membership.~~

Note: Striking the final line would require **all** Estate holders to have a minimum of 6 months of continuous membership prior to ruling an Estate. No one Estate vote is worth more.

**Counter Proposal:**

- a. Meets the following membership criteria as applicable and determined by the Imperial Steward:
  - ii. *Ducal Crowns and Ruling Nobles (Barons and above) must hold a membership that is current and has been maintained continuously for not less than 6 months.*
  - iii. *Household sires must have been a member for not less than 6 months, does not need to be continuous.*

Note: This counter proposal allows members who have a lapse in membership to still serve as an Estate holder. This would encourage our senior estate holders to keep their membership current, and not punish our senior sires due to temporary financial hardship. Once they repaid their dues, they would be able to resume their duties as Sire without having to wait 6 months. This wording still requires that our Estate holder are experienced in Adria.

**Counter proposal:**

Note: The original proposal limits the voice of the new members on the Estates. Our new members are an integral part of our organization and should be heard. Their voice at this time is too powerful and often times overpowers the voice of their elected Barons, Counts, even the Crown, the people that we now require 6 months minimum in the game. This does not make sense! Why should the votes of three sires have the power to cancel out the votes of three barons. Either we should we do away with any time restrictions, or we should find another solution. This proposal is possible solution. It encourages the voice of new members on the Estates. If any of you have heard the addresses made at Estates meetings in the past by some of our great orators such as Sir Nikolai and Sir William, you will agree that a voice can be more powerful than a single vote. This will allow all estate holders to have the same rights to make proposals, address the assembly and call a meeting with two major exceptions. House sires will not be counted towards the quorum and they will not be allowed to vote. This will encourage the formation of larger estates, allow for a great way for new members to be involved in the Estates and garner advancement in rank through participation and involvement with their house, without all of the concerns of not being well versed in Adria Law and procedure.

Existing language:

Article VIII: Subdivisions of the Empire, Section E. Subdivision

A subdivision is based upon the free association of their members within a chartered subdivision. A Ruling Noble is responsible for the administration of the Estate.

PROPOSED LANGUAGE: "Regardless of the number or types of titles entitled to a member to seats on any of the Estates, the member shall have only three votes, except that a member may carry the proxies of other members entitled to vote."

COMMENTARY: When you limit a member to one vote, you

are literally stopping the incentive to be more active in the Empire. If you are entitled to vote by right of sireship and attain 2nd or 3rd level knighthood the vote you receive as an Estate Minor/Major is rescinded by the current law (and vice-versa). What reason would

I have to become Emperor/Empress,, King/Queen, or hold and office, etc. if the vote (retirement title) is nullified by the current law. The facts are these:  
Some people 'do not' want to be politically active, they just enjoy the comradship and historical activities and teaching in the game. Others wish to shape the future of the Empire and do so by voting for or against the changing of the by-laws and taking the time and effort to 'obtain the right' to do so. Any amendments or counter-proposals which increases the current law from one are acceptable.

The above counter-proposal changes the vote from one to three.

*Note: Where available these services should be on a donation basis. We need to allow for subdivisions wishing professional accounting services the ability and authority to place the stewards office in the hands of a professional.*

Additional Requirements:

No Imperial or Royal Steward shall be a direct or indirect family member to the Imperial or Royal Crown of the same subdivision.

Article I: General

The period of history that is encompassed by the game shall be defined as the years from 1000 [1150] to and including 1650 [1603].

Note: the makers of the motion wish to acknowledge that significant numbers of our active dues paying members continue to portray personas outside current timeline but well within the proposed amendment. We would prefer to recognize what is and encourage compliance rather than exclude members or ignore practice. We will entertain reasonable amendments as friendly to promote consensus. We ask that members bear in mind that the timeline has been amended before without dire consequences. We observe that associate members from groups observing a broader timeline have difficulty significantly altering long-term personas. This is an important issue in Aragon as it bears on our participation in the Age of Chivalry Renaissance Faire where a large segment of our population does a popular Viking encampment.

Article IX. C. Ranks 2.Robe d.iii. e.iii. f.iii. master works  
Delete and renumber.

Note: no similar requirement exists for the other peerages, there is little Empire wide agreement as to their meaning, it is suggested that Master Works constitute the requirements for a different track to Robe Knighthood.

Article IX. C. Ranks 3. Minister d.iii. e.iii. f.iii. demonstration initiations  
Replace [demonstrations] with service events approved by the Crown (which may include demonstrations, fundraisers, community service, classes, collegia, feasts, tournaments, and wars and service in the ministries).

Note: we have been wrestling with our own increasing significance. Once it was sufficient to devote a whole peerage to promoting the club. Now we must look inward as well as out to improve the quality and educational value of all our activities. We have more needs and must broaden the depth and professionalism of our offerings. We must offer incentives to organize more substantial events and demand Crown supervision to prevent abuse merely for advancement.

Article IX. D. Titles 8. And 13. Viscount/Viscountess  
Amend by restoring the retired ruler of an Archduchy to the definition and precedence in 8. b. as before delete 13. and renumber.

Note: This title was created as sort of an "Earl without a vote," second in precedence to a Founder. The reduction was something of a shock, and contrary to the discussion that attended its creation. It may also have conflicted with VI.J. protection from legislative change.

Sir James of March le Coirnoir Prince of Adria

1) To dissolve and disband the Imperial Order "Protectors of the Dream". The idea that there is a subset of members that are the "Protectors of the Dream" is not only offensive but is an insult to the rest of the members of this game. To accord them the status and effective rank of Prince and Princess is a slight to those that have worked very hard to achieve that station. The Protector of the Dream has become nothing but a popularity contest, they appear to do nothing and they don't have anything to do. It is in everyone's interest to protect the game and to only "reward" a few for doing something that they should already be doing is counter productive. This is intended to not only dissolve the order but to remove any privileges that have been previously granted under it.

I do propose that

the Site of the Banner War be alternated by region ( like with Imperial War), not by who won.

Note from the Chancery : there is no provision in Law for the location of the IMP Banner War currently it is at the Crowns discretion .

PROPOSAL TO AMEND BY-LAW:

ARTICLE XV Pax Regium and Interim Civil War

B. INTERIM CIVIL WAR Line #5 "...In a Kingdom Civil War, if the Royal Crown is successful, a new Pax Regium shall be instituted for the duration of the time allotted to the Royal Crown to rule. ..."

CHANGE TO: Line #5 "... In a Kingdom Civil War, if the Royal Crown is successful, a new Pax Regium shall

be instituted for the duration of the time allotted to the Royal Crown to rule. In the event the Royal Crown loses the war, the winning Contender shall rule the Kingdom for a full year, with a six month Pax Regium as the new Crown(s)."...

COMMENTARY: By-law rules covering the Interim Civil War contains information about the Notice, Void Challenge, Multiple Challengers and Fealty. Nothing is contained in the By-laws that tells the populace how long the new Crown(s) reigns, or if the Crown(s) have a new Pax Regium, etc. This law needs the clarified, as it is ambiguous.

Add additional part to Article III.F

--- Current Language:

#### **Article III: Members, Section F. MEMBERSHIP ASSIGNMENT TO CHARTERED SUBDIVISION**

A participant shall be considered to be a member of the chartered subdivision in which they reside (where a participant physically lives). In the case where a participant may have multiple residences or special circumstances, the Imperial Crown shall decide as to which chartered subdivision the participant is a member.

--- Proposed Language (additions highlighted in ***bold, italics and underlined***):

#### **Article III: Members, Section F. MEMBERSHIP ASSIGNMENT TO CHARTERED SUBDIVISION**

**I.** A participant shall be considered to be a member of the chartered subdivision in which they reside (where a participant physically lives). In the case where a participant may have multiple residences or

special  
circumstances, the Imperial Crown shall decide as to which chartered subdivision the  
participant is a  
member.

**2. For the purposes of determining membership for a Crown or Civil War, a participant  
must have also attended two events in the last six months within the subdivision,  
exclusive of the war.**

Explanation: This is to prevent flooding the lists with new members that are unfamiliar with the subdivision  
and the contenders and therefore swaying the outcome of the war.
