OB2. Add Article IX.C.5. to create Renaissance ~~Combat Roll~~ Path to Third-Level Knighthood **SEE NOTES**

This was a complicated issue, with much discussion. The entire process is outlined here, instead of within each proposal or option.

Authorize change in procedure to allow a vote on the concept. If approved, specific proposals can be addressed with a nomination procedure (eliminate the most objectionable options/proposals to arrive at the least objectionable, with a final vote on the least objectionable to approve/fail). If resolution not approved, the specific votes can be dispensed with.

NOTE: A resolution requires a majority to change (not 2/3).

RESOLUTION: To allow Renaissance-style fighters to achieve second- and third-level knighthoods in some fashion without having to participate in armored combat: **APPROVED: 52 in favor, 45 opposed, recount requested: 54 in favor, 43 opposed, 0 abstentions (required majority)**

Create a new knighthood based on the Renaissance style of combat.

Proposal 1, Add Renaissance Combatant Roll

Note from Chancery: *In March, the author stated he would resubmit the proposal without the grandfather clause, and to correctly reflect his intent. The resubmission has not been received, so the proposal appears without change, though the Rolls Office strongly objected to being able to implement the Grandfather Clause as outlined, and it was withdrawn from the proposal in March.*

Heavy Renn and Light Renn will both count towards this roll in Knightly progression.

- a. Student
 - i. Be authorized by a Knight Combatant or two Sergeants and the Minister of Joust and War to enter the Renaissance Sergeants' List.
- b. Scholar
 - i. Participation in three (3) Renaissance Sergeants' Lists at Crown events.
- c. Free Scholar
 - i. Participation in five (5) additional Renaissance Sergeants' Lists at Crown events.
 - ii. One (1) win in a Renaissance Sergeants' List at a Crown event.
 - iii. Participation in two (2) demonstrations.
 - iv. Be authorized by a Knight Combatant and the Minister of Joust and War to enter the Renaissance Knights' List.
- d. Knight Provost
 - i. Participation in ten (10) Renaissance Knights' Lists at Crown events.
 - ii. One (1) win in the Renaissance Knights' Lists at a Crown event.
 - iii. Participation in one (1) war at a Crown event.
 - iv. Participation in three (3) additional demonstrations.
- e. Knight Master of the Fence
 - i. Participation in eighteen (18) additional Renaissance Knights' Lists.
 - ii. Five (5) additional wins in the Renaissance Knights' Lists.
 - iii. Participation in five (5) additional wars at Crown events.
 - iv. Participation in five (5) additional demonstrations.
- f. Knight Ancient Master of the Fence
 - i. Participation in thirty-six (36) additional Renaissance Knights' Lists.
 - ii. Ten (10) additional wins in the Renaissance Knights' Lists.
 - iii. Participation in ten (10) additional wars at Crown events.
 - iv. Participation in fifteen (15) additional demonstrations.

Option 1 to Proposal 1

Leave the current combat knighthood intact. Include this “grandfather” clause: Combatants may choose to apply their current Renaissance participations and list wins over and above their current combat rank toward this new knighthood. However they cannot transfer any lists that would reduce their current combat rank. Thereafter, those entering the Renaissance Combatant Roll may earn separate participations and list wins in both combatant rolls each month, and in Imperial Tournaments as well.

Note: *This will amend Estates Writ 11.*

Commentary: *There has been much time and energy spent on trying to figure out how a Renaissance fighter may advance in rank. This allows Renaissance fighters to progress while keeping the current Steel system and belief fairly in tact. Since there is little to no relation to these fighting styles we are actively encouraging those forms that were prevalent during the time period. The titles used are from Corporation of the London Masters of Defence - the guild of English instructors of fighting and fence chartered in 1540 by Henry VIII.*

Author: *Sir Cirus (Baron les Marchante des Ombres dû Morte, Knight Premier)*

Option 2 to Proposal 1

Modify current the current combat knighthood to encompass armored combat only. Include this “grandfather” clause: Combatants may choose to apply their current Renaissance participations and list wins over and above their current combat rank toward this new knighthood. However they cannot transfer any lists that would reduce their current combat rank. . Thereafter, those entering the Renaissance Combatant Roll may earn separate participations and list wins in both combatant rolls each month, and in Imperial Tournaments as well. Any further Renaissance lists would automatically be applied to this knighthood.

Note: This will amend Estates Writ 11.

Amend to read: 1.COMBATANT ROLL

- a. Yeoman
 - i. Be authorized by a Knight Combatant or two Sergeants and the Minister of Joust and War to enter the **Shinai** Sergeants' List.
 - ii. A member in good standing.
- b. Guardsman
 - i. Participation in three (3) **Shinai** Sergeants' Lists at Crown events.
- c. Sergeant
 - i. Participation in five (5) additional **Shinai** Sergeants' Lists at Crown events.
 - ii. One (1) win in a **Shinai** Sergeants' List at a Crown event.
 - iii. Participation in two (2) demonstrations.
 - iv. Be authorized by a Knight Combatant and the Minister of Joust and War to enter the **armored** Knights' List.
- d. Knight Bachelor
 - i. Participation in ten (10) **armored** Knights' Lists at Crown events.
 - ii. One (1) win in the **armored** Knights' Lists at a Crown event.
 - iii. Participation in one (1) war at a Crown event.
 - iv. Participation in three (3) additional demonstrations.
- e. Knight Banneret
 - i. Participation in eighteen (18) additional **armored** Knights' Lists, ~~of which eight (8) must be in the armored Knights' Lists, at Crown events.~~
 - ii. Five (5) additional wins in the **armored** Knights' Lists, ~~of which three (3) must be in the armored Knights' Lists, at Crown events.~~
 - iii. Participation in five (5) additional wars at Crown events.
 - iv. Participation in five (5) additional demonstrations.
- f. Knight Champion
 - i. Participation in thirty-six (36) additional **armored** Knights' Lists, ~~of which sixteen (16) must be in the armored Knights' Lists, at Crown events.~~
 - ii. Ten (10) additional wins in the **armored** Knights' Lists, ~~of which six (6) must be in the armored Knights' Lists, at Crown events.~~
 - iii. Participation in ten (10) additional wars at Crown events.
 - iv. Participation in fifteen (15) additional demonstrations.

Additional Commentary: *By separating these knighthoods we are also separating the fighting styles. This will encourage proper comprehension of the training style and less confusion of what maneuvers a combatant is allowed to do with which style.*

Author: *Sir Cirus (Baron les Marchante des Ombres dû Morte, Knight Premier)*

Co-Sponsors: *Dame Aleigha Fyredrake (former Queen of Aragon), Sir Eduardo Peruzzi (former King of Aragon)*

Proposal 2

Modify the current combat roll to include Cut-and-Thrust as an armored combat. Wherever the bylaws say "Armored", amend to read "Cut-and-Thrust or Armored."

Commentary: I do not believe it is necessary to rewrite the entire combat roll in order to accomodate the desire for a renaissance knighthood (through to third level). Cut-and-Thrust is considered to be a "heavy renn" style of combat. By recognizing it as an armored style, it allows for the strictly-renn combatants to proceed up the roll through to 3rd level, without ever having to engage in steel combat. Neither of the below options will have any grandfathering, backwards tracking, or reapplying of points already awarded.

Option 1 to Proposal 2

Do not make any changes other than adding Cut-and-Thrust to the Armored requirements.

Commentary: This option allows the combatant to engage in both styles of combat without creating a completely separate combat. This would still be subject to the once-per-month rule, so that if a combatant engages in both styles, only one would be counted (no change to current rules).

Option 2 to Proposal 2

Add a separate track for third-level knighthood only so that there are two paths: one for Knight Champion (using armored combat) and one for Knight Ancient Master of the Fence (using cut-and-thrust combat). Combatants would have to choose which of the 2 paths they want their participations to be counted in for 3rd level, and once recorded, could not be transferred to the other path.

Commentary: There is vehement objection to using the title Knight Champion for someone who does not engage in armored combat. This option allows for Knight Champion to be the traditional combat track (armored), and creates a title for 3rd level only for those combatants who choose the cut-and-thrust style, rather than armored. This option also keeps the rolls-keeping fairly easy-to-maintain, as the rolls office would not have to track the differences in shinai or schlager types of combat. While suggesting the use of the titles in proposal 1, friendly amendments may be offered for the titles only.

Author: Dame Maedb Hawkins (Imperial Princess, Knight Premiere, Countess Royal)

Co-Sponsor: The Chancery

Proposal 3

Modify the current combat roll to eliminate armored requirements for knighthood.

Commentary: Recommend using the fencing-style titles of proposal 1. Combatants would have the option of resuming standard combat rank/title--if wins are subsequently earned in armored combat.

OB3. Amend Article XI, allow Civil Courts to impose penalties for improper knighting **FAILED**

**Amend to have this apply only to Imperial Civil courts: Objections
FAILED: Voice vote (no request for division of house (required 2/3)**

Expand the explanation of Civil Courts' ability to resolve a member's qualification for knighthood, and give consequence to taking a knighthood without meeting said qualifications.

Current law: Article XI: There are two types of judicial courts in the Adrian Empire: Civil Courts and Courts of Justice. All such courts shall be conducted by the Magistrates Guild under the procedures detailed in the 1992 Edition of the Codex Adjudicata and in accordance with these Imperial bylaws.

Current law: A. Civil Courts: Civil courts are convened to resolve a member's qualification for knighthood...

Counter proposal

FAILED: Voice vote (no request for division of house) (required 2/3)

Amend Article XI. A. Civil Courts (renumber the current paragraph as 1.), add:

2. The Civil Court convened to resolve a member's qualification is authorized to take into consideration any evidence a Crown could consider in awarding points for advancement, including but not limited to: records, testimony, or personal knowledge.

3. Should the Court remove points, taking a member below the requirements of a present rank, that rank shall be reduced. This reduction implies no wrongdoing on the part of the individual, and shall not be construed as inconsistent with Article VI. J. which expressly may not restrict a duly constituted Civil or Justice Court.

OB4. Amend Article IX.C.2. Robe Roll to allow non-judged arts activities to earn arts EPs **FAILED**

Consider counter proposal first, and then withdraw this one: No objections

We would like to propose that members be able to earn Arts EPs for actively participating in the Arts and Sciences at events, in addition to the current method of scoring at least a 10 for Journeyman's list or at least a 15 for Knights list judged arts entries. This proposal does not change the current requirements for knighthood in arts, it merely opens the options for what defines a "participation" by removing the words "Master's Tourney's" and "Knight's Tourney's". This proposal also adds wording to the Arts Manual and Judges Handbook to provide example criteria for awarding Arts EPs that are not judged.

Amend Bylaws: Robe Roll

A. Events and Demonstrations

In addition to gaining participations through tournament entry, arts participations for events (EP) or demonstrations (DP) may be awarded by the Crown based on the following criteria:

- The activity must be performed in a publicly accessible/visible area by actively participating in or demonstrating an art or science.
- The activity must be an activity which was performed in Europe during the period 1066-1603. The Crown and Minister of Arts and Sciences should require the minimum documentation from the artisan to prove this, if it is not known to them as a period activity.
- The activity must be performed with period tools and equipment and using period techniques.
- The activity must meet a minimum time of activity or other measurable progress that can be verified by the Crown and Minister of Arts and Sciences, approximately 20 minutes for Apprentices and Journeymen, approximately 40 minutes for Masters and Knights. This may be over the course of the event, not necessarily in a single block of time and may comprise more than one art form or science.
- The participation or demonstration of the Art or Science enhanced the educational or medieval environment of the event or demonstration.
- The artisan is responsible for establishing the authenticity of the activity in advance of the activity.
- The artisan has signed up on the Arts Sign-in sheets in the appropriate List area that she is doing a non-judged art that day.

OB5. Amend Estates Writ 6 to include DI for Crowns, local ministers. . . FAILED**Objection to consideration: Withdrawn**

To acknowledge that the hard work and effort performed by a Crown is equivalent to the other Imperial Ministers.

Current Writ: Demonstration Initiations

OB6. Amend Article VII.F.3 and Estates Writ to redefine Steward's description . . . SEE NOTES

Requires 2/3rds to amend bylaws, majority to amend writ (Was NB4)

Current description: The Steward is responsible for the legal obligations and finances of the Adrian Empire or chartered subdivision.

- a. Under no circumstances shall any member obtain or use an ATM debit for any Adrian Empire, Inc. bank account including accounts of any subdivision.
- b. All Adrian Empire, Inc. checks shall require two signatures.
- c. All signatories shall sign an agreement stating that they explicitly accept financial responsibility for all expenditures they authorize. If the expenditures are not approved by their local Estates or not approved by the Imperium, the signatories will be financially responsible for reimbursing all funds authorized by their signature.

Proposal 1: Delete 2-signature requirement, and rewrite financial responsibility

Motion to refer to Board of Directors: Withdrawn

Motion to divide the question (first sentence separate): No objection

First sentence (2 signatures):

FAILED 17 in favor, count of those opposed dispensed with no objection

Remainder of proposal:

Amend to leave the current paragraph C intact, and eliminate proposed paragraph B (so that the proposal is adding only paragraphs C and D): APPROVED

Strike the requirement for two signatures on checks (paragraph b) in its entirety.

Strike the requirement for financial responsibility on unapproved expenditures (paragraph c), to be replaced by the proposed language (new paragraphs b-d).

Amend to read: The Steward is responsible for the legal obligations and finances of the Adrian Empire or chartered subdivision.

- a. Under no circumstances shall any member obtain or use an ATM debit for any Adrian Empire, Inc. bank account including accounts of any subdivision.
- ~~b. All Adrian Empire, Inc. checks shall require two signatures.~~
- b. The Steward/Deputy Stewards (i.e. the signators) shall assume financial responsibility for any expenditure paid out and not authorized by the Crown nor approved by the Estates.**
- c. For any expenditure approved by the Crown yet not approved by the Estates, the Crown shall assume financial responsibility.**
- d. Financial responsibility is defined as being responsible for restitution to the Adrian Empire.**

Proposal 2: Amend to require steward to request an audit every year

Motion to refer to the Board of Directors, Chancery, and authors for clarification of language (accepted definitions of terms used): No objection

Add:

d. The Imperial Steward shall request a full and complete audit done on the Adrian Empire, Inc. by a Third Party (non-involved) Licensed and Bonded Accounting Firm. This audit will include all accounting books, computer program accounting software, all tax returns, bank accounts, etc. (For all Subdivisions and the Imperial) Audits should be done at least once a fiscal year.

Commentary: We suggest that this include authorization from the Estates to approve a budget item to pay for this. Since the Empire has grown in numbers, our Board of Directors is in place, it is now necessary to run portions of the Empire like a business. If this is not done now, then future problems can and will become compounded.

Chancellor's Note: Many similar organizations obtain the advantage by having outside audits performed every three years or so, but avoid the cost of annual outside audits. An audit was budgeted for at the November 2002 Estates Meeting, and the President is already acting upon that request.

OB7. Amend Article XVI.A. to disallow “outlanders” at Crown Wars FAILED

OB8. Amend Estates Writ 3, Steward’s Manual, procedure for receipt of dues

Motion to suspend further agenda business: FAILED 34 in favor, 60 opposed

Not considered at this meeting, shall remain as Old Business in November.

Requires majority to approve (Was NB6)

Add language to Section III.D. Procedures for receipt of dues when checks are returned from the bank.

Current language: The amount of dues for each type and length of membership is set by the Imperial Estates General; you MAY NOT change this. You will receive dues from new members and for members who are renewing their dues. You need to have everyone fill out a membership application; this will help you keep your register current. Give each member a receipt for their dues and note on the receipt the type of membership, length of membership, new membership or renewal, amount, cash or check and date paid. Checks must be made out to the "Adrian Empire, Inc.". [Refer to the Bylaws for a current dues table and types of memberships.]

Add:

- 1. If a member's check bounces, the member shall be notified they are not in good standing with the Adrian Empire, notified of the restitution amount necessary to rectify the matter, and given a time limit in which to resolve the matter. The amount of restitution shall include covering the original amount of the check plus bank service fees and a \$25.00 penalty. This shall be paid in cash or by money order. Failure to pay restitution will result in the matter being turned over to the Board of Directors.**
- 2. Any individual who bounces a check to the Adrian Empire, Inc. shall have their check-writing privileges permanently revoked, requiring all financial matters to be handled in either cash or money order format.**

Commentary: *Suggested time limit for resolving a bad check - 2 weeks; Consult Imperial Steward's Office on acceptable time limit as needed. Check writing is a privilege, and those who abuse this privilege should be made to face the consequence.*

Chancellor's Note: *Amend proposal, delete 'bounces' insert 'returned by the bank for any reason', delete 'who bounces a check' insert 'whose check is returned'.*

OB9. Delete Article XVII Empire of Chivalry and Steel.....APPROVED

Question divided.

Remove all except paragraph A: APPROVED 68 in favor, 29 opposed (required 2/3)

Move Paragraph A to a new section of bylaws (Resolutions): Approved on visual vote, count dispensed with (no objections)

Remove this Article in its entirety.

Delete: Article XVII. Empire of Chivalry and Steel

- A. Recognition & Scope
The Adrian Empire recognizes its common origins with the Empire of Chivalry and Steel (ECS) and maintains as its goal the encouragement of cross-participation between the two Empires, perhaps with a view toward ultimate reunification. It is the policy of the Adrian Empire to cooperate with the ECS with regard to recruitment, and to discourage competition between the Empires for membership.
- B. The Council
To that end, a joint body of Estates is formed. The Imperial Estates of the Adrian Empire and the Imperial Estates of the ECS shall together form a joint body known as the Council. The Adrian Imperial Estates General shall have 100 votes, and each active Estate, whether or not present at a Council Meeting, shall have a proportionate share thereof (e.g., if there are 20 Estates, each would have 5 votes; if 22 Estates, each would have 4 and 20/22 votes). The ECS Imperial Estates shall have 100 votes, and each Estate, whether or not present at a Council Meeting, shall have a proportionate share thereof.
- C. Council Functions
The Council shall have the power to:
1. Create Law
By a simple majority vote (more than half), create law not in conflict with the Imperial Bylaws or Imperial Estates Writs, and approve expenditure of treasury funds not to exceed \$500 only insofar as such law and/or expenditure concern issues jointly relating to the two Empires.
 2. Alter Or Amplify Imperial Bylaws
By a 2/3rd's majority amend, alter, or otherwise amplify the Imperial Bylaws (except [Article VI: Meetings of the Governing Body](#)) or change the dues structure only insofar as said bylaws or dues relate to the two Empires.
- D. Summoning The Council
The Council may be called into session by the President of either corporation with the same notice and quorum (of the 200 votes outstanding) requirements as the Imperial Estates, except that if the ECS Imperial Estates as a body decline to participate in the Council, the Imperial Estates General shall have all the powers designated to the Council.
- E. Limitation Of Votes
Those who hold votes on both the Adrian Imperial Estates General and the ECS Imperial Estates must choose for which organization they are voting and cast only those proportionate votes as per [Article XVII.B](#) (above).

OB10. Amend Arts and Sciences Manual, Article I.E.2. to require judges re-qualification

Not considered at this meeting, shall remain as Old Business in November.

Requires majority to approve (Was NB8)

Add requirement that members requalify as a judge if they have not participated in the arts in the last 12 months.

Current Manual: 2. Requirements: All shall participate and be qualified at a judging collegium for the current version of the Arts and Sciences Manual.

Add: 2. Requirements: All shall participate and be qualified at a judging collegium for the current version of the Arts and Sciences Manual. **When a member has not entered an art or judged an art for one full year, the member will re-qualify themselves with the Minister of Arts and Sciences or his/her Deputy before judging at tourney or war.**

Commentary: *As the Arts and Sciences manual/judging guidelines is a dynamic document, we feel it is necessary for those who have been inactive in the Arts to show they have kept up with any changes made to the manual/guidelines before they be allowed to judge. At all Imperial Estate meetings the by-laws and manuals get changed. Some changes are immediate and some are for playtest.*

Requalification could be as simple as a conversation with the local A & S Minister or a Deputy, but it would save an artisan from the burden of an uninformed judge. I do not feel it will prove a hardship for the Minister of Arts and Sciences/Deputy to re-qualify the member.

OB11.Amend recognition of points/title from other organizations

Not considered at this meeting, shall remain as Old Business in November.

Proposal 1: Do not recognize retirement titles from other organizations

Requires 2/3rds (Was NB9)

Retiring titles for holding the position of sovereign in other similar organizations shall not be recognized and no voting privileges will be awarded for this function.

Commentary: *Whether it was the original intention or not this has been happening. Letting a newcomer, that has no idea how we play, have an immediate vote on our Imperial Estates is not a good thing. No matter the similarities between the groups there are vast differences in our laws and views.*

Chancellor's Note: *This issue was extensively debated when the law was originally adopted. It was both the similarities and the differences that were cited in support of the legislation. The different experiences and points of view were recognized as benefits to the Adrian Empire.*

Additional Chancellor's Note: *This is wholly inconsistent with our six-year philosophy that a Knight is a Knight, and that these organizations share so much that we treat them as equals. We have also said that we value these members' different experiences. In other words: resistance is futile; they will be assimilated; their uniqueness will be added to our own.*

Proposal 2: Limit transfer of points, titles from other organizations

Requires 2/3rds

Points and service in other groups should only be allowed to transfer up to a first-level knighthood and no further and that said transfer can only occur after a person has been active in the Adrian Empire for at least one year. Points earned in other groups while actively an Adrian Member should no longer transfer. Titles earned in other groups should not transfer, as they were not earned within Adria.

Commentary: *The basic Idea is not to get rid of initial conversion but to limit such. It is the intention of this Proposal to limit any transfer of points only upon initially joining Adria as well as to place a ceiling for such advancement. At this time there is no other group who recognizes our Knighthoods, Peerage, awards, nor our Titles of nobility. While there are several groups that are similar to the Adrian Empire there are also many differences. Therefore why should we recognize*

those outside our group? Theoretically as it now stands a person could transfer from another group and achieve a status of a Third level Knight in all disciplines of knighthood.

The problem with this is that Third level Knights are granted the privilege to influence the way we play the game due to the fact that 3rd level knights have a vote on the Imperial Estates. Also many of our leadership positions require knighthood to rule. It is in my experience that people will when given an opportunity take the easy route. Wow, think of that you could enter our group, transfer points and automatically be a leader in our organization while knowing virtually nothing on who we are or how we do things.

While we recognize that individuals from other groups do bring experience and can add to the knowledge of the Group as a whole The Adrian Empire is a unique entity which differs often greatly from other groups especially as to how we choose our leaders as well as to how we govern ourselves. It should be noted that we do not transfer experience from other groups non related to Medieval Re-enactment and yet these individuals bring along experience that helps us just as much as those who do come from Medieval Re-enactment groups. Should we, do we award knighthoods to individuals who are Eagle scouts in the BSA? Or to people who have a PHD in History? What about Masons? Or Shriners? What about those individuals who have served in Companies in the Capacity as Treasurer, president or on the Board of Directors of Major corporations? Surely their experience and knowledge is worthy of acknowledgement is it not? They do have valuable experience and we as a group do benefit from their knowledge and experience yet they do not gain any transfer points or recognition.

It is not logical to give credit to experience to an individual just because he or she was a member of another medieval re-enactment group while essentially snubbing those who chose Adria as their first medieval re-enactment group. Maybe they looked at the other groups first and decided we were the best why should they start anywhere else. Adria is unique and our culture and rules are unique to us regardless of similarities. Adria is Adria and everything else is simply that something else.

OB12.Remove retirement title from a member FAILED

Motion to NOT suspend, amend, rescind or except Article VI.J in order to consider this item

Motion interrupted by a motion to table until the author could arrive: FAILED 19 in favor, 71 opposed, 11 abstentions (required majority)

Return to original motion: APPROVED 75 in favor, 19 opposed, 6 abstentions

Article VI.J. must be suspended (amended, rescinded, or excepted) in order to consider this item. Since the Imperial Estates did not do so, this item failed.

Requires 2/3rds to amend, repeal, make exception to VI J; 2/3rds to amend, repeal, make exception to IX.D.Titles, conversion authority; and, a majority to overrule Crown (Was NB10)

Request that the Imperial Estates vote to remove Captain Justin Kase's retiring title (This title is from the ECS) There has been evidence submitted to the Prior Board of Directors and the Present Board of Directors from the Empire of Chivalry and Steel's Board of Directors and the Local ESC Subdivision (Kingdom of Vega) proving that this gentle is on a ministerial ban. This would include him not being allowed to sit as a House Lord, minister, and autocrat for a period of two years and is no longer a member in good standing in the ECS.

OB13. Amend Article III.A.3. add to reasons for membership denial

Not considered at this meeting, shall remain as Old Business in November.

Requires 2/3rds to approve (Was NB11)

Current Law: Membership in the Adrian Empire may be denied for the same reasons as revocation. Membership may also be denied if the reasons for a previous revocation of membership are still valid.

Add: Membership in the Adrian Empire may be denied for the same reasons as revocation. Membership may also be denied if the reasons for a previous revocation of membership are still valid.

Members that are not in good standing from similar organizations shall have their dues refused until such issues have been dealt with in that organization. If the member is already a member of Adria, then the membership should be placed on probation until the judicial action has been satisfied.

Commentary: *After accepting a membership, it was brought to the Empire's attention that the individual was on a ministerial ban from another organization. With this in place we can in the future prevent any possible harm to the Empire or its members.*

Chancellor's Note: *This Bylaw amendment will require amending the Conversion writ. Further, it eliminates from our law our ability to make our own evaluation of the member's situation. It is analogous to adopting a 'Full Faith and Credit Clause' without the mundane world exception for violations of our own public policy.*

IX. NEW BUSINESS

No motion was made to consider any New Business. These shall be on the November agenda, as Old Business.

NB1. Amend Article III.F. to allow members to choose subdivision

Requires 2/3rds to consider, 2/3rds to adopt

Current Law: A participant shall be considered to be a member of the subdivision in which they reside (where a participant physically lives)

Amend to read: A participant may declare their citizenship to a chartered subdivision annually when they pay their membership, members can only form estates, or be estates holders in the subdivision they choose to be a member of, this may be changed when the member renews their membership on July 1st. Lifetime memberships could also be changed at the July 1st renewal date. If no choice is made, the participant will be considered to be a member of the chartered subdivision in which they reside (where a participant physically lives). Subdivision re-assignment is also allowed for a change of physical residence.

Addition 1 (to be voted on only as an addition to the original proposal): If the participant does not physically live within 200 miles of the requested subdivision, they must apply for citizenship directly to that subdivision's Crown for approval.

Addition 2 (to be voted on only as an addition to the original proposal): If the participant's change of subdivision takes the subdivision they physically reside in below numbers the member must provide a written reason why they are requesting the change, and appeal directly to Imperial Crown for permission.

Commentary: For our organization to grow, we need to allow memberships to not be so rigidly defined. We need to allow our members to have a voice in where they want to play, and not where they are allowed to play.

There is a cultural community and honored traditions that vary from kingdom to duchy to shire. Many people feel a better fit and acceptance in a subdivision where they are not assigned. Often these are people who wish to fully participate in the workings of that subdivision, yet they are unable to fully do so because of this restriction in the bylaws. With the dividing of some of the larger subdivisions, and the close proximity of many subdivisions, this issue has become more prominent as many subdivisions are within an easy distance for the member to reach; if a participant has friends and people who want to be together, how are we serving our membership by keeping these members from fully participating in their local governance by geography?

NB2. Reinstate Sumptuary and Regalia Writ #18 (Chains of State)

Requires 2/3rds to consider, majority to adopt

It is the wish of the Crowns and Chancery of Aragon to put forth an agenda item to reinstate the use of regalia and sumptuary laws. This writ was removed at the November 2001 meeting by a vote of the Estates.

Chancery note: *The Imperial Estates Writ #18 on Armigerous Rights, Regalia and Modes of Address, Orders and Awards, and Ministry Badges reads as follows. Only those sections of the Writ which are relevant will be noted, for brevity's sake. Those sections in red boldface are the sections removed by the vote of the Imperial Estates in November 2001.*

II. REGALIA AND MODES OF ADDRESS

A. THEORY.

1. Chains of State

- a. **A Chain of State goes with a vote on the Estates. Therefore, those ranks which do not carry a vote on the Estates are not permitted a Chain of State.**
- b. **The Chains of State are divided into three groups: Precious metal for Estates Royal, mixed precious and base metal for Estates Major, and base metal only for Estates Minor.**

(Current law: Chains of State are not regulated by Law.)

3. Restrictions.

- a. None of the regalia or styles listed below is mandatory, for example, no one is required to wear that to which one is entitled; however, others who are not so entitled may be restricted from using such regalia or styles.
- b. Addressing someone with a form different from that listed for that member's station is neither prohibited nor discouraged, since forms of address are merely a way of showing respect.
- c. The Estates of a Kingdom may choose to further restrict or augment the regalia listed below, **such as by adding a few links of contrasting metal to a Chain of State**, so long as such restriction or augmentation does not conflict with this list.

B. PRACTICE

What follows are the regalia and modes of address for each rank in the Order of Precedence which has been registered by the Imperial College of Arms. Titles are listed in descending order of precedence, with Landed Estates listed by the name of the Estate rather than its rulers.

1. Empire. Estate Imperial, ruled by an Emperor and/or Empress. Ruler may wear a Crown

and a gold Chain of State. Ruler may be addressed as "Your Imperial Majesty", "Your Majesty", "Your Highness", or "Your Grace". Ruler may be styled "Emperor <name>" or "Empress <name>" according to gender, or may use a non-English translation.

Other entries mentioning Chains of State follow likewise, except this one:

22. Lord/Lady Protector. Temporary position, acting as the Crown of a Geographic Chartered Subdivision for a period of less than 1 year. Carries precedent with **and may wear the Chain of State appropriate to** the rank of their Subdivision, but should not wear the Subdivision's Crown. May be addressed as "Your Grace". Holders may append "Lord/Lady Protector of <subdivision name>" to their existing style while in office. (Example: "Earl XXX, Lord Protector of YYY".)

Commentary: *It is the feeling of these individuals that by not utilizing proper regalia and sumptuaries we do a disservice, not only to those who have worked hard to earn those positions, but also to newer members who are confused as to how to address the issues of respect, deference, and what types of adornment they themselves may wear. With a guideline, it is laid out, and will assist in avoiding unpleasant or uncomfortable circumstances surrounding these activities, and will enhance enjoyment of the gaming experience.*

NB3. Amend Article VI.E.2 to define budget, and include Kingdoms

Requires 2/3rds to consider, 2/3rds to adopt

Budgets will be submitted by Imperial/Kingdom officers per regnal year, at which time they will be put before the Estates General for approval. Budgets may be approved or amended by a majority vote of the Estates General. Budgets will include items and cost, and reflect a total expenditure.

Current Law: The Imperial Estates General shall meet on the first weekend of November of every year (that being the first Saturday and the day following), at which time they shall conduct appropriate business including but not limited to:

- a. Imperial budget

Commentary: *Although this is good practice, it is not Law, which makes it confusing for incoming Crowns and Officers to know exactly what Budgeting limitations are. This will eliminate confusion and argument over Budget requirements.*

Author: Dame Ashlinn Tiernan (Chancellor of Aragon)

NB4. Amend Article VII.C. to require all estates-holders/ministers not be wards/minors

Requires 2/3rds to consider, 2/3rds to adopt

Change to requirements to hold Office. Any person holding a vote on any Estates and/or all Ministers may not be a legal ward or under the guardianship of any other individual.

Current Law: C. Requirements To Hold Ministerial Office

All ministers and their deputies shall hold a participating or family membership and shall maintain such membership for the duration of their appointment. Those holding statutory offices must be at least eighteen (18) years of age.

Glossary: Statutory Officers - Those officers which have responsibilities within the mundane side of the organization. These officers include all Crowns, and the ministers outlined in Article VII.

Ministries. These officers must be at least 18 years of age (see Article VII.c. Requirements to Hold Office).

Article VII (referenced in above glossary definition) include Chancellor, Minister of Rolls, Steward, Minister of Arms, Chronicler, Minister of Joust/War, Crown Marshal, Minister of Arts/Sciences, Minister of Physicks, Hospitaler, Viceroys, Minister of Archery.

Commentary: *Legally, no one who is under the legal guardianship of another may enter into a contract or hold logistical rights outside of the realm of what that guardian will allow. It is therefore improper for the Adrian Empire to extend rights to individuals that they may not enjoy outside the confines of Our organization. Also, there is a question of informed consent if that individual is unable to make binding decisions for themselves. This prospect damages the Integrity of the vote/office that they hold.*

NB5. Add VI.F.1.d.v. and VI.F.2.b.iii. to adopt rules of procedure for the body

Add: The Imperium tends to use a form of Robert's Rules of Order; however, the Chancellor may adopt Rules of Conduct, and Rules for Limiting Debate if deemed necessary for completing business within the confines of their limitations (i.e. time, location, etc.), as long as these rules do not patently conflict with Imperial Bylaw, Subdivision Codicil, or Mundane Laws. These Rules must be noticed to the Estates 30 days prior to their enactment, and may be amended by the Estates General by a Majority Vote. They may be disposed of by a 2/3rd's vote of the Estates General. In cases where no Rules have been presented the Chancellor will utilize the Imperium's revised Parliamentary Rules and/or Robert's Rules of Order.

Commentary: *Following strict Robert's Rules of Order is very difficult, as it is complicated and hard to understand. Besides, who wants to memorize a 650 page book, just so they will be able to vote on an issue. It just does not fit the needs of the Estates. Unfortunately, in cases where time is very limited for doing business, there is no set limitation to Debate. The Chancellor needs to have the ability to set reasonable times, so that business may be dealt with in a prompt and concise manner.*

Chancellor's Note: *Previous rulings of law have held that the Estates control their own rules of procedure, but it does not clearly appear in the Bylaws.*

NB6. Remove point-earning restrictions

It is the intent of this proposal to both encourage and reward individuals who go the extra mile especially on the road to knighthood. In no way are we suggesting of getting rid of the Point system. What this proposal would do is the following:

1. Eliminate the Maximum points earned per month.
2. Place a two year time on all levels of Knighthood where the person must remain active attending and participating at least once a Month during the two year period. Thus it would take 6 years total time to achieve a Third level knighthood, Four years for a Second Level and Two for First level.
3. Establishing special Orders/Awards for those individuals who over achieve
 - A. One order for those who gain twice the required points
 - B. One for five times the required points
 - C. One for those who achieve over five times the required points

Members of these orders would be allowed to augment their arms with a symbol as worked out with the College of Arms.

Commentary: *As our organization is a chivalric organization it is implied that recognition should be awarded by the deeds of the individual. I feel that by limiting the points to be earned limits participation. We are a group by stature that recognizes and holds achievement in high regard. This being the case I feel it is in the best interest of all of Adria to be given the opportunity to earn as many points as they are willing to invest their time and effort in. If such a change has the effect of creating an abundance of over achievers (IE. Say 75% or higher then it would behoove us to broaden and expand the minimums). Another advantage of this proposal would be to eliminate the various laws contained within the by-laws that currently restrict point achievement. Knighthoods are about doing and doing deeds. This being the case then should we not encourage those who wish to put forth the extra effort?*

NB7. Amend Article IV.F. Discounts to remove military and student discounts

Current law: Military with valid military ID, students with valid student body cards, and senior citizens (55 years +) with valid proof of age are allowed a 10% discount on annual participating memberships. Participating members may receive a discount of \$10 on annual dues with electronic newsletter delivery. These discounts are **not** cumulative.

Amend to read: Senior citizens (55 years +) with valid proof of age are allowed a 10% discount on annual participating memberships...

Commentary: *Military and students may receive a \$3.00 discount, or they may choose the e-herald discount of \$10.00. It makes more sense to eliminate the lesser discount offer, since it is rarely used anyway. I believe we are legally required to offer a senior citizen discount, or I would recommend removing that one, as well.*

NB8. Amend Article III.A.1. to remove 30-day grace period

Current law: Membership in the Adrian Empire is open to any interested individual, without restriction of gender, age, race, religion, or national origin. Membership can be terminated by a thirty (30) day lapse following nonpayment of dues or revocation of membership by the Board of Directors.

Amend to read: Membership in the Adrian Empire is open to any interested individual, without restriction of gender, age, race, religion, or national origin. Membership can be terminated by ~~a thirty (30) day lapse following~~ nonpayment of dues or revocation of membership by the Board of Directors.

Commentary: *July 1 is a very clear due date and everyone's membership expires at that time. By allowing a 30-day "grace" period, people assume they expire on August 1. This mistaken impression has led to countless lapses in membership that have prevented people from holding office, counting participations, attaining knighthoods, etc. With the due date so very clear for everyone, the need for a grace period has been eliminated. A magazine subscription doesn't give you an extra issue if you don't renew your subscription on time. Other organizations don't give you an extra month if you don't renew your dues. We need to eliminate grey areas, especially when they have historically caused so many problems.*

NB9. Amend Article III.B.4. to be clear that Associate Members may not hold office.

The bylaws state that a participating membership (either single, family, or life) is “the basic membership, conveying the right to earn knightly rank, receive precedence bearing awards, have arms registered, convey the right to hold office in the Adrian Empire and a subscription to the appropriate chartered subdivision newsletter.” This implies that Associate Membership does **not** convey those rights. Amend the bylaws to make that clear.

Current law: An entity which is an organization, or a Chartered Subdivision thereof (or equivalent), may purchase associate membership for its members. The dues for said membership per member are set by the Imperial Crown in consideration of the number of memberships requested, and the cost of providing them with Imperial Services. To induce discount, the entity could assume the burden of certain Imperial Services, for example, the entity could duplicate and deliver its own newsletters.

Add: The rights of participating membership do not extend to associate members.

Commentary: *Associate membership is an extremely discounted rate (\$10.00/year as opposed to \$30.00). I do not believe it is too much to ask for those members who are holding office, becoming knights, and otherwise having all the advantages of participating membership to actually have to be a participating member. Especially when, with the e-Herald discount, it is a difference of \$10.00 a year. This law is already there by implication and this proposal simply makes it crystal clear.*

X. DISCUSSION

As time allows.

By request of Lord Auberon de la Reve (Viceroy of Andorra):

Adding Language concerning Wars: Currently there is no description of Wars other than Imperial Wars and Civil Wars in the By-laws. While other Wars such as Banner, Holy and Border Wars are mentioned there is little to no description on how they are handled and so forth. It has been said that these types of War are simply "Art". However being that they are point bearing events it makes sense to at least add descriptions and to define the perimeters of such. One can stipulate that such is already defined as for them being an event, but it is always better to place such things in specific language so that everyone is on the same page.

Distance Entries for Arts: It is the intention of this proposal to allow those unable to attend an Arts tournament to enter a project without being present. The individual who wishes to make such an entry must first contact a knight in good standing to receive the Entry and all accompanying documentation and to act as the individual's representative. The Creator of the entry would of course cover all costs of shipping and handling. Such long distance entries while capable of earning points for the individual would not be considered for points going to an Army's Score in a War situation. We feel that this is a good option especially for those in smaller sub-divisions who due to size limitations do not have the number of people necessary to judge Arts. We also feel that this would help encourage Arts participation as early as possible in Newer sub-divisions, getting the individual Artisans feet wet.
