Members entitled to a seat by virtue of rank or office whose dues are not current, are under judicial ban, or have not attended at least (2) two official events in any subdivision within the previous (6) six months will be denied a seat. The membership entitled to a vote at a meeting of a given body is fixed as of the SUMMONING of the meeting and may not be subsequently altered by any means, including expiration of dues, nonparticipation, formation of new Estates, or change in Estates held by a given member, until the meeting is concluded. The only exceptions are resignation of a given member, judicial ban, *or creation of a greater estate that does not reduce another greater estate below minimum membership*. A meeting is deemed summoned at the point of minimum notice. The point of minimum notice is defined as thirty days for the Estates General of the chartered subdivision or sixty days for any body of Imperial Estates, unless a waiver of such notice is granted by the summoned body, in which case the point of minimum notice shall be the date of actual notice. The Crown, if available will convene the summoned Estates at the appointed time and place, and the meeting will be presided over by the Chancellor, if available. *Note: Past practice has permitted these estates, created after the notice period, to be seated (notice waived) when no objection is made. Examples: Count or Countess Royal, new March, Third Level Knighthood.*

#### **CRB4. Amend or repeal Imperial Estates Writ 22 (which replaced Article VI.C. requiring Imperial Estates approval on all changes)**

*Was CRB7, moved to writ, referred to author for rewrite July 2004. Requires majority to amend/repeal.*

**Current Law:** All changes made to Bylaw or Writ, shall be published in the Chancery Report. The Estates may question any change. Changes, questioned by the Estates, shall be considered under CH1; changes not questioned shall stand.

**Amend to read:** *To follow.*

**Authors:** *Imperial Crown.*

#### **CRB5. Amend Imperial Estates Writ 23 regarding original paperwork**

*Was CRB8. Proposal amended to "All original paperwork is the property of the Adrian Empire, Inc. Arts entries and documentation shall remain the intellectual property of the owner. All original material shall be sent to the appropriate Imperial Ministry on demand. Chartered subdivisions may retain copies at their own expense." Question divided: part 1 – see IEW 23, approved; part 2 – see amendment below - tabled. Requires majority to take from the table; requires majority to amend.*

##### **Current Law: IEW 23. Original Paperwork**

All original paperwork is the property of the Adrian Empire, Inc. Arts entries and documentation shall remain the intellectual property of the artist.

**Amend to add: All original material shall be sent to the appropriate Imperial Ministry on demand. Chartered subdivisions may retain copies at their own expense.**

**Commentary:** *All records belong to the Empire, which is obligated to maintain them. Subdivisions' status may change, some becoming inactive then active again. Members move from one to another, lapse and return. Some subdivisions report inconsistently. Centralized record keeping is the solution.*

**Authors/Co-Sponsors:** *The Chancery, TIMs Aislynn de Chartier, Empress, Wright Bentwood, Emperor*

## **VII. CHANCERY BUSINESS**

### **CH1. Elect Two (2) Members to the Board of Directors**

Pursuant to Estates Writ 14, elect the Board of Directors for a 2-year term. Arizona Corporate Law requires President, Vice President and Secretary/Treasurer to be on the Board of Directors. Membership on the Board requires limited disclosure to the State of Arizona regarding your personal financial and legal history. Copies of the form will be available at the meeting to review.

- President: Christina Hugenburg (HIM Aislynn de Chartier)
- Vice-President: Chris Bagnall (HIM Wright Bentwood)
- Secretary/Treasurer: Sara Huizenga (Dame Lenora Scott Greyphis)
- Member-at-large: Warren A. Mitchell (Sir Warren Anthony) – 1 year remaining
- Member-at-large: John Agee-Ross (HRM Pavo Rosalia) – 1 year remaining
- 2 members-at-large will be elected to 2-year terms

Denice Nossett (HIH Dame Katherine Marshal) has placed herself in nomination for 1 of the available seats.

**Commentary:** *While a proposal for advance application, etc. appears on this agenda (see OB10), at this time the procedure remains informal. On Saturday, the chair will entertain additional nominations; one of the options below will be selected, then ballots will be prepared. On Sunday, each member of the Estates will vote as per the option selected:*

*Option 1: Select up to two nominees (per vote carried)*

*Option 2: Select one nominee (per vote carried)*

*Option 3: Cast up to two votes (per vote carried) for one or two nominees (e.g. two votes for one nominee; one vote for each of two nominees; or abstain).*

*The two nominees receiving the most votes will be elected.*

## CH2. Use term “Fitness,” or “Acceptability.”

*Was Global Item D in Chancery Appendix CH1, first presented in November 2003. Tabled in July 2004. Requires majority to take from the table, 2/3 to approve.*

In several sections of law we discuss the acceptability and the fitness of Crown Candidates. These words are used interchangeably, but mean different things. Which word do the Estates wish to use?

### Proposal 1: Fitness

Change the word “acceptability” to “fitness” wherever it is used in this context.

### Proposal 2: Acceptability

Change the word “fitness” to “acceptability” wherever it is used in this context.

**Commentary:** *Over the past several years, we have made a distinction between fitness and acceptability. Fitness is determined by the appropriate ministers regarding their technical eligibility. Acceptability is (for whatever reasons) whether or not the body will accept them as a Crown.*

**Fitness:** *The condition of being suitable; “they had to prove their fitness for the position”*

**Acceptability:** *Adequate for the purpose; “the water was acceptable for drinking”*  
*Definitions are from Wordnet, Princeton University, 1997*

**Committee Comments:** *No comments on the substance of the proposals were received.*

**Authors:** *Sir William Baine (Imperial Chancellor), Dame Maedb Hawkins (Knight Premier)*

## CH3. Amend Article V. Meetings of the Membership B. Definition to allow “non-garb” events

*Was CH9, first presented in July 2004. Referred back to author for re-write.*

**Current Law:** An official event is any meeting of the membership which is held in a medieval context, setting and style for the purpose of education, recreation and/or competition, ...

**Amend to read:** An official event is any meeting of the membership which is held in an appropriate context, setting and style for the purpose of education, recreation, competition, or service, ...

**Commentary:** *Often referred to as the “garb rule”, our activities go beyond medieval and properly include many service events where garb is inappropriate. Whether fundraising, community clean-up, or other projects—mundane work clothes, etc. may be required. We have Crowns to determine whether an event is worthy to sanction and they need some discretion in making that decision.*

**Authors:** *Sir William Baine (Imperial Chancellor), Dame Maedb Hawkins (Knight Premier)*

## CH4. Clarify Estates Writ 6, Demonstration Initiations.

*Requires majority*

**Note:** The Imperial Minister of Law shall be called upon to report on the state of this writ.

**Current Writ:** Ministry service, including but not limited to demonstrations, fundraisers, community service related to Adria, classes, collegia, feasts, tournaments, and wars may be substituted for demo initiations in the Ministry path to Knighthood. *[what follows are the exact terms and conditions in which a DI may be awarded]...*

### Proposal 1: Enforce as written.

### Proposal 2: Rewrite to allow “double-dipping” of points

**Amend to read:** ... wars may be substituted awarded in addition to regular monthly participation points for demo initiations in the Ministry path to Knighthood...

**Commentary:** *This writ clearly states that ministry service may be **substituted**, not awarded in addition to. Substitution is accepting something in lieu of the original writ. Few subdivisions award these DI points as a substitution, despite the clarity of its wording. The estates need to either enforce the writ as written and passed, or they need to change the wording to reflect common practice.*

**Authors:** *Sir William Baine (Imperial Chancellor), Dame Maedb Hawkins (Knight Premier)*

## VIII. OLD BUSINESS

### OB1. Amend Article VII.C. to require that all estates-holders, ministers not be under the guardianship of another.

*Tabled in July 2004 until an attorney could be consulted to draft new language. Requires majority to take from the table, 2/3rds to approve.*

Amend requirements to hold Office.

**Current Law:** C. Requirements To Hold Ministerial Office

All ministers and their deputies shall hold a participating or family membership and shall maintain such membership for the duration of their appointment. Those holding statutory offices must be at least eighteen (18) years of age.

**Amend to read:** C. Requirements To Hold Ministerial Office

All ministers and their deputies shall hold a participating or family membership and shall maintain such membership for the duration of their appointment. No legal ward or other person under the legal guardianship of another individual shall hold a Ministry or a vote on any Estates General.

**Option 1: Add clarifying language to law**

**Add clarifying language to law:** This shall limit the voting rights of young second and third level Knights until they reach majority and are not otherwise under another's legal guardianship. This limit on Ministry shall apply to service such as combat marshals, range-masters, physickers, or deputies entrusted with personal information; but not apply to arts judges, "water bearers," "servers," event site set-up, tear-down, or other service unlikely to expose the Adrian Empire to unreasonable liability risks. This limit may apply to service as event autocrat depending on the activities at the event.

**Option 2: Add clarifying language as a note**

Add clarifying language above as "NOTE: . . ."

*If adopted: The Chancery will update the Glossary.*

*Commentary: Legally, no one who is under the legal guardianship of another may enter into a contract or hold act outside the realm of what that guardian will allow. It is therefore improper for the Adrian Empire to extend rights to individuals that they may not enjoy outside the confines of our organization. Also, there is a question of informed consent if that individual is unable to make binding decisions for themselves. This prospect damages the Integrity of the vote/office that they hold.*

*Author: Dame Ashlenn Tiernan (Duchess of Albion)*

*Co-sponsor: The Chancery*

### Counterproposal: Amend VII.C. Statutory Officers to include only those required to sign contracts

*Requires 2/3rds to approve*

We would like to redefine Statutory Officers to include only those Ministry Positions required by their position and designation to sign Mundane Contracts.

**Current Law:** REQUIREMENTS TO HOLD MINISTERIAL OFFICE

All ministers and their deputies shall hold a participating or family membership and shall maintain such membership for the duration of their appointment. Those holding statutory offices must be at least eighteen (18) years of age.

**Glossary:** *Statutory Officers* – Those officers, which have responsibilities within the mundane side of the organization. These officers include all Crowns, and the Ministers outlined in [Article VII \(Ministries\)](#). These officers must be at least 18 years of age (see [Article VII.c. Requirements to Hold Office](#)).

*(NOTE: in many cases such as where contracts are signed it is usually preferred that the signer of such be at least 21, those under such age are often in case of purchases required to have a Co-signer)*

These Offices then requiring the Age requirement would be as follows: All Crowns Both Imperial and On a subdivision level including Viceroy, all Estate Holders, and the Following Positions on an Imperial and subdivision level... Steward, Chancellor, Lord and Lady Protectors, Autocrats, Note a person under age of majority could still be a Co-Autocrat)

**Amend To Read:** VII.C. REQUIREMENTS TO HOLD MINISTERIAL OFFICE

All ministers and their deputies shall hold a participating or family membership and shall maintain such membership for the duration of their appointment. Those holding the following offices must be at least eighteen (18) Years of age: Crowns at any level including Viceroy, heads of Estates, Steward and Chancellor and all Imperial ministers

**Chancery Note:** *many of the observations that follow may reflect the authors' local interpretation and customs, and should not be assumed to be inaccurate.*

**Commentary:** *The Problem with limiting ages is that we are a Family oriented group, and it is hoped that the youth that join and Partake of our activities within our Organization as Paying members are our Future leaders. We allow individuals at ten to start on Target Archery for the road to Knighthood, we allow members of 13 years of Age to fight Shinai, we allow those individuals of 16 years of Age to Participate in Full steel if the Parent/Guardian has given permission. While we do have Children's Lists, accordingly to our laws a child may opt to enter an Arts Project on an Adult list if they feel so inclined. In cases where such as Steward or Crown where articles of Mundania need signed this is a matter of Mundane law, however in a position such as Hospitaller, or Physicker why is this important within our group? CPR and First Aid Classes are offered by the Red Cross and many Schools to those under the age of Majority. On the Other side we see younger individuals being able to participate in School Government, Junior Achievement, and leadership positions in Groups like the Girl Scouts, and the Boy Scouts of America have been a strong part of these groups since their conception. If a Person under the age of Majority has the necessary drive, the willingness to do the Job, and requirements needed for such a position why can they not hold such? By allowing those individuals under their Majority to take part in our government we are passing on skills that will one day be needed to run Adria. Adria is a Corporation and as such will unless dissolved will live in perpetuity. If as some are wont to pass the now before us OB#3 and as the Law is now written technically Water bearers must be at least 18 as such is considered a deputy position from one interpretation. Clearly this needs if nothing else clearer wording By requiring members to be at least 18 to hold offices we are effectively closing off an area of Knighthood to our younger members. Should we penalize a member who is willing to put forth the time effort and Energy to fulfill an office because they are under the Majority? Would this not be akin to shooting oneself in the foot? The Youth of today are tomorrow's leaders. Corporate Memory is often brought up in cases of continuity in the Empire, well by allowing our younger members an opportunity to govern ourselves are we not promoting such? We are an educational group and that being said should we not be teaching them how to lead? As our Laws now stand it is not inconceivable that a member say starting at age 10 in archery with time and effort could very well reach a third Level Knighthood before they hit their Majority. Third Level Knights have a vote in the Imperial Estates. In this Hypothetical case we have an individual who has spent time and effort shown the necessary aptitude and still he or she could not even be a Marshall, or for that fact any ministerial position as the law now stands. It is a known fact that We walk a line between Historical accuracy and What is the Norm of the day. A second level knight regardless of his or her age has a vote on his or her sub-divisions Estates, at Third level they have a vote on the Imperial Estates as well. If an individual has earned the right to speak and vote his or her conscious why should we limit them in other areas?*

**OB2. Add VI.F.1.d.v., VI.F.2.b.iii. to authorize adoption of rules of procedure**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Amend VI.F.1.d. Add: v. Adopt rules of procedure.**

**Amend VI.F.2.b. Add: iii. Adopt rules of procedure.**

**Adopt Estates Writ (to be numbered): Chancellor's Authority to Adopt Procedures**

The Estates General throughout the Empire tend to use some form of Robert's Rules of Order. The Chancellors may adopt Rules of Conduct, and to Limit Debate if necessary to complete business within the limitations of time and place, provided these rules do not conflict with Bylaw, Codicil, or Writ.

In a chartered subdivision, these rules must be noticed to the Estates 30 days prior to their adoption, and may be amended by the Estates General by a Majority. In cases where no Rules have been presented by the Chancellor or adopted by the Estates; the Imperial Rules of Procedure or a common version of Robert's Rules of Order will be used.

*Commentary: Following strict Robert's Rules of Order is very difficult, as it is complicated and hard to understand. Besides, who wants to memorize a 650 page book, just so they will be able to vote on an issue. It just does not fit the needs of the Estates. Unfortunately, in cases where time is very limited for doing business, there is no set limitation to Debate. The Chancellor needs to have the ability to set reasonable times, so that business may be dealt with in a prompt and concise manner.*

*Chancellor's Note: Previous rulings of law have held that the Estates control their own rules of procedure, but it does not clearly appear in the Bylaws.*

*Author: Dame Ashlinn Tiernan (Duchess of Albion)*

*Co-sponsor: The Chancery*

**OB3. Amend Article III.B.4. Associate Members may/may not hold office**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

The bylaws state that a participating membership (either single, family, or life) is "the basic membership, conveying the right to earn knightly rank, receive precedence bearing awards, have arms registered, convey the right to hold office in the Adrian Empire and a subscription to the appropriate chartered subdivision newsletter." This implies that Associate Membership does not convey those rights. Amend the bylaws to make that clear.

**Current law:** An entity which is an organization, or a Chartered Subdivision thereof (or equivalent), may purchase associate membership for its members. The dues for said membership per member are set by the Imperial Crown in consideration of the number of memberships requested, and the cost of providing them with Imperial Services. To induce discount, the entity could assume the burden of certain Imperial Services, for example, the entity could duplicate and deliver its own newsletters.

**Counterproposal 1 (Redrafted)**

**Add:** Members of the chivalry (knights), crowns (of a subdivision or the Empire), and Lord/Lady Protectors may not be associate members.

*Commentary: Associate membership is an extremely discounted rate (\$10.00/year as opposed to \$30.00). Previous proposals have tried to put limits by time of membership whereas this proposal allows associate members to play as associate members up until they want to take an accolade or be seated as a crown. We drew from what we saw of the traditions of Tierra del Feugo (now Carolingia) which has the largest percentage of associate members in the empire, but where, by tradition, a person buys a standard (non-associate) Adrian membership when s/he takes the accolade of knighthood or steps up to be Duke or Duchess.*

**Authors/Co-Sponsors:** Dame Maedb Hawkins (Imperial Princess, Knight Premier, Countess Royal), Dame Lenora Greyphis (Imperial Steward, Knight Premier)

## Counterproposal 2 (Approved)

**Add:** The rights of participating membership extend to associate members.

*Authors/Co-Sponsors: HIH Sir Nikolai and The Chancery*

## OB4. Amend Article XVI.C. Victory (to determine the conduct of wars in the event of a tie)

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

There is a problem with the conduct of wars as currently written because some points may not be awarded, and because the number of points may produce ties.

In a two-day war, it may not be possible to eliminate armies so that only two will advance to the second day. In either a one- or a two-day war, it is possible to end up with a tie.

**Add:** In the event of a tie, tied contenders shall compete in... (see below) ..., to determine a victor.

### Proposal 1: One additional battle

Choose either (a) or (b)

**a)** ... one additional armored champion's battle

**b)** ... one additional melee (shinai, renaissance, or armored to be randomly determined).

*Note: This gives preference to combat, which already receives 9 of 21 possible points in a war, and altogether leaves out archery and arts.*

### Proposal 2: Second set of Champion's battles

... a second set of three champion's battles, one each in archery, arts, and combat ...

(The Estates should select either renaissance or armored.)

*Note: This is unlikely to produce a tie, and represents all three areas. Regarding arts, the piece submitted should be prepared in advance for the event of a tie.*

*Commentary: While none of these proposals are the perfect solution, we trust that needing them will be rare (hopefully never). We welcome other practical ideas.*

*Authors/Co-Sponsors: Dame Maedb Hawkins (Princess, Countess Royal, Knight Premier), Sir William Baine (Knight Premier)*

### Counterproposal: Written ballot

In the event of a tie a vote consisting of a written ballot shall be taken. Only members of that warring subdivision, and who sign in at the war, will be allowed to vote in said ballot. The vote will be counted by the Chancellor, with the help of the Steward to verify the membership of the voters. Participation in this vote will not earn the member a war point. The contender with a simple majority will win the tiebreaker and will be announced at closing court of the war.

*Commentary: In the event of a close war the will of the whole populace of the subdivision should make the final decision.*

*Authors/Co-Sponsors: Sir Tailan Bran McNeil (Marquis, March of Where Dat Al Row), HRM Dame Claire Tonnesdtr (Queen, Terre Neuve), Dame Akria Krastel (Countess, County of Terre Amata)*

## OB5. Amend Article IV.F. Discounts to remove military, student discounts

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Current law:** Military with valid military ID, students with valid student body cards, and senior citizens (55 years +) with valid proof of age are allowed a 10% discount on annual participating memberships. Participating members may receive a discount of \$10 on annual dues with electronic newsletter delivery. These discounts are **not** cumulative.

**Amend to read:** Senior citizens (55 years +) with valid proof of age are allowed a 10% discount on annual participating memberships...

**Authors/Co-Sponsor:** Dame Lenora Greyphis (Knight Premier), HRM Sir Terrin Greyphis (King of Esperance, Knight Premier)

## OB6. Amend Article III.A.1. to remove 30-day grace period

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

## OB7. Amend Article III.D. Participation

*It was moved and approved to consider Old OB7 and OB17 together.*

**Current law:** While all attendees of Adrian Empire-sanctioned activities are encouraged to become members, attendance does not require membership. Dues-paying membership is a requirement for receiving knightly rank, receiving precedence bearing awards, having heraldic devices registered, holding office and competing in tournament or war. Non-members are welcome to receive instruction and if all safety requirements are met, participate in any Adrian Empire activity, so long as they do not interfere in any way with the opportunity to advance of a paid member. Individuals who can prove membership in a historical recreationist organization recognized by The Adrian Empire Inc. will be considered for tournament entry on a case-by-case basis. Experience will be taken into consideration and if the local Minister of Jousts and War, the local Crown Marshal and the Local Ruling Noble are in agreement they may compete in tournament at the appropriate level.

### Proposal 1. Amend by substitution

*Was OB7, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Amend by substitution:** While all attendees of Adrian Empire-sanctioned activities are encouraged to become members, neither attendance nor participation requires membership. Dues-paid membership is required to receive knightly rank and precedence bearing awards, to register heraldic devices, to hold office, and participate in contested Crown Wars. Non-members are welcome to receive instruction; and, if all safety requirements are met, participate in Adrian Empire activities on a case-by-case basis. Experience will be taken into consideration; if the appropriate Minister and the Crown are in agreement they may compete at the appropriate level.

**Commentary:** *The Chivalry of Adria does not fear competition. The current legislation has taken away one of our most effective recruiting tools. An unintended consequence of the current law is to prevent non-member participation in fun wars.*

## Proposal 2. Amend for clarification and expansion

*Was OB17, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Rewrite for clarification.

### Option A: Amend for clarification

**Amend to read:** While all attendees of Adrian Empire-sanctioned activities are encouraged to become members, attendance does not require membership. Dues-paying membership is a requirement for:

- Receiving knightly rank
- Receiving precedence-bearing awards
- Having heraldic devices registered
- Holding office
- Participating in tournament or war except as provided below

Non-members are welcome to receive instruction and, if all safety requirements are met, participate in any Adrian Empire activity. Non-members who can prove membership in a historical recreationist organization recognized by The Adrian Empire Inc. will be considered for participation on a case-by- case basis. Experience will be taken into consideration and, if the appropriate minister and Ruling Noble are in agreement, the non-members may participate at the appropriate level.

### Option B: Amend to allow experienced non-members to be considered

Allow for experts and experienced people who are not presently members of other organizations to also be considered for participation.

**Amend last paragraph to read:**

Non-members are welcome to receive instruction and, if all safety requirements are met, participate in any Adrian Empire activity. Non-members will be considered for participation on a case-by-case basis. Experience will be taken into consideration and, if the appropriate minister and Ruling Noble are in agreement, the non-members may participate at the appropriate level.

***Commentary:** A simple interpretation of the law does not allow for situations such as historical experts teaching a class, judging arts, or participating. It does allow for members of other organizations to fight, but might be limited to a non-destructive stand-by round, commonly referred to as a "bye". Current law could be construed to prevent any non-member from helping in activities such as heralding, list-keeping, consulting in the arts, etc.*

***Committee Comments:** It was pointed out that neither proposal addressed the issue of non-members from interfering with the advancement of members.*

***Additional Commentary:** The issue pointed out by the Chancery Committee is covered in the first proposal, wherein paid membership is required for (list of bulleted items). One of the bulleted items is participating in tournament or war. A non-member may not do this. The authors feel that Proposal 1 does address the issue as it exists in current law. Proposal 2 allows for a little more lenience to allow experienced non-members to participate. The Estates may choose to adopt either, or both proposals.*

**Proposal 1: Remove banishment**

Removal of banishment from Winfred Lord Randall Llewellyn ap Alyson (Randy Allison) and Anginette Mesalyn Theresa de la Fouche' Alyson (Annette Allison). All other conditions imposed by the Imperial Estates are to be maintained in place.

**Proposal 2: Remove banishment, retain prohibition of points, etc.**

As above, add: **These members may not accrue points, or hold positions, ranks, titles, etc. until the remaining conditions are fully satisfied.**

*Commentary: Winfred and Anginette have served three (3) years of Banishment by Adrian bylaw (i.e. remained paid members the full time). Their reparation payments are up to date. They wish to be allowed at events to enjoy a game and club they have dedicated much time to.*

*Chancellor's Note: In March 2004, the Imperial Estates granted permission to Randy and Annette Allison to appear at the Imperial Estates Meeting in which this is to be discussed, and to speak on their own behalf.*

**OB9. Amend VIII.D.3 and VI.F.2.b. to allow Kingdoms to choose own method to select Crowns**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Proposed: to allow Kingdoms the sovereignty to choose their own method of selecting their Crowns.

Add to **Article VIII.D.3** (Kingdom Rights and Responsibilities): **c. Vacancies**

- i. Unless otherwise specified, the method a Kingdom shall use to select its Crowns in the case of a vacancy shall be Crown War, as given in Article XVI.
- ii. Within 60 days from the beginning of the regnal year, the Crown shall present to its Estates a proposal for choosing its successor. If the Crown fails to do this, or if the Estates fail to ratify a method of selection other than War within the 60-day time limit, the method of selection shall default to War. Once the method of selection has been approved for that year, it may not be changed without a 2/3 vote of the Estates. The method of selection does not carry over from one regnal year to the next, it must be ratified anew each year.
- iii. Any method of filling a vacancy is acceptable, so long as it is approved by simple majority of the Estates.
- iv. A Kingdom's Estates may create codicils restricting and regulating the methods for selecting its Crowns.
- v. Nothing in this article shall change the way Civil War or Crown War is declared or fought (see Articles XV and XVI).
- vi. Nothing in this article shall change the number of War events a Kingdom shall be required to hold (see Article V.D).

Add to **Article VI.F.2.b.** (Rights of the Estates - The Estates General of a Chartered Subdivision - by a simple majority vote): **Approve a method for filling a Crown vacancy. (Kingdom only)**

Add to **Article VI.F.2.a** (Rights of the Estates - The Estates General of a Chartered Subdivision - by a 2/3rd's majority vote): **Change the method for filling a Crown vacancy, if one has already been approved. (Kingdom only)**

*Commentary: At the moment, Duchies have much more control over who rules them than Kingdoms. The Imperial Crown only ratifies the recommendation of the Duchy, and rare is the time that the Imperial*

*Crown goes against the wishes of the people. Kingdoms, which are supposed to have sovereignty over their own affairs, are oddly permitted only one method. Current practice is that War is the only way that Kingdoms choose their rulers. There are ways to get around this, such as the Estates approving only one set of contenders, but these are merely end-runs around the Law. This proposal makes it clear that Kingdoms have the freedom to select their rulers however they want. The time and vote limits are put in so that a King or Queen may not decide to change the method of succession on a whim a month before they step down. Note that nothing in this proposal pertains to the Empire itself; our current method of choosing the Emperor and Empress remains intact.*

**Chancery Note:** *Current interpretation is that War is required unless contenders are unopposed or the Estates find only one set of contenders acceptable. Amendment is the proper method to change the law.*

## **OB10. Amend Writs and VI.E.2. to change BOD elections**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to amend VI.E.2 (includes amending writ).*

To change the way that Directors are chosen to ensure that they meet all reporting requirements, as well as give members time to decide on their qualifications.

**Add to Estates Writ 14: e. Eligibility and Candidacy Requirements**

- i. Each Candidate for a position on the Board of Directors shall submit a letter of intent and list of qualifications to the Chancery for inclusion in the November Agenda. Each Candidate must fill out the required mundane legal paperwork at the time they submit the letter.
- ii. There shall be no nominations of Candidates from the floor of the Estates Meeting.
- iii. Candidates must hold a membership that is current and has been maintained continuously for not less than one year, and be least eighteen (18) years of age.

**OPTION 1:** Members of the Board of Directors may not be associate members.

**OPTION 2a:** Candidates must have attained second-level knighthood.

**OPTION 2b:** Candidates must have attained first-level knighthood.

- iv. Candidates may not be the subject of an announced or ongoing judicial court or specific judicial ban, and have not been barred from holding an Estate by such a court.  
*(Chancery Note: we are working to remove merely charging an Adrian crime to prohibit candidates from seeking office—we prefer a properly imposed judicial ban or court sentence.)*
- v. If Directors become the subject of a judicial proceeding or have sentence passed against them, their membership on the Board of Directors shall be subject to review by the Board of Directors, which shall then report to the Imperial Estates on the outcome.
- vi. Directors may not be removed without a 2/3 vote of the Board. This removal must be ratified by the Imperial Estates at their next scheduled meeting. This includes those Directors who hold their position by dint of Imperial Ministry position.  
*(Chancery Note: this may conflict with mundane BOD authority and, absent further amendment, clearly conflicts with Imperial Law regarding the authority of the Crown to appoint officers)*

**Add to Article VI.E.2 (Rights of the Estates):**

- d. Elect members of the Board of Directors.

**Add to Estates Writ 18 II.B. (Regalia etc):**

26. Member of the Board of Directors.

Except for the Emperor and/or Empress, members of the Board of Directors do not gain any additional titles, styles, or forms of address by virtue of their seat on the Board; they use whatever they already possess.

*(Chancery Note: please explain “Except for the Emperor and/or Empress.”)*

**Commentary:** *The Estates have long recognized that everyone with a right to vote on the Estates has a right to make informed decisions. The practice of "legislating from the floor" has become discouraged so that members present by proxy are not left out of the process. The current practice of nominating Board Member candidates from the floor does not permit proxies to make informed choices. Also, the members of the Estates should have the opportunity to peruse the résumés of potential Board Members well in advance so that they can ask questions and address concerns.*

*Requiring the mundane paperwork treats potential Board Members no differently than the Emperor and Empress, who must file such paperwork at the time they announce their candidacy. This gives the Board and the appropriate ministers adequate time to review the documents.*

*The membership requirement is placed in to ensure that someone who would like to sit on our Board of Directors is someone who has been a part of our group for a sufficient amount of time to gain adequate knowledge of our systems. Since eighteen months is the minimum time for attaining Knighthood (not counting the Imperial tourney rule), and one needs to have attained Knighthood before vying for the Crown of a Kingdom, this time period is firmly established in our culture as a bare minimum for gaining the knowledge and experience necessary for a high-level leadership position.*

*The phrase about associate memberships is inserted because of concerns about having someone not a full member of the organization sitting on its Board. This is an option the Estates may add in at their pleasure.*

*The option of requiring Knighthood in Adria is based on the idea that a member of the Board must have a certain level of commitment to the organization. Attaining first-level (or even better, second-level) Knighthood is a significant marker of that commitment.*

*The sections on judicial proceedings are the same for anyone seeking the position of Crown - would anyone trust a Board Member who had been convicted of a crime against the organization? Some have said that these sections would open up Board Members and Board Candidates to frivolous suits by political opponents. These same rules apply to all Crowns and yet this does not happen to them. This also begs the question - should Board Members be granted diplomatic immunity then, and therefore be free to commit crimes against the organization with impunity?*

*The last paragraph of the main part of the proposal addresses the Imperial Steward and the Imperial Chancellor. Both of these people sit on the Board of Directors (the Chancellor as an advisor), yet they may be removed from the Board by Imperial whim. That places too much power in the hands of the President of the Board. Thus, the requiring of dismissal to be approved first by the Board itself, and then by the Estates.*

*Part 2 of this proposal is inserted because it is missing from the Bylaws and should be inserted. It is mentioned in other parts of the Bylaws and in Estates Writ, but is certainly a part of the Rights of the Estates.*

*Part 3 is added to address questions and concerns about What To Call The Board. This sets it down that members of the Board do not get any special Adrian titles beyond that which they already own.*

## **OB11. Amend IX.C., D. to limit transfer of points/titles from other organizations**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

*Points and service in other groups should only be allowed to transfer up to a first-level knighthood and no further and that said transfer can only occur after a person has been active in the Adrian Empire for at least one year. Points earned in other groups while actively an Adrian Member should no longer transfer. Titles earned in other groups should not transfer, as they were not earned within Adria.*

**Chancery Note:** *the citations above expressly authorize the Imp Crowns to develop methods of conversion, the chancery will assist the authors with the language of the specific amendments.*

**Commentary:** *The basic Idea is not to get rid of initial conversion but to limit such. It is the intention of this Proposal to limit any transfer of points only upon initially joining Adria as well as to place a ceiling for such advancement. At this time there is no other group who recognizes our Knighthoods, Peerage, awards, nor our Titles of nobility. While there are several groups that are similar to the Adrian Empire there are also many differences. Therefore why should we recognize those outside our group? Theoretically as it now stands a person could transfer from another group and achieve a status of a Third level Knight in all disciplines of knighthood. The problem with this is that Third level Knights are granted the privilege to influence the way we play the game due to the fact that 3rd level knights have a vote on the Imperial Estates. Also many of our leadership positions require knighthood to rule. It is in my experience that people will when given an opportunity take the easy route. Wow, think of that you could enter our group, transfer points and automatically be a leader in our organization while knowing virtually nothing on who we are or how we do things.*

*While we recognize that individuals from other groups do bring experience and can add to the knowledge of the Group as a whole The Adrian Empire is a unique entity which differs often greatly from other groups especially as to how we choose our leaders as well as to how we govern ourselves. It should be noted that we do not transfer experience from other groups non related to Medieval Re-enactment and yet these individuals bring along experience that helps us just as much as those who do come from Medieval Re-enactment groups. Should we, do we award knighthoods to individuals who are Eagle scouts in the BSA? Or to people who have a PHD in History? What about Masons? Or Shriners? What about those individuals who have served in Companies in the Capacity as Treasurer, president or on the Board of Directors of Major corporations? Surely their experience and knowledge is worthy of acknowledgement is it not? They do have valuable experience and we as a group do benefit from their knowledge and experience yet they do not gain any transfer points or recognition. It is not logical to give credit to experience to an individual just because he or she was a member of another medieval re-enactment group while essentially snubbing those who chose Adria as their first medieval re-enactment group. Maybe they looked at the other groups first and decided we were the best why should they start anywhere else. Adria is unique and our culture and rules are unique to us regardless of similarities. Adria is Adria and everything else is simply that something else.*

## **OB12. Proposal to allow “long distance arts entry”**

*Tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

This proposal will allow members, from smaller subdivisions that are unable to conduct an Arts tournament, to enter a project in another subdivision without being present. This would be listed as an exception to the law as it now stands concerning Point bearing Events (specifically, Shires).

**PROPOSAL:** An artist wishing to make a “long distance entry” must first contact a Knight in good standing or the A&S Minister, in the sub-division that the tourney is being held, willing to receive the Entry and all accompanying documentation and act as the member’s representative.

The artist submitting the entry shall cover all costs of shipping and handling, and assume all risk of loss.

Such excepted entries may earn points for the artist, but not apply to an Army's Score in a War situation.

Such an entry may only be submitted if there is not an Art’s tourney being offered in the artist’s subdivision that Month.

As the Judges cannot directly question such artists, they may ask the Knight or A&S Minister representing the artists to speak for them, or the artists can prepare FAQs covering the project.

The judges shall provide contact information on the judging forms should the artist have any questions. The entry would be recorded as any arts entry would, submitted by a member of another sub-division who is present.

*Commentary: We feel that this is a good option especially for those in smaller sub-divisions who due to size limitations do not have the number of people necessary to judge Arts or hold an arts tourney. We also feel that this would help encourage Arts participation as early as possible in Newer subdivisions, getting the individual Artisans feet wet. In a sense the Knight representing the Artisan is a proxy, similar to what we use for Voting on the Estates.*

Tournament wins will be awarded in accordance with the Bylaws **and tournament participation points will be awarded in accordance with the Bylaws for non-judged activity.**

**Add to Arts Manual (Section IV.B.) description of Tournament Entries****13. Non-judged art activities:**

- ii. The activity must be an activity which was performed in Europe during the period covered in our bylaws.**
- iii. Minimum written documentation from the artisan is required to authenticate said activity.**
- iv. The activity must be performed with period tools and equipment, using period techniques.**
- v. The non-judged activity must be signed up on the Arts Sign-in sheet in the appropriate List area designated for same.**
- vi. The activity must meet a minimum time of activity of thirty (30) minutes and verified by the Crown or Arts and Science Minister.**
- vii. The complexity of the art activity will determine the number of times the artisan may perform a non-judged art activity at a Crown Tourney. The number of participation points to be determined by the Crown and Arts and Science Minister and Artisan before the activity is put on the List.**
- viii. Non-judged art activities not be held at Wars.**
- ix. The Imperial Crowns may set additional restrictions for Imperial Events.**

**Discussion:** *No other area of rank requires a minimum judgment to earn participations. Ministry, Combat, and Archery all allow participants to earn .on the spot participations. Arts is the only area which requires pre-planning and homework. Imagine the Marshals and the Crowns getting together and telling a combatant "sorry, your fighting wasn't up to snuff today". Arts tournaments do not provide a general educational outlet for more than the entrants and judges. Open participation would benefit all who are at an event.*

*Arts judging and tournaments is not an activity done within our period. For those trying to create a medieval atmosphere and environment, the most natural way to do so is to actively participate in arts in its natural format. Requiring the judging of arts to gain participations mandates that at least 3 people are prevented from participating in the other activities of the event during judging. If there are many arts entries, this can take the entire event.*

*This proposal does not .do away with judging. All war participations will be judged and an artist will still be required to enter arts for judging to meet the Tournament Win and Masterwork requirements. In most cases, more Tournament entries will end up being needed by an artisan than the number of required wins due to the unlikely case of someone getting wins or masterworks for each and every entry. This proposal does not affect the standard of quality for either Tournament Wins or Masterworks.*

*There are constraints set such that still at least two people have input on whether a point is earned, which is more than currently is done for ministry.*

*We give points for what we value in Adria. Lets show artists that we value their participation in arts at events!*

*The proposal was modified from the previous one to require judged participations at each level, so that only a portion can be earned through non-judged participation.*

#### Add to read:

### Amend Arts Manual IV.B.1. Tournament Entries

**Current Law:** Participants of any age are allowed to enter a Journeymans' List or Knights List.

**Add to read:** Participants of any age are allowed to enter a Journeymans' List, Knights List or a **Non-Judged Art Activity List.**

## Amend Arts Manual IV.E.2. Participation Points

### Add to read:

d) Every participant who signs up on the Non-Judged Art Activity List and participates as required by law, shall receive an event participation point.

### Commentary:

*We have added corrections to the Arts Manual that were not in the original proposal because we feel these language changes will need to be made if this proposal passes. These are the addition of language changes in the Section of the A&S Manual that refers to the Tournament Lists A, B, and E.*

*A total of 5 for first level, 5 for second level and 10 for third level arts knighthood will only be allowed for a non-judged art activity. This counterproposal does lower the number of non-judged art activities (e.p. art points) that would have been allowed in the original proposal. In order to keep the level of art entries to its highest level we don't think any more non-judged art activities for e.p. points should be allowed under the law. Hopefully participation in actual art entries will be increased with the addition of artists actually doing arts at the event and increase interest. This I believe the purpose of the original proposal.*

*Appendix B: Frequently Asked Questions (Page 22 A&S Manual) "Can entries be partial or incomplete? – All entries must be complete. These must be able to be judged as a single entity." Before this counterproposal should be voted on some legal opinion should be given as to whether a non-judged art activity should be completed the day of the entry to fulfill the "complete" portion of the A&S Manual. Although not judged, it will be earning an event participation point. Is it an entry or not? We are allowed to make significant improvements to an art and re-enter it once; will we be able to do so with a non-judged art activity as suggested in vii of the counterproposal; and as it is changed in the counter-proposal?*

## OB15. Amend Article V.B. Definition for clarity

*Was OB19, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Proposal 1 does not substantively change the law, however Proposal 2 does with the addition of the current policy regarding instructors not counting as part of the ten people required for a DI.

**Current law:** An official event is any meeting of the membership which is held in a medieval context, setting and style for the purpose of education, recreation and/or competition, as long as the event is; sanctioned by the Crown (crown sanction may be revoked in writing for a just and stated cause), sponsored by a subdivision, announced thirty (30) days in advance to the membership through official channels, presided over by the Crown or a Ruling Noble, and attended by the ministry officials or their

designated deputies responsible for the type of activity undertaken. Demonstrations and classes require Crown approval, and must be attended by ten (10) or more people. Crowns may waive the thirty (30) day notice.

### **Proposal 1: Amend for clarity**

**Amend to read:** An official event is any meeting of the membership which is held in a medieval context, setting, and style for the purpose of education, recreation or competition, as long as the event is:

- Sanctioned by the Crown
- Sponsored by a subdivision
- Announced thirty (30) days in advance to the membership through official channels
- Presided over by the Crown or a Ruling Noble
- Attended by the ministry officials or their designated deputies responsible for the type of activity undertaken.

Demonstrations and classes require Crown approval, and must be attended by ten (10) or more people. Crowns may waive the thirty (30) day notice **for just and stated cause**.

### **Proposal 2: Add current policy on instructors**

#### **Option 1: Demos and classes do not include instructor**

**Amend to read:** Demonstrations and classes require Crown approval, and must be attended by ten (10) or more people, **not including the autocrat or instructor**.

#### **Option 2a: Classes only do not include instructor**

**Amend to read:** Demonstrations and classes require Crown approval, and must be attended by ten (10) or more people, **not including the instructor**.

#### **Option 2b: Classes only do not include instructor**

**Amend to read:** Demonstrations and classes require Crown approval, and must be attended by ten (10) or more people **(in the case of classes, not including the instructor)**.

## **OB16. Amend Article VI.D. Summoning Meetings to delete writs portion as dead law**

*Was OB22, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Proposal 1 does not change the law. It simply moves a paragraph from “Disqualification” to “Summoning Meetings.” Proposal 2, however, provides an alternate phrasing which does change the law. Current law provides for an estates meeting every 6 months, if there have been writs. Proposal 2 deletes that, and simply says that there needs to be an estates meeting within 6 months, period.

### **Proposal 1: Simplify language**

Bring paragraph here from **Article VI.E.4. Disqualification**

**Current law:** Meetings of the Estates General may be called at the pleasure of the Crown, but not less than twice per calendar year. If, within six (6) months of the last meeting, there has not been a full meeting of the Estates General whose writs have been accepted and signed by the Crown, the Chancellor shall cause to be published the date, time and place of a meeting that shall occur not later than thirty (30) days at a place accessible to all members entitled to a seat.

**Amend to read:** Meetings of the Estates General may be called at the pleasure of the Crown, but not less than twice per calendar year. If, within six (6) months of the last meeting, there has not been a ~~full~~ meeting of the Estates General whose writs have been accepted and signed by the Crown, the

Chancellor shall cause to be published the date, time and place of a meeting that shall occur not later than thirty (30) days at a place accessible to all members entitled to a seat.

**Add (from Article VI.E.4):** A meeting is considered summoned at the point of minimum notice. The point of minimum notice is defined as thirty (30) days for the Estates General of chartered subdivisions or sixty (60) days for any body of Imperial Estates, unless waiver of such notice is granted by the summoned body, in which case the point of minimum notice shall be the date of actual notice.

### Proposal 2: Delete “writs” portion as dead law

**Amended first paragraph from Proposal 1:** Meetings of the Estates General may be called at the pleasure of the Crown, but not less than twice per calendar year. If, within six (6) months of the last meeting, there has not been a **full** meeting of the Estates General ~~whose writs have been accepted and signed by the Crown~~, the Chancellor shall cause to be published the date, time and place of a meeting that shall occur not later than thirty (30) days at a place accessible to all members entitled to a seat.

*Committee Comments:* Proposal 2 (including the addition of the minimum notice information) is preferred. I did note, however, that if the Chancellor must call a meeting to comply with the 6-month requirement, he must do so within 30 days. Yet, minimum notice requirements specify at least 30 days notice. This doesn't leave a lot of leeway for setting up a meeting and should probably be addressed.

## OB17. Article VI.E.4. Disqualification

*Was OB25, referred back to author for re-write in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Current law:** Members entitled to a seat by virtue of rank or office whose dues are not current, are under judicial ban, or have not attended at least (2) official events in any subdivision within the previous six (6) months will be denied a seat. The membership entitled to vote at a meeting of a given body is fixed as of the SUMMONING of the meeting and may not be subsequently altered by any means, including expiration of dues, non-participation, formation of new Estates, or change in Estate held by a given member, until the meeting is concluded. The only exceptions are resignation of a given member, judicial ban, or creation of a greater estate that does not reduce another greater estate below minimum membership. A meeting is deemed summoned at the point of minimum notice. The point of minimum notice is defined as thirty days for the Estates General of chartered subdivisions or sixty days for any body of Imperial Estates, unless waiver of such notice is granted by the summoned body, in which case the point of minimum notice shall be the date of actual notice. The Crown, if available, will convene the summoned Estates at the appointed time and place, and the meeting will be presided over by the Chancellor, if available.

### Option 1: Original Proposal

**Amend to read:** Members entitled to a seat by virtue of rank or office whose dues are not current, are under judicial ban, or have not attended at least (2) official events in any subdivision within the previous six (6) months will be denied a seat.

The membership entitled to vote at a meeting of a given body is fixed as of the summoning of the meeting. It may not be subsequently altered by any means (including expiration of dues, nonparticipation, formation of new Estates, or change in Estate held by a given member) until the meeting is concluded, with these exceptions:

- Resignation of a given member
- Judicial ban
- Creation of a greater estate that does not reduce another greater estate below minimum membership (subject to 2/3 approval of the Estates to waive notice and seat the estate)

The Crown, if available, will convene the summoned Estates at the appointed time and place, and the meeting will be presided over by the Chancellor, if available.

## Option 2: With Committee's Comments

**Amend to read exactly as Option 1, except without the third bullet:**

- ~~• Creation of a greater estate that does not reduce another greater estate below minimum membership (subject to 2/3 approval of the Estates to waive notice and seat the estate)~~

*Note: Sentences pertaining to minimum notice is moved to Article VI.D. Quorum. Refer to OB22.*

*Committee Comments: This item is fine except for the italicized language, which must be stricken to avoid undermining the purpose of the law.*

## OB18. Amend Article VI.F.3.a.v. Imperial Crown to move judicial procedure.

*Was OB26, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Last half of section deals with judicial procedures and should be moved to the section of law (Article XI.B.5, Right of Appeal) which pertains to that. Rewrite the section to be moved.

**Current law:** v. Hear appeals from local justice where a member has been found guilty by a judicial court in a subdivision and the finding resulted in the loss of any right, award, or status the member may appeal to the Imperial Crown. **Within thirty (30) days of the written request for appeal the Imperial Crown shall convene an Imperial judicial court within the subdivision and review the charges and evidence, the judgment of the local court shall remain in effect until the Imperial judicial court has rendered a decision. The decision of an Imperial judicial court is final and binding.**

**Move, and amend to read:** Within thirty (30) days of the written request for appeal (or longer for cause), the Imperial Crown shall review the charges and evidence. The judgment of the local court shall remain in effect until the Imperial Crown has rendered a decision. The decision of the Imperial Crown may only be appealed to the Imperial Estates General, whose decision is binding.

*Commentary: We do not present this as a means of eliminating Imperial rights. We simply wish to clarify the language, and place the section where it belongs – in Judicial Courts, Right of Appeal. Members should not have to guess where pertinent law is; it should be grouped together under appropriate headings.*

## OB19. Clarify Article VIII.3.b.i. Kingdom Rights and Responsibilities as to meaning of sovereignty.

*Was OB29, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Amend law to accurately reflect kingdom status regarding sovereignty. Proposals are written to amend 3.b.i. Any changes will also be reflected in [Article VIII.3.a.iii. Definition](#).

**Current law:** 3.a.iii. A Kingdom is a sovereign entity with all the rights and responsibilities appertaining thereto.

**Current law:** 3.b.i. A Kingdom possesses all the rights and responsibilities accruing to its status as a sovereign entity.

### Option 1: Reflect semi-sovereign status

**Amend to read:** iii. A Kingdom is an entity with all the rights and responsibilities of a semi-sovereign nation. This shall not imply independent, as a Kingdom remains an integral part of the Adrian Empire.

**Option 2: Delete as dead law**

Delete in its entirety

**Option 3: Reflect as sovereign over its own territory**

**Amend to read:** A Kingdom is a chartered subdivision possessing great rights and responsibilities accruing to its status as sovereign over its own territory.

**Option 4: Reflect as being styled as sovereign**

**Amend to read:** A Kingdom is styled as a sovereign entity. This shall not imply independent, as a Kingdom remains an integral part of the Adrian Empire.

**OB20. Article VIII.5. Charters**

Was OB31, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.

Rewrite for clarity.

**Current law:** A Kingdom Charter is equivalent to an Imperial Estates Writ. (Revocation of a Kingdom Charter requires a 2/3 vote of the Imperial Estates.) Under Article VI. F. 1. c. vi, the Imperial Estates may alter, change, amend or revoke a Kingdom's Charter by a 2/3 vote. In addition, if a Kingdom, under the provisions of its charter and local codicils, requests a change to its charter, the revised charter shall follow the normal procedures for charter approval (i.e., submission to the Imperial Crowns and ratification by the Imperial Estates by a simple majority).

Once a charter has been changed, altered or amended, a new version of the charter that incorporates those changes, alterations or amendments needs to be issued by the Imperial government. If questions arise, the most recent written form, including minutes of the Imperial Estates meetings, shall be considered official.

**Option 1: Original Proposal**

**Amend to read:** A Kingdom Charter is equivalent to an Imperial Estates Writ. However, the Imperial Estates may amend or revoke a Kingdom's Charter by a 2/3 vote (by a special act waiving the normal rules; otherwise, charter amendments are requested by a 2/3rds vote of the Kingdom General Estates and ratified by a majority of the Imperial Estates, or requested by a majority of the Kingdom General Estates and ratified by a 2/3rds vote of the Imperial Estates). If a Kingdom requests a change to its charter, the revised charter shall follow the normal procedures for charter approval (refer to [Article VIII.F](#)).

Once a charter has been amended, a new version of the charter that shall be issued by the Imperial government. The most recent written form (including minutes of the Imperial Estates meetings) shall be considered in force.

**Option 2: Chancery Committee's suggested proposal**

**Amend to read:** A Kingdom Charter is equivalent to an Imperial Estates Writ. Under Article VI.F.1.c.vi, the Imperial Estates may amend or revoke a Kingdom's Charter by a 2/3 vote. In addition, if a Kingdom, under the provisions of its charter and local codicils, requests a change to its charter, the revised charter shall follow the normal procedures for charter approval (refer to Article VIII.F).

Once an amended charter has been approved, a new version of that charter shall be issued by the Imperial government. The most recent written form (including minutes of the Imperial Estates meetings) shall be considered in force.

*Committee Comments:* The original proposal was more confusing than the existing law. Suggested rewrite is included above as Option 2.

**OB21. Amend Article IX.C. Ranks to simplify and reflect current law.**

*Was OB32, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Amend to simplify language and reflect newer law which has fundamentally changed this section (especially the second sentence, in bold).

**Second paragraph, current law:** The records of the Imperial ministry shall be the final consideration for advancement. **Elevation to any rank of knighthood must take place within thirty (30) days of completion of requirements for that level unless the candidate requests postponement.** Any member may become a knight, regardless of age (particularly minors in the Robe and Ministry disciplines), if that member has met the requirements. The opportunity to participate shall be afforded to members of all ages. If a candidate for any rank of knighthood has been found guilty in a judicial court, admittance may be refused by the Imperial Crown, Royal Crown, or Court sentence. The Imperial Crown may formally recognize participation at official events, demonstrations, and wars of other organizations, and such shall be recognized exactly as participation at Adrian events, demonstrations, and wars insofar as such participation is analogous to participation in Adrian events. It shall be the policy of the Adrian Empire, Inc., to facilitate the participation of members of other organizations at Adrian events, including, but not limited to, verification of attendance and participation at Adrian events of non-Adrians should such be requested.

**Amend to read:** The records of the Imperial ministry shall be the final consideration for advancement. Any member may become a knight, regardless of age (particularly in the arts, archery, and ministry), if that member has met the requirements. Members of all age may participate. If a candidate for any rank of knighthood has been found guilty in a judicial court, elevation may be refused by the Imperial Crown, Royal Crown, or judicial court sentence.

The Imperial Crown may formally recognize participation at official events of other organizations which shall be recognized as participation at Adrian events when such participation is analogous. It is the policy of the Adrian Empire to encourage the participation of members of other organizations at Adrian events, including, but not limited to, official verification on request.

**OB22. Rewrite Article IX.C.Ranks, Article IX.D. Titles for clarity.**

*Was OB33, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Rewrite for clarity, and move to a separate section after Orders, before Ranks. Also move corresponding paragraph in Article IX.D. Titles to same section. ~~Renumber remaining sections.~~

**Current law:** The Imperial Crown shall have the authority and discretion to develop systems of conversion such that members who have participated in activities analogous to activities in the Adrian Empire, even prior to membership in the Adrian Empire, may gain credit toward their ranks based on said participation. In developing such systems, the Imperial Crowns shall be equitable and just, taking into consideration such factors as whether the member should be obligated to pay dues for the period for which that member may be given credit toward rank. Said systems shall be reviewed by the Imperial Estates General (at its discretion) at its regular meeting on the third weekend of July. No member of the Adrian Empire may gain more than one tourney win per month for the purpose of gaining rank in the Knightly Orders. The only exception to this rule shall be in the case of attending an Imperial Tournament in the same month as a Crown Tournament. Therefore, a member participating in an Imperial tournament shall be awarded an extra point in addition to the regular local Crown event point in the same month.

**Move and amend to read:** The Imperial Crown has the authority and discretion to develop systems of conversion for participation, ranks or titles for members who have participated in activities analogous to activities in the Adrian Empire. In developing such systems, the Imperial Crown shall be equitable and just, taking into consideration such factors as whether the member should be obligated to pay dues for the period for which that member may be given credit toward advancement. These systems shall be reviewed

by the Imperial Estates General (at its discretion) at its regular meeting in July. Members may record points as outlined in [Article V.E. Member Participation](#).

*Was OB37, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

It is the opinion of the Chancery that Ladies-in-waiting and Gentlemen-of-the-chamber (because they attend nobles) should appear at 19, that squires appear at 20, Men-at-arms appear at 21, and Pages appear at 22 as per our understanding of precedence.

## **OB24. Article XI.B.1. Courts of Justice v. Mundane Law**

*Was OB41, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Simplify the section of law. Correct the right of the Crown to suspend a member's participation rights. That procedure has been outlined elsewhere, and this rewording would bring this section of law into compliance with the other sections.

**Current law:** A Court of Justice shall never convene for violation of a mundane law, ordinance or code unless: the infraction occurred in an Adrian Empire context and affected an Adrian Empire event and all mundane procedures relating to the infraction have been concluded. **In the event that** a member is arrested or charged by mundane authorities for a crime that may have occurred in an Adrian Empire context, **the Crown** shall have the right to **suspend** the members participation rights **until mundane court procedures are concluded**.

**Amend to read:** A Court of Justice shall never convene for violation of a mundane law, ordinance or code unless:

- The infraction occurred in an Adrian Empire context and affected an Adrian Empire event
- All mundane procedures relating to the infraction **(if any)** have been concluded

**If** a member is arrested or charged by mundane authorities for a crime that may have occurred in an Adrian Empire context, **any member** shall have the right to **request suspension of** the member's participation rights **(refer to Article III.A.4.)**

*Committee Comments:* It is a little unclear as to whether a violation must meet one or both of the conditions listed in the amendment.

## OB25. Amend Article XI.B.2. Calling a Court of Justice for clarity.

*Was OB42, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Amend each paragraph for clarity and conformity to current law, and practice. Each paragraph is proposed separately for ease of reference.**

### Proposal 1: Amend paragraph a.

Provide definition of disharmony, and simplify paragraph wording without losing the intent of the paragraph.

**Current law:** A member has committed an act or caused an action that so disturbed the harmony, order and enjoyment of the activities of the Adrian Empire as to warrant Crown intervention.

**Amend to read:** A member is accused of disharmony, which is defined as having committed an act (or caused an act) that so disturbed the harmony, order and enjoyment of the activities of the Adrian Empire as to warrant Crown intervention.

### Proposal 2: Amend paragraph b.

Provide definition of treason, and simplify paragraph wording without losing the intent of the paragraph.

**Current law:** A member is accused of treason against the Crown or the member's Liege Lord. Treason is defined as the taking of any action or aiding any others in acting in a manner which damages or thwarts the legitimate interests of the individual's Liege Lord. Participating in a crown civil war by an individual who is not in personal fealty to the Crown shall not be construed as treason.

**Amend to read:** A member is accused of treason, which is defined as committing any acts or aiding others in acting in a manner which damages or thwarts the legitimate interests of the Crown or Liege Lord. Participating in a crown civil war by a member who is not in personal fealty to the Crown shall not be construed as treason.

### Proposal 3: Amend paragraph c.

*Authors: Sir William Baine (Knight Premier), Dame Maedb Hawkins (Knight Premier)*

### Proposal 4: Amend paragraph d.

Add wording to the paragraph wording so that there can be no mistake that not only the serious breaches are actionable, but also grossly negligent maintenance of the office is also actionable.

**Current law:** Evidence is presented to the Crown that a member has willfully violated the Imperial bylaws, local codicils, or crown writ.

## OB26. Clarify and simplify Article XI.B.4. Judicial Ban

*Was OB44, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

This section is long, complicated and confusing. Amend first section to clarify and simplify.

**Current law:** The purpose of Judicial Ban is to insure that a member accused of an infraction can not act to destroy evidence, interfere with the judicial process or attempt to alter the law to their benefit. Because of the severity of a Judicial Ban it is not automatic **upon the filing of charges**. The Presiding Justice shall at his sole discretion determine if the facts presented warrant this drastic measure. Only the Imperial Estates General may place the Imperial Crown under a Judicial Ban. One third of all Imperial Estates **combined** as signified by petition, or one third of all Imperial Estates in attendance at a **meeting of the Imperial Estates General, shall be sufficient to place the Imperial Crown under Judicial Ban. If the Imperial Estates General are in session, and they place the Imperial Crown under Judicial Ban, they must immediately appoint an interim Lord/Lady Protector. If the Judicial Ban is placed by petition, the signatories shall appoint an interim Lord/Lady Protector.** Lord/Lady Protectors serve until replaced by the Imperial Estates General, or until the Imperial Crown is no longer vacant. A member under Judicial Ban may not:

**Amend to read:** The purpose of a judicial ban is to insure that a member accused of an infraction cannot act to:

- Destroy evidence
- Interfere with the judicial process
- Attempt to alter the law to their benefit

**A judicial ban may also be imposed to compel production of evidence or ensure cooperation with the investigation or judicial proceedings.**

Because of the severity of a judicial ban, it is not automatic. The Presiding Justice shall, at his sole discretion, determine if the facts presented warrant this drastic measure.

Only the Imperial Estates General may place the Imperial Crown under a Judicial Ban (**by** one-third of all Imperial Estates **entitled to a vote** as signified by petition, or one-third of all Imperial Estates in attendance at an **Imperial Estates Meeting**). **A Lord/Lady Protector is appointed immediately by the Imperial Estates General upon the placing of the judicial ban (if done by petition, the petition itself must name to Lord/Lady Protector), and they will** serve until replaced by the Imperial Estates General, or until the Imperial Crown is no longer vacant.

A member under Judicial Ban may not:

***Committee Comments:** The sentence “A judicial ban may also be imposed to compel production of evidence or ensure cooperation with the investigation or judicial proceedings” is unnecessary. All of this qualifies as interfering with the judicial process.*

## **OB27. Amend and expand Article XI.B.4. Judicial Ban**

*Was OB45, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Amend section to clarify and simplify. Add new section outlined in the reasons for a judicial ban, but not listed as something the member is prevented from doing.

**Current law:** ... A member under Judicial Ban **may not:**

- a. Hold landed estate or office, but such shall be restored to him at the conclusion of judicial process, outcome permitting.
- b. Vote in any Estate Meeting.
- c. Sit on any Civil Court or Court of Justice.

A member under Judicial Ban retains all other rights and privileges described in the Bylaws; the member shall not be prevented from the same access to the Courts as accorded any other member.

**Amend to read:** ... A member under judicial ban **may be subjected to the following conditions:**

- a. **May not tamper with or destroy evidence, or interfere with the judicial process, or attempt to alter the law to their benefit**
- b. **May not** hold landed estate or office, but such shall be restored to him at the conclusion of judicial process, outcome permitting
- c. **May not** vote in any Estate Meeting
- d. **May not** sit on any Civil Court or Court of Justice

A member under judicial ban retains all other rights and privileges described in the Bylaws; the member shall not be prevented from the same access to the Courts as accorded any other member.

**OB28. Amend Article XI.B.7. Royal Court to reflect current law.**

*Was OB48, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Amend to reflect current law. Rename section from “Royal Court” to “Complaints and Charges.”

**Current law: 7. Royal Court**

A member who wishes to complain of the conduct of another member, may request the Crown to convene a Royal Court. The Crown may elect to reject the charges if it is self-evident that the charges are without merit.

**Amend to read: 7. Complaint and Charges**

**The Crown**, or a member with standing, who wishes to complain of the conduct of another member may **file a complaint with the Minister of Justice**.

If the complaint becomes a set of charges, the Crown shall:

- Reject the charges if it is self-evident that the charges are without merit, **or**
- **Convene a Royal Court, appointing a judge, magistrate, herald, and bailiff**

*Committee Comments: This amendment needs a couple clarifications. First, who qualifies as a member “with standing”? Second, if the complaint becomes a set of charges, does that not mean the Minister of Justice (as an agent of the Crown) has already conducted an investigation and determined the complaint to have some merit? If so, then the statement that charges will be rejected by the Crown if found to be without merit is unnecessary and should be eliminated.*

**OB29. Amend Article XIII. Policy on Religion, Introduction**

*Was OB50, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Expand this section of law to widen its definition of what religion was. Expressly state that this is the policy of religious activity within a non-religious entity.

**Current law:** Religion and spiritual life were very important to the people of the middle ages. While this usually implied the Catholic Church, in the 14th Century there is evidence that Pagan faiths survived in many forms. Further, the current resurgence in devotion to those requires a policy on religious and magical usage, these shall be as follows.

**Amend to read:** Religion and spiritual life were very important to the people of the middle ages. This usually implied the Catholic **or Orthodox** Church, though there is evidence of **many other** faiths. The current resurgence in devotion requires a policy on religious **activity in the Adrian Empire, which is a non-religious entity**.

*Commentary: The original law was very narrow in its explanation of what Churches were in the medieval and renaissance eras. I’m sure Henry the VIII would have disagreed with limiting it to the Catholic Church. In addition, there were many other faiths, but not all of them Pagan.*

## OB30. Simplify Article XI.C. Term of Office, Introduction

*Was OB52, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Delete first sentence as redundant.

## OB31. Amend Article XIV.2. Failure to follow Timetable

*Was OB54, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Proposal 1 does not substantively change the law. Proposal 2 does, and so must be presented here.

**Current law:** In the event that the Heirs Apparent fail to follow the timetable established by the Estates General, any qualified individuals may challenge the Heirs Apparent for the throne on the first day following the established date. The right to challenge shall continue in effect until the coronation takes place.

### Proposal 1: Simple clarification, add reasonable cause

**Amend to read:** ~~In the event that~~ **If** the Heirs Apparent fail to follow the timetable established by the Estates General **without reasonable cause**, any qualified ~~individuals~~ **members** may challenge the Heirs Apparent for the throne on the first day following the established date. The right to challenge shall continue in effect until the coronation takes place.

### Proposal 2: Remove challenge, add specific action

**Amend to read:** If the Heirs Apparent, Crown, or other officers, fail to follow timetable (without reasonable cause), a Lord/Lady Protector shall be appointed by the chancellor until the coronation takes place.

**Commentary:** *Proposal 2 holds people accountable, but provides for a mechanism for rescheduling a coronation, while preventing interference. It removes the right to challenge, while still securing the Crown. It also provides for reasonable delays (i.e. scheduling on the 3rd weekend every year will sometimes result in 53-week reign, which allows a week for anyone to challenge for the Crown, or Acts of God or holidays preventing sites from being available when desired).*

**Committee Comments:** *No comments on the substance of the above proposal were received.*

## OB32. Expand Article XIV.D.4. Memorial Day Weekend

*Was OB56, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

The current law does not take into account that there may be multiple war sites, and that the Heirs Apparent may be present at different sites.

**Current law:** With regard to Imperial Heirs Apparent determined at an Interim Civil War on Memorial Day Weekend, coronation shall occur at a War site on that same weekend.

**Amend to read:** With regard to Imperial Heirs Apparent determined at an Interim Civil War on Memorial Day Weekend, coronation shall occur **that same weekend** at the War sites **where the Heirs Apparent are present**.

**Commentary:** *The intent of this proposal is to make sure that the Imperial Heirs Apparent are crowned at the war site. Do the Estates want to make sure both Heirs (if there are 2) are crowned at whatever war site they are at, or at least one of the Heirs are crowned (and not worry about the other)? Would the Estates prefer this be specified by writ in the civil war declaration, or determined by the Crown, or determined by the Heirs Apparent?*

**Note regarding commentary:** *No counter proposals were received expressing a desire for any phrasing other than what is presented above.*

*Was OB60, tabled for rewrite in July 2004. Requires majority to take from the table, 2/3rds to approve.*

## OB35. Reword Article XVI.A.1. Crown War, Notice

*Was OB62, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Delete portions related to Imperial War (it has its own section of law and is redundant). Reword to reflect current law. Move eligibility requirements to next section, Eligibility.

**Current law:** At least sixty (60) days prior to the actual date of the war:

- The Minister of War shall devise the scenarios for the war.
- The Crown shall advise the Chancellor of the date, time and place set for the war.

In the case of an Imperial Crown War, the war shall be held every year on Labor Day Weekend in a chartered subdivision other than that in which the Imperial Crown resides. *(Note: Featherly and Prado Parks in Esperance are approved exceptions.)* **If there are co-rulers who live in different chartered subdivisions, the war shall be in a chartered subdivision where neither ruler lives.** The Chancellor shall notify the populace to submit letters of intent to vie for the Crown. These letters shall be submitted to the Chancellor; in the case of Imperial War candidates must provide formal declaration on or before closing court of Imperial Interim Civil War (Banner War); and, the Imperial Chancery shall be notified in writing. The letter must indicate the prospective Crown, their consort and whether or not the proposed consort is to be a co-ruler or titled consort only. If the consort is to be a co-ruler, then both parties must

meet all eligibility requirements. If the consort is to have no sovereign power the consort need only be a member in good standing with at least 6 months membership.

**Amend to read:** At least sixty (60) days prior to the actual date of the war:

- The Minister of War shall devise the scenarios for the war.
- The Crown shall advise the Chancellor of the date, time and place set for the war.
- The Chancellor shall notify the populace to submit letters of intent to **contend** for the Crown.

Letters of intent shall be submitted in writing to the Chancellor no less than 45 days prior to the actual date of the war to allow for qualification and to convene the estates to consider the candidates. The letters must indicate the prospective Crown, and co-ruler or consort.

**Move to “Eligibility” (next section):** Both Crown and co-ruler must both meet all eligibility requirements. The consort has no sovereign power and need only be a member in good standing with at least 6 months membership.

*Committee Comments: Were received and incorporated into the proposal regarding a timetable for the Chancellor to notify populace to submit letters to contend, and for those letters to be submitted.*

## OB36. Article XVI.A.2. Eligibility

*Was OB63, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Separate into two paragraphs: Eligibility, and Fitness (or Acceptability, depending on the Estates choice). What makes this proposal a substantive change to law is:

- The deletion of Imperial War procedure, which is already contained in law and is redundant
- Addition of the text from the previous section, [XVI.A.1.Notice](#)).

Other than that, this is a simple rephrasing for clarity.

**Current law:** The Chancellor shall consult with the Minister of Rolls and the Steward\* to determine eligibility. A member who fails to meet the qualifications for Crown shall be notified in writing as to the reasons. The Chancellor shall then convene the Estates General who shall determine the fitness of each contender to hold the Crown. In the case of an Imperial Crown War the Imperial Estates General is automatically summoned to decide the acceptability of the declared candidates for the Imperial Crown. If the consort is to be a co-ruler, then their fitness shall be also examined. If a member is judged as unfit by the Estates General, they shall be notified in writing as to the reason. (\*In the case of any discrepancy or disagreement, the Imperial Steward's records are considered to be binding. The Imperial Steward will entertain evidence from all sources available before making a binding determination.)

**Amend to read:**

a. Eligibility

The Chancellor shall consult the Minister of Rolls and the Steward to determine eligibility. **Both Crown and co-ruler must both meet all eligibility requirements. The consort has no sovereign power and need only be a member in good standing with at least 6 months membership.** A member who fails to meet the qualifications for Crown shall be notified in writing as to the reason. In the case of any discrepancy in the Steward's office, the Imperial Steward's records are binding. The Imperial Steward will entertain evidence from all sources available before making a determination.

b. Fitness (or Acceptability)

The chancellor shall convene the Estates General who shall determine the fitness (acceptability) of each contender to hold the Crown. If a member is judged unfit (unacceptable) by the Estates General, the Chancellor then shall notify the candidate in writing as to the reason.

**Reminder to the Estates:** We are asking that the Estates choose one term to use: fitness or acceptability.

**OB37. Amend Article XVI.B. War to change when scenarios are delivered.**

*Was OB65, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Clarify when scenarios are delivered, and allow for multiple contenders/sites.

**Current law, first paragraph:** The Minister of War will **then** provide a copy of the first day's battles to each contender. On the following morning, after Opening Court, the battles will begin.

**Option 1: the day before**

**Amend to read:** The Minister of War will provide a copy of the first day's battles to each contender **no later than the day before the scheduled war. (Note: The information should be made available to all contenders at approximately the same time.)** On the following morning, after Opening Court, the battles will begin.

**Option 2: 24 hours before**

**Amend to read:** The Minister of War will provide a copy of the first day's battles to each contender **no later than 24 hours before the scheduled war. (Note: The information should be made available to all contenders at approximately the same time.)** On the following morning, after Opening Court, the battles will begin.

*Commentary:* The phrase "on the following morning, the battles begin" implies the scenarios are delivered the day before. Why not just say it? And why not allow for earlier delivery if desired? This proposal also adds the notion that all contenders get the information at about the same time (to prevent one contender from having weeks to plan, while another contender only a day).

*Committee Comments:* Were received and incorporated into the proposal.

**OB38. Clarify Article XVI.B. War**

*Was OB66, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

These two proposals attempt to clean up the language of this paragraph. Proposal 1 only simplifies what is already in law, without changing the law. Proposal 2 deletes the encouragement to be your own champion.

**Current law:** At least four (4) group battles, one (1) champions battle, and three (3) arts points shall be decided on the first day. Knight Combatants are encouraged, but are not required to be their own champion in the Armed Combatants Champion's battle in wars. At the end of the day, the top two (2) armies shall be allowed to continue the following day. The members of the eliminated armies must, prior to closing court, bind to a new army in order to participate the next day.

**Option 1: Reword for clarity**

**Amend to read:** At least four (4) group battles, one (1) champions battle, and three (3) arts points shall be decided on the first day. Knight Combatants are encouraged, but ~~are~~ not required to be their own champion in the Armed Combatants Champion's battles in wars. At the end of the **first** day, the top two (2) armies shall be allowed to continue the following day. The members of the eliminated armies must, prior to closing court, bind to a new army in order to participate the next day.

**Option 2: Delete "be your own champion"**

**Amend to read:** At least four (4) group battles, one (1) champions battle, and three (3) arts points shall be decided on the first day. ~~Knight Combatants are encouraged, but are not required to be their own champion in the Armed Combatants Champion's battle in wars.~~ At the end of the **first** day, the top two (2) armies shall be allowed to continue the following day. ## OB39. Article XVI.D.2. Eligibility

*Was OB68, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

Amend to refer to procedures already outlined in law (new Article XVI.A.2.a refer to OB63).

### Current law:

#### a. Determination Of Eligibility

The Imperial Chancellor shall consult with the Imperial Minister of Rolls and the Imperial Steward to determine eligibility. Records of these two Imperial Ministers shall be considered for this determination. A member who fails to meet the qualifications for Crown shall be notified in writing as to the reasons.

#### b. Determination Of Fitness

The Imperial Chancellor shall then convene the Imperial Estates General who shall determine the fitness of each contender to hold the Crown.. If the consort is to be a co-ruler, then their fitness shall be also examined. If a member is judged as unfit by the Imperial Estates General, they shall be notified in writing as to the reason.

## OB40. Amend Article XVI.D.3. Recruiting to delete counting armies

*Was OB69, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

There is no longer a need to count the armies for Imperial War. Since non-members may not participate, there is no need for a count (to establish the ratio by which to divide the “outlanders”).

**Current law:** Once contenders have announced their candidacy for the Imperial throne, they may begin recruiting their armies. During Opening Court on the first day of the Imperial Crown War, the Imperial Chancellor or representative shall read a list of contenders for the Imperial Crown. The contenders or their representatives have the right to address the general populace, as determined by the Chancellor or his representative. At the end of the addresses the membership of the Adrian Empire shall choose the contender whom they wish to support in Combat or the Arts or both. The Imperial Minister of War or his representative shall count the numbers of the several armies. At this time visitors and participants shall be allotted to various armies in proportion to the size of the armies as set by the choice of the membership of the Adrian Empire.

- a. In the case where there is clear advantage to a single contender, and all other final contenders agree, that person shall be declared Heir Apparent, and the War shall be fought by even sides for the entertainment of the populace.
- b. Unless a clear winner is declared as a result of this selection process, the armies shall be set per the final distribution. These armies shall be bound to their contender until he or she is eliminated. If their contender is eliminated they may drop out of the fighting or ally themselves to another contender.

### Option 1: Original Proposal

#### Amend to read:

- a. Once contenders have announced their candidacy for the Imperial throne, they may begin recruiting their armies.
- b. During Opening Court **at** Imperial Crown War, the Imperial Chancellor (or **his** representative) shall read **the** list of contenders. **In order of ascending precedence**, the contenders (or their representatives) **may** address the populace. At the end of the addresses, the members of the Adrian Empire shall choose the contender whom they wish to support **(in arts, archery, or combat)**.

- c. Unless a clear winner is declared as a result of this selection process, the armies shall be set as per the final distribution. These members shall be bound to their contender until **that army** is eliminated. If their contender is eliminated, they may drop out of the fighting or ally with another contender.

## Option 2: With Committee's Suggestions

### Amend to read:

- a. Once contenders have announced their candidacy for the Imperial throne, they may begin recruiting their armies. During Opening Court at Imperial Crown War, the Imperial Chancellor (or his representative) shall read the list of contenders. In order of ascending precedence, the contenders (or their representatives) may address the populace. At the end of the addresses, the members of the Adrian Empire shall choose the contender whom they wish to support (in arts, archery, or combat).
- b. Where there is clear advantage to a single contender, and the others agree, that contender shall be declared Heir Apparent. The members may redivide and the war will be fought for the entertainment of the populace.
- c. Unless a clear winner is declared as a result of this selection process, the armies shall be set as per the final distribution. These members shall be bound to their contender until that army is eliminated. If their contender is eliminated, they may drop out of the fighting or ally with another contender.

*Committee Comments:* To be more consistent with Crown War sections, items a & b should combined under one number. Then, a different item b should be added to include declaring a winner in the case of a clear advantage. This was left out of the amended version, was this intentional? Also, items c & d are nearly identical. Item c should be dropped as item d is most consistent with Crown War sections.

## OB41. Amend Article XVI.B. War to create War Points for Ministry Voting

*Was OB71, tabled in July 2004. Requires majority to take from the table, 2/3rds to approve.*

**Current law:** The Minister of War will then provide a copy of the first day's battles to each contender. On the following morning, after Opening Court, the battles will begin.

There shall be twenty-one (21) war points consisting of:

- Three (3) light weapons battles
- Two (2) renaissance weapons battles
- One (1) renaissance champions battle
- Two (2) armored battles
- One (1) armored champions battle
- Eight (8) arts points consisting of:
  - Four (4) Masters' Tournament
  - Four (4) Knights' Tournament
- Four (4) archery points consisting of:
  - One (1) Masters' Tournament War Point (combined score of all Master's list (Bowman))
  - One (1) Knights' Tournament War Point (combined score of all Knight's list (Huntsman))
  - One (1) Open Tournament War Point (combined score of all master's list and knight's list.) This is a separate act from above.
  - One (1) Champion's War Point (highest score of any individual). This will be determined by the highest score by any individual from the list of supporters of any given candidate; the candidate need not select a champion.

*Note: These are separate matches, and must be competed in separately.*

**Amend to read:** The Minister of War will then provide a copy of the first day's battles to each contender. On the following morning, after Opening Court, the battles will begin.

There shall be twenty-five (25) war points consisting of:

- Three (3) light weapons battles
- Two (2) renaissance weapons battles
- One (1) renaissance champions battle
- Two (2) armored battles
- One (1) armored champions battle
- Eight (8) arts points consisting of:
  - Four (4) Masters' Tournament
  - Four (4) Knights' Tournament
- Four (4) archery points consisting of:
  - One (1) Masters' Tournament War Point (combined score of all Master's list (Bowman))
  - One (1) Knights' Tournament War Point (combined score of all Knight's list (Huntsman))
  - One (1) Open Tournament War Point (combined score of all master's list and knight's list.) This is a separate act from above.
  - One (1) Champion's War Point (highest score of any individual). This will be determined by the highest score by any individual from the list of supporters of any given candidate; the candidate need not select a champion.
- Four (4) ministry points consisting of: There will be a vote consisting of a written ballot taken among the populace. Only members of that warring subdivision/Empire, and who sign in at the war will be allowed to vote. No outlanders will be allowed to participate in said ballot and participation in said ballot will not earn members a war point. The ballot will made up of two separate ballots as follows:
  - 2 Points All Knight Ministers.
  - 2 Points All members except Knight Ministers who have earned a Ministry EP within the last 6 months (prior to the freezing of the voting membership) in that subdivision/Empire in which the war is taking place.

The votes will be counted by the Chancellor with the help of the Steward and Rolls Minister to verify Knighthood, participation, and membership. The voting membership will be frozen 30 days before the war at the Kingdom level, and 60 days at the Imperial Level. The contender with the highest number of votes will win the points. In the event of a tie the points will be split evenly among the two highest totals (In the event of a three way or more tie no one will receive the points. After the vote has been counted the Chancellor will give the results to the Minister of Joust and War to be announced with the rest of the scenarios.

**Commentary:** *While those who perform the acts in Ministry are what help keep the Empire running, they are denied a direct say in the choosing of a Crown in war. This proposal will correct that imbalance without changing our whole system of government.*

## **OB42. Amend Article VI.A. Imperial Governing Bodies; Summoning Meetings to include Primary Participating Members (fully paid)**

*Was NBI. Requires 2/3rds to approve.*

**Current law:** The Governing Body of the Adrian Empire is the Imperial Estates General. The Imperial Estates General is composed of the Estates Major and the two senior members of the Estates Minor from each chartered subdivision....

**Amend to read:** The Governing Body of the Adrian Empire is the Imperial Estates General. The Imperial Estates General is composed of the Estates Major and the two senior members of the Estates Minor from each chartered subdivision and any member of Adria who pays a full price membership....

**Commentary:** For several years now we have allowed associate members to join for less and convert their points. There are currently no less than 10 knights at third level who have votes on the Imperial Estates and have achieved that status much faster than a member who plays Adria exclusively. On average, it will take an Adrian who plays only Adria 6 1/2 years to get a vote and often this time frame is much longer. Why should those who chose to play Adria exclusively be put at a disadvantage to associate members who can get their Imperial Estate Vote in the time it takes to convert points?

The goal of this proposal is to give Adrians an opportunity to have an equal say in how their game is run. It will let Adrians chose to keep the original flavor of their game, or change it as they see fit, and not as outsiders who come in force, quickly and for half the price and almost no work at all and make changes because their numbers are greater than those whom have chosen Adria as their game exclusively.

**Chancery Note:** A person who pays a full price membership is referred to as a Primary Participating Member, not including Associate Members, or Family Members, or any other Discounted membership (Military, Student, Senior, or Electronic).

### **OB43. Amend Article IX.C.1.d. Knight Bachelor to include additional criteria**

Was NB2. Requires 2/3rds to approve.

**Add:** v. Upon attaining the necessary points for advancement to Knight Bachelor, the Knight Candidate and his/her Liege Lord will request an audience with the preknighting review panel, in court. Panel to consist of the three most senior Knight combatants in the region and the Ruling Nobles. Panel will convene 30 days from the date of the request. Witnesses pro and con will be allowed to testify on information pertinent to the list of questions only.

The Candidate must present himself/herself before the Panel in his/her harness. The Candidate's Liege Lord may stand at his/her side, in the case of Squire or Vassal in direct fealty, but may not help.

The Candidate will be questioned by the Panel, who will only ask questions from a preset list. Panel will not deviate from the list. The list consists of 10 questions pertinent to Knighthood; 3 unsatisfactory answers will result in the Candidate, if a Squire or Vassal, being remanded to the Liege Lord; otherwise, he will be assigned a Knight tutor and asked to return in 6 months.

#### Panel Questions

- 1 Do you own your own harness? Is it in good repair?
- 2 Have you ever borrowed armor? If so, did you return it in the same or better condition than you borrowed it?
- 3 Does the Candidate display humility? For example: Does the Candidate know his/her place?
- 4 Does the Candidate display largesse? For example: Does the Candidate teach his/her craft?
- 5 Does the Candidate display honor? For example: Does the Candidate acknowledge his/her blows? Does the Candidate follow through on promises? Is the Candidate's word good?
- 6 Does the Candidate display prowess? For example: Is the Candidate safe, in control? Where did the Candidate win his/her points?
- 7 Does the Candidate display courtly grace? For example: Does the Candidate behave properly in court?
- 8 Does the Candidate display loyalty?
- 9 Does the Candidate display compassion? For example: Does the Candidate shake his/her opponent's hand and applaud opponent's performance? Does the Candidate defend those who cannot defend themselves?
- 10 Does the Candidate display faith? For example: Faith in himself; is he/she true to his/her values and principles?

## OB44. Amend Combat Manual Article II.B.2 Levels of Tournament Combat - Knight

*Was NB3. Requires 2/3rds to approve.*

**Current law:** The knight's level consists of combat with Renaissance combat type weapons and various Armored combat type weapons. This level of combat is open to sergeant- and knight-level combatants. A combatant who has attained the rank of Sergeant or higher may no longer participate in the Sergeant level of combat with the exception of Shinai and Renaissance battles at wars.

**Amend to read:** The knight's level consists of combat with Renaissance combat type weapons and various Armored combat type weapons. This level of combat is open to sergeant- and knight-level combatants. A combatant who has attained the rank of Sergeant or higher may no longer participate in the Sergeant level of combat with the exception of ~~Shinai and~~ Renaissance battles at wars.

**Commentary:** *Under current practice, Knight's List combatants are allowed to fight in shinai battles in wars. This is inconsistent with the practice in the other disciplines; Knight's List artisans are not permitted to enter the Journeyman's List, nor are Huntsman's List archers allowed to enter the Bowman's List. I propose that participation in shinai battles be limited to Sergeant's List combatants. In addition to bringing combat into line with the other disciplines, this will also provide other benefits. First, it will force the Sergeant's List combatants to learn to fight wars, rather than leaning on the Knight's List fighters. Second, it will allow the Knight's List fighters to observe and marshal the Sergeant's List fighters. Third, it will force contenders to pay attention to new people and to recruit, train, and encourage participation. Fourth, it will give Sergeant's List combatants the same opportunity to make a difference in the outcome of a war that Journeyman's List artisans and Bowman's List archers already have. Fifth, it will make Knight's List combatants available for Ministry, such as marshalling and arts judging, while shinai is being fought.*

## OB45. Proposal to Change the requirements for Advancement as an Archer

*Was NB4. Requires 2/3rds to approve.*

**Amend Article IX.C.4.c.ii to read:** ~~One (1) win in a Sergeants' List~~ at Score 25 points or higher in a single round in a 6 arrow round fired at a standard 10 ring, 60cm target at a range of 20 yards during a Crown event.

**Amend Article IX.C.4.d.ii to read:** ~~One (1) win in the Knights' Lists~~ at Score 36 points or higher in a single round in a 6 arrow round fired at a standard 10 ring, 60cm target at a range of 20 yards during a Crown event.

**Amend Article IX.C.4.e.ii to read:** ~~Five (5) additional wins in the Knights' Lists~~ Score 42 points or higher in a single round in a 6 arrow round fired at a standard 10 ring, 60cm target at a range of 20 yards during a Crown event.

**Amend Article IX.C.4.f.ii to read:** ~~Ten (10) additional wins in the Knights' Lists~~ Score 48 points or higher in a single round in a 6 arrow round fired at a standard 10 ring, 60cm target at a range of 20 yards during a Crown event.

**Amend Continuing Crown Writ #2 Missile Weapons Manual I.B as follows:** There are two levels of competition in archery tournament. The Bowman's list is for those who are just beginning. The Huntsman's list is for those who are more advanced. Refer to the Bylaws of the Adrian Empire to review the requirements for advancement to the Huntsman's list. There is no minimum number of archers required to receive a participation point for an archery tournament, ~~however, there is a minimum of four (4) archers required per list for the winner of the list to receive a tournament win point.~~

Shooting for a tournament win point will be as follows:

A round will consist of 1 non-timed round of 6 arrows fired at 20 yards.

The standard 60cm FITA target will be used. If the 60cm is not available you may use an accurate facsimile.

Targets will be scored as follows:

- the outer white circle: 1
- the inner white circle: 2
- the outer black circle: 3
- the inner black circle: 4
- the outer blue circle: 5
- the inner blue circle: 6
- the outer red circle: 7
- the inner red circle: 8
- the outer yellow circle: 9
- the inner yellow circle: 10

No more than two rounds may be shot per person per event to qualify.

Tournament win points for advancement shall be awarded as follows:

- A minimum score of 25 shall be required for a Bowman List win.
- A minimum score of 36 shall be required for a Huntsman List win by a Marksman.
- A minimum score of 42 shall be required for a Huntsman List win by a Knight Archer.
- A minimum score of 48 shall be required for a Huntsman List win by a Knight Forester.

Requirements for advancement in rank as an archer are detailed in the Adrian Bylaws.

***Commentary:** Archery can be judged and scored objectively. Advancement should be based on the skill and ability of the individual, not the quality of the competition. Like the Arts and unlike Combat, improvement in archery comes from personal, individual training, not competition with others. This proposal will set objective standards that all archers must meet to advance, regardless of who they might be competing against. It also allows small and new subdivisions to develop archery as they would not need 4 or more bowmen for one of them to advance to huntsman, or four or more huntsmen/knights for one of them to advance. Because archery can be scored objectively, there is no reason to require an archer to be able to outshoot another to “prove their worthiness”. The current system requires a Huntsman in some tournaments to best a Knight Warden or other highly qualified and experienced archer, whereas in other tournaments, a Huntsman need only best other “novice” Huntsmen to advance. Thus the first Huntsman may need to score 50 points with 6 arrows to get a list win to become a Knight Archer but the second may only need to score 27. The “integrity of the list” is maintained by setting true standards that must be met and by acknowledging the Tournament Winner in addition to or instead of those who have merely gotten their respective list wins. This allows for novelty tournaments to be held without affecting the quality of the list wins.*

## **Counterproposal: Amend by substitution**

Amend Continuing Crown Writ #2 Missile Weapons Manual I.B as follows:

There are two levels of competition in archery tournament. The Bowmans list is for those who are just beginning. The Huntsmans list is for those who are more advanced. Refer to the Bylaws of the Adrian Empire to review the requirements for advancement to the Huntsmans list. There is no minimum number of archers required to receive a participation point for an archery tournament, however, there is a minimum of four (4) archers required per list for the winner of the list to receive a tournament win point.

An authorized exception to law, approved for play-test is:

Alternatively, shooting for a list win point may be as follows:

An end will consist of one (1) or more non-timed rounds of six (6) arrows fired at 20 yards.

The standard 60cm FITA target will be used. If the 60cm is not available you may use an accurate facsimile.

Targets will be scored as follows:

### **Requirements for advancement in rank as an archer are detailed in the Adrian Bylaws.**

*Commentary:*

*Archery can be judged and scored objectively. Advancement should be based on the skill and ability of the individual, not the quality of the competition. Like the Arts and unlike Combat, improvement in archery comes from personal, individual training, not competition with others. This proposal will set objective standards that all archers must meet to advance, regardless of whom they might be competing against. It also allows small and new subdivisions to develop archery as they would not need 4 or more bowmen for one of them to advance to huntsman, or four or more huntsmen/knights for one of them to advance.*

*Because archery can be scored objectively, there is no reason to require an archer to be able to outshoot another to "prove their worthiness". The current system requires a Huntsman in some tournaments to best a Knight Warden or other highly qualified and experienced archer, whereas in other tournaments, a Huntsman need only best other "novice" Huntsmen to advance. Thus the first Huntsman may need to score 50 points with 6 arrows to get a list win to become a Knight Archer but the second may only need to score 27. This results in a system of advancement that is fluid, arbitrary, and capricious.*

*The "integrity of the list" is maintained by setting true standards that must be met and by acknowledging the Tournament Winner in addition to or instead of those who have merely gotten their respective list wins. This also allows for novelty tournaments to be held without affecting the quality of the list wins.*

*By making this proposal an "authorized exception to law," it will allow each geographically chartered subdivision (GCSD) to determine which method of awarding points they wish to use. As written, it also allows each GCSD to determine the number of ends (aka rounds) that must be shot to qualify.*

## **OB46. Amend Article IX.D. to include retired rulers of Duchies**

*Was NB5. Requires 2/3rds to approve.*

Add non-voting retirement title to rulers of duchies after a successful completion of reign.

### **Option 1: Add to Viscount/Viscountess**

**Current Law:** 13. VISCOUNT/VISCOUNTESS

Title granted to a retired ruler of an Archduchy (having over 49 members) at the end of a successful reign of at least six months. *(Non-voting)*

**Amend to read:** 13. VISCOUNT/VISCOUNTESS

Title granted to a retired ruler of an Archduchy (having over 49 members) **or Duchy (having over 19 members)** at the end of a successful reign of at least six months. *(Non-voting)*

**Option 2: Add to Baron/Baroness of the Court/Empire****Current Law:** 14. BARON/BARONESS OF THE COURT/EMPIRE

Court title awarded by the Crown. *(Non-voting)*

**Amend to read:** 14. BARON/BARONESS OF THE COURT/EMPIRE

Court title awarded by the Crown **or title granted to a retired ruler of a Duchy at the end of a successful reign of at least six (6) months.** *(Non-voting)*

*Commentary:* Currently, only retired rulers of Archduchies are eligible to receive non-voting retiring titles. Several retired dukes and duchesses have also received these titles. Why can't they now? The award is a non-voting honor for service. Option 1 would make the title consistent for all rulers of Archduchies and Duchies. Option 2 would recognize service but distinguish between their ranks. If adopted, the current Viscounts and Viscountesses would not be reduced in rank (what has been given should not be taken away).

**IX. NEW BUSINESS****NB1. Amend Imperial Estates Writ 17, Combat Manual**

*Requires 2/3rds to consider, majority to approve*

Will be available as [2004Nov\\_combat.pdf](#) on the Imperial web site.

**NB2. Amend Imperial Estates Writ 1, Manual of Arts and Sciences**

*Requires 2/3rds to consider, majority to approve.*

**Current Law:**

Article V.D.5 War Judging

An artisan who has also entered the lists at a war may not judge more than 30% of the entries.

**Amend to read:**

**If possible**, an artisan who has also entered the lists at a war may not judge more than 30% of the entries.

*Commentary:* Sometimes, qualified judges do not show up because of mundane reasons, sometimes judges quit judging because they feel they have judged enough to receive a ministry war point for judging, some judges leave because they are just tired and we are left with either breaking the law by having the left over judges finish or we are left with having no one there to judge. We also may have the problem of starting out judging with four to a panel and at the end of the day only enough for three judges are left; not breaking a law but certainly not equally fair to all artisans and contenders.

*We already have in place, in law, whereby the judge has to be disqualified from judging certain entries. It's their contender's family or direct vassal, or their own work that they already cannot judge.*

*The 'amending' by adding 'if possible' puts in place the use of qualified judges to judge if needed.*
