### **Rita Torres (Dame Margarita DuBios) Region 2**

The following is my qualifications to run for the region 2 Board of Directors seat for one year.

My working background; For twenty years I kept two separate corporation books for two surgical doctors in Phoenix, Arizona. Also one of the doctor's had two cattle ranches in the state of Tennessee, so I am very familiar with the keeping of checks and balances in a business. I'm very capable of reading contracts and understanding them, as it was important to do so as I was

the office manager and also a nurse.

Before doing all this my first job was that of bookkeeper for my Father's Glass business in Texas, this was done during my last year in High School, first year in college. Upon graduation I worked with the Police Department in Texas for three years. lived in Germany for three years- while there I taught school

for a year. Retirement became a part of my life this year, due to an auto accident, so I do have a lot more time to devote to the Adrain Empire and to archery. I have been a very active member in the Adrain Empire since joining in 1999. I've had the honor of setting on the BOD for two years, which was very interesting. I've set as Queen twice in Umbria, currently I'm the Duchess of Cyprus for the past year, served as Imperial Minister of Archery also West Coast Imperial Deputy in Archery..

Thank you for considering me for the region 2, one year board seat.

In Service to the Empire

Rita Torres (Dame Margarita DuBois)

## **James Sheppard (Sir Puck) Region 2**

I send this missive with the intent to declare my intent for a seat on the Board of Directors to be voted on at the November 2010 Imperial Estates Meeting.

I, Sir Puck, mundanely James Sheppard, have been a part of Adria since 1998 and feel that my experience within Adria and the Mundane world can be beneficial to the Board of Directors in helping with the mundane side of our corporation. I feel my role as a former crown as well as holding several different ministry positions will be an asset to the Board. Also my experience as an IT professional for over 12 years working with people on a daily basis to correct issues within the workplace also grant me insight on making informed decisions that benefit the companies I work for. My experience ranges from Helpdesk Support, Desktop Support, IT Engineer, and Technical Trainer. All of these positions were very heavy customer service support as well as extensive troubleshooting skills. I will take this experience and serve the Empire to the best of my ability. Following are the positions I have held within the Adrian Empire that I feel also show my qualifications to be an asset to the BOD.

Knight Champion  
Knight Civil  
Retired Ducal Crown of Vingulf

Ministry Positions held on the Local levels:

Chancellor  
Minister of Rolls and List  
Minister of War and Joust  
Minister of Arms  
Deputy Steward  
Physikar  
Crown Marshall

If there is any further questions I make myself available to anyone with comments, concerns, or questions.

Thank you,  
Sir Puck  
MKA James Sheppard

### **Tom Cottone (Sir Thomas Weimar) Region 3**

This my letter of intent to run for the open BOD seat for Region 3. My Adrian qualifications are as follows:

I have served as the Crown of Castilles, as Imperial Chancellor and as the Chancellor for two Kingdoms (Castilles and Kincora). I also am a third level knight in Ministry.

Mundanely I have started my own business in the form of an S-Corp, I have helped start up a new 501c.3 organization called American Citizen's League, and am currently in the process of starting an educational Foundation (lots and lots of paperwork for that one).

My ministry experience has made me intimately familiar with Adria's laws. My mundane experience has given me the basic knowledge of the legal aspects of operations and compliance issues for nonprofit organizations.

Thank You,  
Sir Thomas Weimar  
(Tom Cottone)

### **Sara Huizenga (Dame Lenore Greyphis) Region 3**

Dame Lenora Greyphis, Imperial Princess, Retired Crown of the Duchy of Brandenburg, Knight Premiere I have been an active member of the Adrian Empire since 1998 serving as Imperial Crown, Imperial Minister, Ducal Crown, Kingdom Minister and servant to the Empire at large. I have a largely administrative background but also have spent the last 5 years working in Compliance and Quality for a regional Children's Hospital where I dealt with federal regulations and rules as they pertain to children. I also was trained at this job in Policy and Procedure and feel that my background may come in useful to the Board as they start their journey as a separate entity from the Estates general. I have served on the Board of Directors and Secretary Treasurer for a number of years and also in an advisory capacity this year as well as while seated as Imperial Crown .
