As per the Imperial Estates the following changes have been made to the A&S Manual concerning Group Entries.

**OB12. Amendment to IEW#1 Section IV. B 12**

**A. Bardic group entries (i.e. plays, songs, dance, etc.) with two (2) or more primary participants must notify the Royal MA&S of the entry at least thirty (30) days in advance to allow the minister to coordinate having at least one (1) judge per primary participant. Each person in a group entry must provide their own hardcopy documentation. Persons with a secondary role, such as walk on part in a play may be eligible for an arts participation point, but should not require a separate judge.**

**B. Crafted Group Entry (ie: armor, sewing, etc.) Each contributing participant must document their individual portion of the project. Each individual portion will be judged separately from the rest by three judges and an alternate (if necessary) with the resulting score being attributed to the artisan that completed that portion**

As always this ministry is open to suggestions from anyone around the Empire who has a thought or idea that will help to improve the arts.
