

No injuries have been reported this quarter and I'm happy to announce that archery has been increasing in numbers this year.

No problems reported

Regarding Champion point at Imperial events, there can only be one winner, the champion point can not be divided. If there is a tie, it is to be a one arrow shoot off. This was decided many years ago by Sir Karl, Sir Blackarrow and myself.

I have enjoyed serving the crowns and Adria these past twelve years, but it is time to do other things.

I will always serve Adria.

I want to thank my deputies Prince Pavo and Sir Larke, you both did a very good job and for putting up with me.
