

Greetings Populace,

Another IEM coming up and here are our reports. All 3 reports on one page from Rolls and Archivist

I don't know how to get across to everyone that there reports on their events are supposed to be in within 30 days of your events. I see some of you entering them and not sending the paperwork to me. We have a East Coast Imperial Rolls now along with the West Coast Rolls to get things done faster.

We have some Chapters that haven't sent in paperwork for year and others 6 months. Please get these events in you are holding up peoples Knighthoods. I also am supposed to look at them and see everything is OK not enter them for you. If there is a problem please let me and Sir Terrin know so we can fix the problem or least try.

I am planning a rolls class at this IEM because of so many problems with rolls please try to be there. I'm hoping to have the time made for me Sunday afternoon if we finish in time. If you need to talk to me special let me know. I will be getting there Thurs afternoon and staying thru Monday to work with you if you want to.

I am looking forward to working with you.

Dame Etaine

#### Archives Report

This office is still getting updated to 2013.

We have not received any replies to our questions about "missing" paperwork. It seems that some of the kingdoms would rather not work with this office. This has slowed up down greatly. Upon request of the Empress, this office has rechecked all of the Albion paperwork up to October 2013. AA copy of that list has been sent to TIM's as well as the IMoR&L to follow up on. We have received nothing since 10-2013 from the Kingdom of Albion.

I thanks those who are willing to answer my many emails and helping me with the searches.

Greetings unto the Empire,

It has been quite a learning experience for me these past three months since assuming the position of Deputy Imperial Minister of Rolls – Region 3 (East). The Archduchy of York has been extremely prompt in their monthly reports. Current rolls entries have been processed for Constantinople, Lancaster, Monaco, Pembroke, Ravens Fjord, Somerset, Stirling, Wolfendorf and York. Roanoke had several old events we were able to clear up. I am working on quite a few old Terre Neuve events. A lot of progress has been made, but still have a bit to go. I am working with Constantinople and Somerset to take care of their events. I would like to thank each of those Rolls Ministers and Crowns for their prompt replies to my questions. Contact attempts have been made or will be made in the near future to clear up outstanding events for Cashel, Chesapeake, Malta, Mann Abhainn and Pembroke.

Banner War 2014 SE has been entered and is awaiting final approval by Their Imperial Majesties. Banner War 2014 NE has been entered and finalized.

My report as Deputy Imperial Minister of Rolls – Audits is not quite so full but contains good tidings. Since last reporting for the March Imperial Estates Meeting, I have processed five Third Level Knighthood audits. I am most happy to announce that only one was not able to be completed due to a mix up in one point. That will hopefully be resolved by the time this report reaches The Estates. I would like to extend public acknowledgement and congratulations to the following Knights –

Sir Graylin MacMoran, Knight Premier  
Dame Milisent de Lilley, Knight Premier  
Jarl Doom Solig, Knight Warden  
Dame Rosa Fiend, Knight Warden

Respectfully submitted, this 17<sup>th</sup> day of June, 2014.
