

Greetings to the Imperial Estates and Members of the Populace of the Adrian Empire from Dame Katelyn, Imperial Minister of Rolls and Lists.

It has, once again, been a busy period.

An-ridire Ruaidhri Silverhand, Imperial Deputy of Conversions, completed one conversion request. That member has since received his knighting, at the hand of Her Imperial Majesty.

K3 audits maintained their usual flow. Five audits across the empire were received and completed.

Huzzah to

Sir Vincenzo Grimani of Terre Neuve, Knight Champion  
Dame Babette Bryn Corey of Terre Neuve, Knight Premier  
Sir Jetai of Constantinople, Knight Champion  
Earl Boru of Stirling, Knight Premier  
Sir Drake Morcar of Constantinople, Knight Champion

Several K1 and K2 audits passed this way. I was happy to be able to assist with those. Congratulations to all on your achievements.

The Adria Rolls Yahoo Group continues as a communication as well as educational tool for the Chapter Rolls Minister.

This is the part of the report I usually give a long list by chapter of the status of the rolls across the Empire. This report will still provide the information, but in a slightly different format.

Since last report in March, over 396 events have been processed.

My most sincere thanks to all the Rolls Ministers and Crowns in clearing up so many outstanding events in the database. Throughout my term as both IMoRLs and Deputy IMoRLs, the database has NEVER been so clear. There are NO events pending prior to January of 2017. There are a total of 18 events pending some type of action. Wolfendorf is playing catch up with four of those events. The events are overdue. However, they have been entered and paperwork is promised. Esperance made a huge push to catch up. Five of their events are slightly overdue. They have been entered and are pending crown approval. Connacht has two events from May for which paperwork has been promised. Terre Neuve has one event that is missing paperwork, with a promise of being sent shortly. The remaining 6 are current or are in the imperial review process.

Whatever shall I do with my spare time.

Until November,  
Yours in Service  
Katelyn
