

**Unto Their Imperial Majesties, and to all unto these letters come do I,  
Dama Antonia Lopez-Hawk, send greetings.**

Everything is on schedule. The CoA would like to see more activity and interaction between the ISoA and local Heralds.

As forecast in our November 2016 report, the CoA has updated the Heraldry Manual as follows:

- Added diagram and explanation of each section of the shield
- Under IX. Defined Charges, added: 4. Lion of Albion (A lion's head caboshed and crowned Argent surmounting a fleur-de-lis Or)
