

Report from the Imperial Database Administrator

I am currently well along the way to making changes to the database, the website, and the client software used by our ministers to enter the data, to add tracking of the following categories of information:

Combat

- Synthetic Waster
- Step Down

Arts

- Non-Judged

Archery

- Crossbow

The screenshot shows a window titled 'Points' with a 'Member info Line' section. The window is divided into several sections with checkboxes:

- Combat:** Authorized, Shnai, Rapier, Synth Waster, Cut & Thrust, Armored, Tourney (EP/TW). Sub-sections include Sergeant's Win, Step Down, Knight's Win, and War.
- Arts:** Judged, Non-Judged, Tourney (EP/TW). Sub-sections include Journeyman's Win, Knight's Win, Demo, War, and Master-work.
- Archery:** Authorized, Standard, Crossbow, Tourney (EP/TW). Sub-sections include Bowman's Win, Huntsman's Win, Demo, and War.
- Ministry:** Imperial Minister, Crown Minister, Estate Holder, Event Service, Monthly Service (EP), Demo, Demo Initiation, War.

At the bottom, there is a 'Physically Present' checkbox, a 'Comment' field with a 'Sample edit box' placeholder, and 'OK' and 'Cancel' buttons.
