

Report – Web Minister

February 20, 2018

Greetings,

I have been addressing any website issues brought forth with the assistance of both Dame Katelyn and Sir Terrin. I have been approached by one chapter in regards to a presence upon the Imperial website for themselves. The offer is open and extended to any chapter that would like their own site hosted directly through the Imperial site.

Upon my last entrance within the cPanel login for the Imperial site, I noticed that it is due to be renewed in April.

In Service,

Christopher Logan

Baron of Lancaster Court

Web Minister
