Authority (Lex Adria Article VI.A.1.c):**Lex Adria Article VI.E.5 Meeting Date, July**

The Imperial Estates General meet on the third Saturday of July (and the following day), at which time they shall conduct appropriate business, including but not limited to:

- a. Qualify and determine acceptability of Imperial candidates.
- b. To finalize enough data to prepare the corporation's tax returns (if necessary)
- c. Review (at its discretion) any system of conversion for analogous activities developed by the Imperial Crown. (Article IX.F)
- d. Elect Board of Directors Members per Bylaws of the Adrian Empire, Inc., Article V.B

Each Chapter's Crown shall present a copy of his or her Chapter's financial records at this meeting.

Attendance at this meeting shall be mandatory for at least one ruling Crown or representative from each chartered subdivision.

Bylaws Article III.A.4**4. Membership Suspension**

Membership in the Adrian Empire and all the rights therein may be suspended by a 2/3 vote of the panel as provided below:

- a. If a member is charged with a violation of state or federal penal code in connection with or relevant to an Adrian Empire activity, or evidence is provided that a member has harassed, threatened, or otherwise jeopardized the safety and welfare of other members of the Adrian Empire.
- b. Upon notification of the above (a.), the Imperial Crown shall convene a special panel composed of the Crown(s) of the member's Chapter, and two Royal Crowns from a rotational list rotating each time the panel is used, and four members elected by the Imperial Estates to serve on the panel starting in March to serve for one year (at which time, new members would be elected). The Imperial Estates shall also elect two alternate panel members to serve in the stead of any elected panel members who be unavailable to serve. All members of the Panel must be at least 18 years of age, a member in good standing and a Knight.

Lex Adria Article VI.E.6 Disqualification

Members entitled to a seat by virtue of rank or office whose dues are not current, are under judicial ban, or have not attended at least two official events in any Chapter within the previous six months will be denied a seat.¹

The membership entitled to vote at a meeting of a given body is fixed as of the summoning of the meeting. The vote of an Estate is held by the Estate not a person; it is the right of the Estate to determine who represents it. It may not be subsequently altered by any means (including non-participation, formation of new Estates, or change in Estate held by a given member) until the meeting is concluded, with these exceptions:

- a. Resignation of a given member
- b. Judicial ban
- c. Creation of a greater estate that does not reduce another greater estate below minimum membership (subject to 2/3 approval of the Estates to waive notice and seat the estate)
- d. Expiration of dues

Requirement for Written Proxies. (As per Lex Adria VI.H)

It is the right of any member entitled to a vote to give a written proxy to any other Adrian member attending the meeting.

1. Written proxies are effective when presented to the Chancellor.
2. The proxy-holder may present a copy to the Chancellor when signing in for the meeting, or
3. The proxy-granter may mail or electronically submit a copy to the Chancellor, provided it is received at least 72 hours prior to the meeting.

¹ Canadian members and chapters have been exempted by the Crowns due to their National restrictions.

HOW THE MEETING WILL BE RUN:

There will be two lists for speaking: a speaker's list and an interruption list. You must be on one of the lists to be recognized by the Chancellor, and you must be recognized by the Chancellor to speak.²

If you are online:

You are asked to keep yourself muted except when you are speaking in response to the Chancellor's acknowledgement, and to have your camera on when you are speaking (video backgrounds are encouraged).

To be added to the Speaker's list, you must "Raise your Hand" (make sure you are not waving). The deputy chancellor will send you a chat to acknowledge that they have seen your raised hand and have added you to the list. They will then lower your hand.

To be added to the Interruption list, you send a chat message to the deputy chancellor stating the nature of your interruption: question, point of law, or point of clarification. The deputy chancellor will send you a chat message to acknowledge that they have seen your message and have added you to the list.

When you have been acknowledged by the Chancellor and given the floor, unmute yourself, (make sure your camera is on) say whatever it is that you want to say, then re-mute yourself.

For voice votes, waive. For counted votes, write your vote count in a chat message to the deputy chancellor: the number of votes in favor, the number of votes against, and, optionally, the number of abstentions.

If you are in person:

To be added to the Speakers list, please raise your hand. A deputy chancellor will add your name to the Speaker's list and indicate to you visually that they have recognized you and added you to the list.

To be added to the Interruption list, please raise your hand and state the nature of the interruption: "Question", "Point of Law", or "Point of Clarification". A deputy chancellor will add your name to the Interruption list and indicate to you visually that they have recognized you and added you to the list. Then, or when the Chancellor recognizes you and gives you the floor, you may put your hand down.

When it is your turn to speak, step up to the "speaker's station" (so that everyone can see and hear you) and say what you need to say, then "return to your seat". To save time, you are encouraged to step up to the speaker's station prior to the Chancellor's acknowledgement (e.g., when you raise your hand or when the deputy chancellor acknowledges you, depending on whether or not someone else is at the speaker's station and the nature of your request).

For voting, respond verbally from your seat for voice votes, and raise your placards as requested for counted votes. Please raise your placards &/or the number of votes you are casting and keep them up until the counters have finished and reported the count.

Please be patient with us. This will be the first time we will be running a combination in-person and online meeting, so the "bugs" are not completely worked out and we are not experienced with the combination.

² Their Imperial Majesties, of course, have the right to interrupt &/or speak "at any time" without recognition by the Chancellor or being on one of the lists, as is their privilege.

- VI. CROWN BUSINESS**
 - CRB1. Charter Amendments**

Chancellor's Note: As per Lex Adria VI.F.1.d.iv, the Imperial Estates may "Approve writs and charters issued by the Imperial Crown ...". This approval raises the writ or Charter to the level of Imperial Estates Writ. The Estates also have the option to not address the writ/charter, thus leaving it at the level of a Crown Writ.

Chancellor's Note: The Writ suspending Charter reductions (as per Lex Adria VIII.D) expires this meeting. TIMs support enabling chapters time to recover following the COVID crisis and urge the body to table A & B to November (which requires a majority).

(Requires 2/3 to approve)

Chancellor's Note: These listings are based on the available Membership Summary as of the date of publication and may not be accurate.

- A. Consider reducing the following Chapters in status due to insufficient numbers:

Chancery Note: At TIMs request, HL Moira and HG Siegfried were asked to review conflicts in the law and to propose clarifications, resulting in CRB2-5.

CRB2. Clarifications to Law

(Requires majority to approve)

- A. Add language to IEW#34 III.F.1.4 and IEW# 1 & #37. IV.B.13.j³ to adopt the checkbox verification with Crown signature:
 Claims for points of Non-Judged Arts entries must be accompanied by a copy of the Non-Judged Arts Project Request Form [or verified by a Minister of Arts & Science by initialing the checkbox on the Arts Sign-in which is also signed by a Crown.](#)

Author Commentary: After much discussion and deliberation on the verbiage and procedural difficulty of current law during the March IEM, we submit minor verbiage adjustments to each of the noted manuals to allow for substituting signing off on the form for receipt of the Non-Judged Project Request Form, accordingly. This proposal has unanimous support of the R&L Team.

Sponsors: Lady Moira Pritani, Knight. Premier; Sir Siegfried von Aschaffenburg, Retired Crown; LK Bella Nicotra, Knight Doctor, Knight. Premier, and Retired Crown

- B. Clear up the grammatical structure of IEW#34. Appendix B. Forms 7. NON-JUDGED ARTS.

³ Passed as OB-1 at the March 2022 IEM
 © Adrian Empire, Inc.

The Non-Judged Arts Project Request Form is an Arts and Sciences Form but must accompany any claims for points earned using Non-Judged Arts entries unless verified by a Minister of Arts & Science by initialing the checkbox on the Arts Sign-in and signed by a Crown. This form should be ~~[and]~~ kept at the local level to assist with verification of participation ~~[the points till completion and entry of the project].~~

Author Commentary: As the forms section appendix is to be a descriptor section, defining the forms use and expectations, the R&L Team feels this better suits that application and goal. Adjusting the verbiage in this manner will provide an apt definition and usage instructions, as well as bring it in line with the practice and directives laid out in proposal 1.

Sponsors: Lady Moira Pritani, Knight. Premier; Sir Siegfried von Aschaffenburg, Retired Crown; LK Bella Nicotra, Knight Doctor, Knight. Premier, and Retired Crown

- C. Add IEW #1 & #37. IV.B.13. k Tournament/War entry expectations as follows: Participating in a non-judged arts project does not require the project to be submitted as a judged arts entry. It may be submitted for judging at the sole discretion of the artisan.

Sponsors: Sir Callon Bryn Corey, Knight Premier; Lady Moira Pritani, Knight. Premier; Sir Siegfried von Aschaffenburg, Retired Crown

- D. Clarify IEW #17 by removing the Sergeant rank requirement in II.A.3 & II.B.2 In order to clarify IEW#17, and match practical application to law, we propose the removal of the Sergeant rank requirement in IEW#17. II.A.3, so that combatants on the Knights list, in general, may participate in “various Armored combat type weapons,” as stated in IEW#17.II.B.2 “Armored combat is fought with all manner of rebated metal weapons that existed within our time period and geographic boundaries with the exception of those weapons listed in the Banned Weapons List section. Armored combat is considered a Knightly combat form ~~[and all Armored combatants have achieved the rank of Sergeant or higher.]~~”

VII. BOARD OF DIRECTORS BUSINESS

BoD1. Change the Date of the Seating of the BoD AND Implement Immediately

(Requires 2/3 to approve)

Amend the ByLaws of the Adrian Empire, Inc. and Lex Adria as follows:

ARTICLE V Board of Directors

- B. TERM OF OFFICE Regardless of whether a Director’s position is for a term of approximately 1 year, 2 years, or some other duration as prescribed by law, the term of a given Director’s position shall always begin and end at ~~[a regular Budgetary Meeting of the Imperial Estates (currently in November: Article VI.E.3 of the Lex Adria Imperium.)]~~ the regular March Meeting of the Imperial Estates.

The term of a given Director position is fixed regardless of whether the actual Director who holds the position is appointed or elected mid-term. Directors shall be elected at the same meeting designated for [~~determination of qualification and acceptability of Imperial Candidates (July).~~] [the transfer of the Imperial Crowns \(November\)](#). Directors may succeed themselves once. A Director may be removed prematurely by action of the Imperial Estates, the action of a duly convened Imperial Court of Justice, or by a unanimous vote of all other Directors (so long as the Board has more than two members). Elections are to take place in [~~July~~] [November](#), but the term of office is [~~November to November~~] [March to March](#).⁶

...

The term of office of the President shall be approximately one year between [~~Budgetary~~] [March](#) Meetings of the Imperial Estates. The Presidential term is fixed regardless of whether a given President is elected mid-term. The term of office for the Vice President or Board Secretary shall be as determined by the Board of Directors or be the same as that of the President, if the Board of Directors has not determined otherwise.

⁶ Members of the BoD are elected in [~~July~~] [November](#). The out-going BoD traditionally has a final business meeting the Friday before the regular Budgetary Meeting. That meeting ends with or is followed by the new members of the BoD taking office.

Lex Adria V.I.E. OFFICIAL MEETINGS; IMPERIAL ESTATES CALENDAR

3. Meeting Date, November

[c. Elect Board of Directors Members per Bylaws of the Adrian Empire, Inc., Article V.B.](#)

5. Meeting Date, July

~~[d. Elect Board of Directors Members per Bylaws of the Adrian Empire, Inc., Article V.B.]~~

Commentary: This proposal is being put forward to place the Board of Directors term of office in line with the Arizona Corporation Commission annual filing cycle, We are an Arizona Corporation. This will also help define the separation between the benefits of membership in the Adrian Empire and the protection of The Adrian Empire Inc.'s corporate health

Currently the BoD seats in November along with the Imperial Crowns. We are proposing this change because the Arizona Corporation Commission filing is due in the beginning of April. So our only current options are to file twice a year (more that double the fees), or be in a state of 'non-compliance' for half of each year. The proposed change will bring our 'term of office' into alignment with the Arizona filing structure. While we file reports in several other states, we are incorporated in Arizona, making Adrian Empire Inc. an Arizona Corporation.

The current seated members of the Board of Directors understand and agree that this change is beneficial to our health as a corporate entity; and that if this proposal shall pass, their current terms would be extended 5 months to align the new terms with this updated ByLaw

The BoD requests that this item be approved for immediate implementation. If approved, it will extend the term of office for the current BoD members by 4 months.
Chancellor's Note: The entire passage is included for clarity, even though the change is rather small.

Authors/Sponsors: Sir Siegfried (TN), Mira Angel of Hart (CnC)

(While no action is required, the Estates may review.)

Chancery Note: There has been no change in the policy in the past year and none are being proposed.

CH5. Changes to Laws and Writs

(Notice only, no approval required)

A. Change the word “subdivision” to “chapter”, “estate”, or “canton” as appropriate in the locations shown in Appendix C.

Chancery Note: The term “subdivision” was changed to “chapter” previously. These were missed at that time.

CH6. Election of the Article III Special Panel*(Requires majority to approve)*

Election of 4 members and 2 alternates for the Special Panel as defined and required in Article III.A.4.B of the Bylaws (q.v. Justifications above).

Candidates:

Dame Katelyn

Sir Robert LaCroix

Chancellor's Note: Procedurally, the body may elect each by a majority or do so by a plurality (accept nominations for 6 or more candidates, the four greatest votes received shall be the members, the next 2 greatest shall be the alternates). The procedure must be determined by the body.

See Appendix C for Letters of Intent

CH7. Change the R&L Reporting Deadlines to reflect practice*(Requires 2/3 to approve)*

A. Change the Rolls & Lists Manual, IEW #34, I.C.1.f as follows:

The Imperial Office of Rolls and Lists reviews the paperwork, handles questions that arise from the paperwork, compares the paperwork to the information in the Imperial Database, and verifies the entry of each event in the Imperial Database within ~~[30]~~ 90 days.

B. Change the Rolls & Lists Manual, IEW#34, I.C.1.g as follows:

The Imperial Office of Rolls and Lists is also responsible for paperwork resulting from Imperial Events and for entry of the event into the Imperial Database within ~~[30]~~ 60 days.

Author's commentary: While Their Imperial Majesties are patient, and presumably everyone understands the database is down, we shouldn't continue forward with only TIM's making allowance for chapters conducting data-dumps. The Imperial R&L Team would ask for TIM's consideration to be codified and included in IEW#34, as originally intended in the 2009 submission that was changed by friendly amendment. Even then one commented, "It is not reasonable to pass into law that which we know will be broken." So we ask that we put it back to the original time frames suggested.

IX. OLD BUSINESS**OB1. Add Mundane Contract Components from Renaissance Faires in IEW #27 to Lex Adria Imperium VI.F.3.a.ii.***(Was NBI in March)**(Requires 2/3 to approve)*

Amend Lex Adria Imperium VI.F.3.a.ii as follows in order to limit confusion:

ii. Be the sole representative of the Adrian Empire to other organizations.

a) Any Estate of the Adrian Empire desiring to attend the events of other organizations or hold joint events with them shall obtain the prior written consent of the Imperial Crown.

b) All contracts must be presented to and reviewed by the Imperial Crowns in a timely manner.

- c) [All contracts obligating the Adrian Empire require Imperial Crown permission, which, at their discretion, may be delegated in advance or may require specific prior approval.](#)

Commentary: HIH Sir Desmond: Replaced wording in b) Changing "Approve" for "Review" as the language gave concern that using language of "Must be presented and approved" might be taken in the future to mean that the crown does not have the ability to not approve ["must...approve"].

Authors/Sponsors: Lady Moira Pritani, K3; HIM Sir Eric; HIM Dame Etoile

Chancery Note: The reformatting is a suggestion from the Chancery and not a part of the submitted change. Also, the phrase "in a timely manner" was added by the Chancery based on the discussion in the March IEM.

OB2. Clarification of Intent and Definition of Imperial Events in regard to points earned.

(Was NB2 in March)

(Requires 2/3 to approve)

Clarifying the intent for practical application:

A) Maintain Official Imperial Events only (which would include any activity that complies with IEW#34.III.D.1-4)

B) Maintain narrow definition of IEW#34 and add it to Lex.

Commentary: Lex Adria states that Imperial Exceptions relate to "Official Imperial Events", in general terms:

V.F. 3. "In addition, a member may record a second participation point and a second win in each area of advancement for participation or wins earned in official Imperial events in the same month that the member records points for participating in non-Imperial events. If the member participates in multiple official Imperial events in one month, the same limit and the same privilege of deciding which participation or win shall be recorded apply as above. This is not an exception to the law; it is an opportunity to record an additional point."

IEW#34 narrows its interpretation to specify that Imperial Exceptions relate only to Imperial Tournaments, Imperial Wars, and Imperial Estates Meetings:

III.E. ONE POINT PER MONTH LIMITS

"Per the Adrian Empire Lex Adria Article V.F., only one participation point (Event Participation (EP) or War Participation (WP)) and Tournament Win (TW) counts towards advancement to knighthood in each discipline (Archery, Arts, Combat, and Ministry). Demo Participations (DP's), Demo Initiations (DI's), and Arts Masterworks (MW's) are not subject to this limitation. The exceptions to this are Imperial Tournaments (EPs and TW's), Imperial Wars (WP's), and Imperial Estates Meetings (Ministry EPs) which may be counted in addition to a local participation or win in the same month."

While IER #5, from 2009 requests "Once a year each region will sponsor a Collegia weekend as an Imperial event," Imperial Crowns hold Imperial Challenges, and Imperial ministry positions are maintained without offering this exception—many throughout the Empire are confused by this practice and err in their StK audit requests.

Authors/Sponsors: Lady Moira Pritani, K3; Dame Mira Angel of Hart; HIH Prince William Baine.

OB3. Approval of updated Arts & Sciences Sign-In Form

(Was NB3 in March)

(Requires majority to approve.)

An updated Arts & Sciences Sign-In form has been playtested and results have been submitted to the Imperial A&S Minister and Their Imperial Majesties. The form is attached as Appendix E and has been submitted to the Imperial Estates as a replacement for the current Sign-In form.

Authors/Sponsors: Dame Milisent de Lilly, K3; HIM Sir Eric McKiver.

X. NEW BUSINESS**NB1. Steward's Proposal for Deposits**

(Requires 2/3 to consider, 2/3 to approve)

Modify ByLaws IV.A as follows:

... Lifetime or annual dues may be paid to the Imperial Steward; or to the Steward of a Chapter, [~~but must be sent as presented to the Imperial Steward. Cash shall be the exception to this: Cash must be converted to money order and may not be deposited in any bank account.~~]. The Local Steward is to deposit into their Adrian associated checking account within 7 business days and report to the Imperial Steward within 10 business days, who will electronically transfer the funds with immediate written notification to the chapter steward in order that they may account for the changes in their journal/ledger.

Commentary: This question was raised in Mar 2009, "Suggestion made to allow local stewards to make deposits for memberships, was declined due to check and balance issues. Suggestion made to stop resisting standard business practices to make banking easier."

Authors/Sponsors: Prince Desmond, Retired Emperor & Knight. Premier; Lady Moira Pritani, Knight. Premier.

NB2. Modify the Rolls & Lists Manual to provide for electronic attendance

(Requires 2/3 to consider, majority to approve)

Modify Writ 34.IV.D.1 by adding the following:

- a. For the event types Estates Meeting and Collegia, participation may be electronic instead. In this case participation and points are determined by electronic means by the Rolls Minister and ruling Crown, for example, attendance reports generated by Zoom. This rule does not in any way change the requirements of event notifications and the wearing of garb. In addition, the use of electronic participation, like all other events, is the sole purview of the ruling Crown.

NB3. Modify Lex Adria to authorize electronic IEMs in the absence of valid bids

(Requires 2/3 to consider, 2/3 to approve)

Modify Article VI.A by adding the following:

3. If the Imperial Crowns do not receive a timely acceptable bid for the Imperial Estates meeting, the meeting may be held electronically. The Imperial Crowns are still the sole determiner of what is a timely acceptable bid is. In this case participation and points are determined by electronic means by the Imperial Rolls Minister and Imperial crowns. For example, attendance reports generated by Zoom. This rule does not in any way change the requirements of event notifications and the wearing of garb.

XI. DISCUSSION ITEMS

DI1. Selection of a new social media and archival platform

I request that we discuss this item.

Commentary: We used to do this with Yahoo, but they quit supporting that service. While Facebook provides one of the foremost and most used social media interfaces on the Internet, especially in North America, it does a poor job of showing calendars of upcoming events and even worse for organizations with multiple levels and locations; conversations & debates on the many IEM agenda topics are impossible to find and follow, and it's unorganized/unsortable listing of files makes locating a document virtually impossible. We need to find a better organized means of showing and maintaining our multiple schedules of events, carrying on "long and involved multi-branching" discussions and debates, and organized and searchable storage for our many documents and records.

Appendix B. Letters of Intent for the Board of Directors

Heather Hagerman
1810 Spence St
Apt 101
Baltimore, MD 21230

March 24, 2022

To the Members of the Board:

I, Dame Asheen Wyld (mundane name- Heather Hagerman), do here by wish to submit my intention for running for Board of Directors, Region 3, also if a position for an at large position is needed for the upcoming year of 2023.

I believe that having a member of the board that is on the East Coast, is beneficial to the Empire as they need to have a voice on the Board. The needs of the coast do differ in needs, and problems at times from the ones on the West Coast.

I have successfully been:

The Board of Directors member for region 3 for 2 years.

Rolls and Lists Minister for the Duchy of Chesapeake, and am now a member of the Imperial Rolls and Lists Team

Arts and Sciences Minister of the Duchy of Chesapeake, and hold a position of Imperial Deputy Minister for Arts and Sciences

I have held the other following Ministry Positions within the Duchy of Chesapeake-

Vicereine

Duchess

Deputy Chancellor under Barone Lucifer

Webmistress

And have been granted the following awards and titles:

Knight Minister on 5-26-2018 at the hand of Dame Ariana le Treson under the authority of TIMs Babette and Desmond.

Imperial Lady of the Court awarded on 3-24-2018 by TIMs Babette and Desmond.

Imperial Empress Grace awarded on 10-14-2018 by TIM's, Babette and Desmond.

Chesapeake Baroness Royal awarded on 11-10-2019 by estates general.

Imperial Baroness of the Court awarded on 10-17-2021 by TIM's Eric McKiver & Etoile de Manchou.

Chesapeake Golden Chessie Award awarded on 2-5-2022 by Duchess Daniella and Duke Kerrigan.

Knight Civil on May 14, 2022, at the hand of Baroness Dame Daniella Vadim, under the authority of TIM's Eric McKiver & Etoile de Manchou.

I feel that being on the Board has been a wonderful learning experience for me. I respect each and every member of the Board, and their patience and willingness to teach me has been a blessing. I am eager to continue to learn and grow, and to most importantly, bring a voice from the East Coast to the board.

Yours in Service,
Baroness Asheen Wyld, (Heather Hagerman)

Greetings unto the Great Estates of The Adrian Empire!

My name is Bill Eytel. You may know me as Sir Coda. I currently hold an "At Large" seat on the BoD and serve as the Vice President of The Adrian Empire inc.

I am seeking the continuation of my appointment as webmaster/database administrator on the BoD. I have been advised to provide some personal history and my qualifications for this office.

I am a computer programmer by trade. My title is "Senior developmental programmer/analyst III" and I have more than thirty years of experience in my field.

I am semi-retired. I do pick up contracts from time to time and my rate is \$185.00 per hour.

On July 13th 1996 at the Ojai renaissance faire I saw some crazy people fighting with kendo swords. I have a martial arts background and I was intrigued.

I approached one of the guys running the fight and started asking questions. They had me sign a waiver, put a sword in my hand and I joined that day.

Over the years I have served as a minister at both the local and imperial levels. I have been king twice.

Some of my accomplishments:

I helped Sir Arion create the combat manual.

I assisted Sir Connor O'Riordain (Now Sir James Hill) create the archery manual.

I was heavily involved in the design and testing of our combat arrows.

I wrote the marshals and seige weapons manuals.

I am a premier quad knight of the Adrian Empire.

My ranks are Knight Robe, Knight Forester, Knight Premier and Knight Champion.

I currently serve as webmaster of the Kingdom of Terre Neuve in addition to my work on the imperial website.

When I was placed on the BoD and given the task of creating a request for programming document (commonly called an RFP) I began working with a team of concerned ministers.

We began to document what the web application did and what we wanted it to do.

Socket errors were crippling our ministers efforts to keep our data up to date. There was a sense of urgency and anger because the problem was getting worse and nothing had been done for several years.

A few meetings were held and the decision was made to hand the project over to the "Tech" side of the committee.

It was a fairly difficult beginning as the prior administrators of the web application were loath to share much if any information.

Ultimately we were given access and were able to get a look at the web applicatin in its entirety.

The initial idea of a simple "Update" was woefully inadequate. The entire website needed to be maintained.

I took on the project with the intention of creating a new comprehensive RFP document. I began to mock up what the changes could look like if we were able to get an acceptable bid from a contractor.

Things were proceeding very well until the former web hosting company "Bluehost" decided to end their support for much of the engine that runs our site.

They gave us two weeks to modify many thousands of lines of program code.

Knowing that this was impossible, I stepped up with a solution I knew would work, and with the blessings of the imperial estates migrated our web application onto a new host.

We lost some functionality in the process and the old "Centralized Database Client" became obsolete.

Migrating a large web application such as ours from one host to another is a fairly complex task in and of itself.

The configuration of the various systems involved can take quite some time.

I was able to accomplish the migration without our website going dark and only the dynamically created pages were affected for a short time.

I pledged to restore existing functionality (at no charge) before we proceeded to phase two of the project, which is to update the html aspects of the site.

I am continually working to restore functionality. I have updated hundreds of lines of deprecated program code and/or hard-coded instructions.

The data driven output pages of the website are all functional again except for the combat qualifications test, which is written in a language I am not familiar with.

I have enlisted the help of Sir Robert de la Fonteyn who is familiar with the Perl programming language to look into that.

I have restored most of the steward's office functionality and am still working on a single paypal bug that is annoying but not catastrophic.

The rolls office functionality is now being restored and I am working with the Imperial Minister of Rolls to make sure that the system behaves as required.

Once full functionality is restored, I will happily help create a new RFP for phase two of the project and present it to the estates for consideration.

If it pleases the estates, please consider allowing me to continue with the website maintenance/update by granting me a seat on the BoD.

Sincerely,

Bill Eytel/Sir Coda

Good evening,

I am submitting my intent to run for region two or an at-large seating for the Adrian Empire Board of Directors.

I am a Knight Bachelor and Knight Minister and member in good standing within the Kingdom of Auroch's Fjord. I have done ministry positions of Rolls, Deputy Chancellor and Kingdom Steward and Deputy Imperial Steward.

My mundane work makes me very suitable for the Adrian Empire BOD. I am a NV State Licensed Community Manger and run quarterly BOD Meetings for six separate single family HOA's utilizing Robert's Rule of Law methods. I create the agenda and minutes for each of these meetings.

Thank you for your consideration.

Appendix C. Letters of Intent for the Special Panel

Greetings Prince William;

I would like to submit my name for consideration of election to the Special Panel. I have been a member in good standing of Adria since 2009. In that time, I have achieved third level knighthood in 3 disciplines and 2nd level knighthood in the fourth. The knowledge I have gained of the Empire guidelines thru service in local and imperial ministry positions should be helpful to me in serving in this position. I believe I am able to bring a balance to assist in determining these types of issue, considering both the Empire as well as the Member.

In service Dame Katelyn, mka Patty Vanik
Archduchy of Stirling

I, Sir Robert LaCroix, Thomas LaBar, wish to submit my name a candidate for the Special Panel.

I am a 3rd level Knight and consider myself a natural in most politics.

As a former Crown, I did have to handle disputes.
