

Greetings to the Imperial Estates, Imperial Crowns and Good Gentles.

Since Feb 1, 282 membership renewals or new memberships have been processed. Our membership number at this time which includes some that will lapse 4/2024 if not renewed is 1039. The number of members to 4/2025 or later is 531(which includes 236 lifetime memberships). I have been updating as quickly as possible, sometimes the same day submitted but have taken up to 1 week when things got crazy. These numbers are as of 7:50 pm EST on March 22.

The craziness with the California FTB has been resolved and we are once again in good standing with them.

All tax and state reports are in current status with regard to our filings.

The Canadian liability insurance came due this month and has been paid. Our Adrian Liability and BoD polices are not due until mid year.

Bank balances are
Chapters \$56,019.27
Empire accounts \$94,811.85
