

Letter of Registration and Return **March/April 2007**

Greetings unto the heralds of the College of Arms!

The first quarter of 2007 has been a bit quiet so I have begun working on the new policy/manual documentation I mentioned at the March Estates meeting. The document consolidates various bits and pieces of policy and rulings and provides some clarification and explanation. With the addition of some new policy, we will allow for more heraldic display than is currently enjoyed. I hope to present the new guide to the estates of Adria at the July meeting. Until then, please conduct business as usual regarding heraldic display.

Regretfully I must inform you all that the signet ring provided so graciously to The College of Arms by Sir Cledwyne of Terre Neuve has been stolen. It was taken along with some other small items when my vehicle was burgled just after I returned home from an event. The police have closed the case but were not able to recover the items that were stolen. I will take it upon myself to have the ring replaced. If you have sent copies of your proposals with envelopes requesting the official seal, please be patient while I pursue this. I am sorry for the delay.

I have received packets of proposals from the east and west for March and April so... on to business!

**In Service,
Sir Coda der Drachensohn von Rammstein
Fleur-de-lis King of Arms
Wappenkoening von Adria**
