

## AUGUST 2013

Unto Their Imperial Majesties, Their Royal Majesties, Their Graces, Their Excellencies, good nobles, ministers, and populace, do I, Sir Dorn das Schwarz Brause send greetings.

This is the Official Letter of Registration and Return for this month. We have processed 29 Arms this month of those none have been returned.

Out of the 6 Kingdoms, 3 Archduchies, 12 Duchies, and 14 Shires the following Territories sent in a report:

Kingdom of Stirling  
Kingdom of Terre Neuve  
Kingdom of York  
Duchy of Bisqaia  
Duchy of Cyprus  
Duchy of Tyr~lynn  
Duchy of Wolfendorf  
Shire of Altland  
Shire of Drachetor  
Shire of Malta  
Shire of Monaco

At the ICWNW I held a Roundtable discussion on Heraldry. During that discussion “marks of cadence” were brought up. In this LoRR there is a great example of persona development & the use of those marks. Well done.

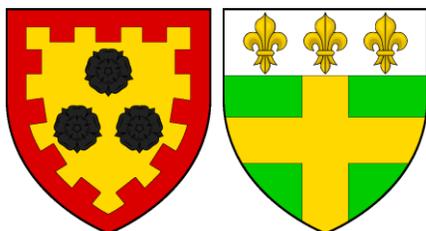

One of the responsibilities of a Minister of Arms is to report to the Imperial Ministers. There are many that do not fulfill this requirement. Some of these Chapters have not reported for more than six months. As such, per our rules the following are hereby reduced in Heraldic rank.

Reduced to Herald:

Esperance  
Pembroke  
Terre Nueve  
Umbria

Reduced to Pursivant:

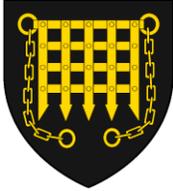

Albion  
Alhambra  
Aurochs Fjord  
Brandenburg  
Gloucester  
Roanoake

**Dorn das Schwarz Brause**  
*Fleur De Lis*
