RETURNED

Glynmore County Roskilde	This was rejected by the former ISOA in August 2017. It has been unaltered and resubmitted again this year. "Violation of rule of tincture IV.A, bordures are not an allowed exception under rule VII.B.2. (bordures are peripheral ordinaries) nor are they eligible for fimbriation under VII.B.2 (simple geometric charges and the simple ordinaries that have straight, non-complex lines)." Item 4. A Valknut is not a period charge and as such will not be registered. In addition, the Valknut has been appropriated in modern times by some white supremacists, particularly racist Odinists to use as a racist symbol. In Adria, we do not wish to have negative connotations associated with our group and by extension our heraldry that we put on display. We respectfully ask the County of Roskilde to choose a different symbol to represent their group moving forward as this one will not be allowed.
