OCTOBER 2021 LoRR

Greetings unto the populace of Adria!

I want to thank everyone that has waited so patiently for this to be published. I apologize for not having the time to properly address these quicker, but it became a mundane work priority over the position. I recognize that this is not the best situation, so I am resolving it with this publication. I no longer can serve as Imperial Sovereign of Arms and dedicate the proper amount of time that it entails, so I am passing the torch to
Dame Ashlynn O'Conner.

Dame Ashlynn has been familiarizing herself with our processes and getting to know our team. I have faith that she will be able to continue to help people in their quest to register their unique heraldry.

I will be forever grateful for my amazing team of heralds. Each and everyone of you has been selfless in providing your knowledge, donating your time, in the pursuit of promoting heraldry throughout our organization. Thank you so much for being there for me, and making my job so much more enjoyable.

ALL submission are to be sent directly through to the new ISOA please, myfoxco@gmail.com

If you do not receive a reply from me within 3 days acknowledging receipt, please check the address is correct and resend. Thank you.

In service,
Princess Gabriele Silverhand
Imperial Sovereign of Arms

WORTHIES

I have received several requests for members that have passed on to have them added to the Worthies of Adria. This is just official notice that the following people have been admitted: HG Dame JoClair Tonnesdottir (mka JoClair Longfellow) and HG Sir Philippe duBois Guilbert deMorte (mka Victor Grady).

I would like to include more about these two wonderful people, but there is not enough ink or paper in the world to do them justice. If you have not heard of these gentles, please ask around. Many a story will be told in their honour.

It is my hope that our new website will have pages dedicated to the memory of those that have gone ahead of us, so that we have a way to read about them, hear their stories, and know that our Empire exists because of their contributions and dedication.

HG DAME JOCLAIR TONNESDOTTIR

Dame Claire loved many things and many people. Her house was open to anyone who needed just about anything. Her passions in Adria were heraldry and pageantry. She worked tirelessly with anyone who asked her for help in creating and registering arms in Adria's College of Heralds. She spent hours creating banners, standards, favors and anything that would help enhance the experience and beauty of our hobby. Dame Claire was our Raven Queen of Arms. As the Sovereign of Arms of Terre Neuve, Dame Claire spent many hours working with her imperial counterparts helping to develop pleasing heraldic devices for the populace of more than one kingdom. The outpouring of support, thanks and well wishes we received after her passing were heartfelt and genuine. At the suggestion of more than one herald and former Imperial Sovereigns of Arms We do hereby elevate Dame Claire Tonnesdottir into the Order of Worthies of The Adrian Empire inc.

HG SIR PHILIPPE DUBOIS GUILBERT DEMORTE

HG Sir Philippe duBois Guilbert deMorte was a Count Royal of Umbria, Viscount of Ise de Morte, KCh, KPr and Knight in Arts, Baron of the Imperial Court, etc. was instrumental in the creation of Aragon and descending chapters as well as Isle de Mort (Cyprus, now Burgundy).

My sincere apologies to Prince William Baine. He had sent in more information, but due to technological difficulties I have been unable to retrieve it. I am hoping that it can be provided to the new website memorial pages.

Princess Gabriele Silverhand - OUT! 😊
