SIR KRISTOFFE KIXIK DRÄKHE RAMSEY
-MAY 2024-

UNTO ALL AND SINGULAR as well Nobles and Gentls to whom these letters shall come, Her Excellency/Capitan/Dame Ashlynn O'Conner, Member of the following Imperial Orders; Queen's Guard, Crown Companions; Imperial Baroness of the Court, Knight Bachelor, Knight Minister; Member and Capitan of Cathair Na Caille Order of the Crown Guard; Queen of Arms of the Realm and Empire of Adria send greetings.

A call has been heard throughout the Empire of Adria regarding the service of Sir Kristoffe Kixik Drakhe Ramsey late of the Kingdom of Umbria.

WHEREAS, anciently and from the beginning the valiant and virtuous acts of worthy persons have been commended to the world with sundry monuments and remembrances of their good deeds, amongst which the chief and most usual has been the bearing of Arms which are demonstrations of knightly virtues. So hath it been and yet is continually observed to the end that such persons as have done great service to their Country or Empire, either in war or in peace, may receive due honor in their lives and derive the same successively unto their posterity forever more.

WHEREUPON the passing of such an individual leaves an indelible mark upon the Empire and a void in the place where our loved one has been, We the duly delegated representatives of the College of Arms have made search and do find the service to the Empire of Adria and its subjects by Sir Kristoffe Kixik Drakhe Ramsey was exemplary.

THE NINE WORTHIES of history do shine as examples of honor, chivalry, courage, dedication, virtue, and valor. The Arms of the Worthies are forever held above all others as such examples and may be borne by hopefuls upon the field of honor until such time as the rights of an armiger are bestowed upon them.

FURTHERMORE with the Order of the Worthies of Adria being the only order created and recognized solely by the College of Arms of the Empire of Adria, We do hereby and herewith declare Sir Kristoffe Kixik Drakhe Ramsey a Premier Member of the Worthies of Adria.

TO HONOR Sir Kristoffe Kixik Drakhe Ramsey in perpetuity and by virtue of the power vested in me by the Empire of Adria, We hold the Arms of Sir Kristoffe Kixik Drakhe Ramsey being;

"Sable, a star Argent surmounted by a capital letter "K" Azure"

to be forever elevated and protected as "Worthy," to be borne by hopefuls upon the field of honor, should they have no registered arms of their own.

By Our hand, the 28th day of May 2024

In service,
-Ashlynn O'Conner-

Corrections

**Correcting December 2024 LORR for further Clafication on Return/Disallowed Section **

Returned & Disallowed			
Terre Neuve	March of Ides Estate-Device	Vert, a gauntlet fesswise Or sustaining a dagger bendwise Argent	

Recommendations:

- 1) If keeping arms, please change the March's name
- 2) If keeping the March's name please submit new arms that doesn't reference the death of Julius Caesar

Comments:

- There is clear intent that the March was created to mimic or represent a historical event.
- It represents a historical event: The Death of Julius Caesar
- Arms is passable as long as it's not associated with name's, dates, phrases-referring to, the Roman's involved of the historical event
- Doesn't Comply to (Section 1: Registration, III. OFFENSIVE AND PRESUMPTUOUS ARMORY) in [The Adrian Empire, Inc. Heraldry Manual 2016](#)
