FINAL NOTES

OCTOBER 2024

Working 3 years for The Adrian Empire has been an honor. It has been my pleasure to learn and grow as your Imperial Sovereign of Arms, and I would like to thank the amazing team of heralds, that have been along my side. Prince Eirc McKiver La Connard, Princess Etoile de Manchou, Their Imperial Majesties Sir Callon Bryn Corey and Chevalier Gabriele Silverhand for the opportunity and support. By learning what I can, and teaching what I know. I do hope that I have been able to inspire, and encourage all to take that first step into trying something new in creating heraldic visions.

Recently, we have created the newly updated Proposal for Grant of Arms, and the New Worthy Nomination forms, to help guide members in the future.

I would also like to thank everyone that has been waiting so patiently. All pending items have been shared with the incoming Imperial Sovereign of Arms, Sir Dimitry Ivanovich and Sir Michael the Sailor, as well as other Imperial Ministers involved.

Please allow these ministers the opportunity to address these items, for they are contributing more than their free time to be in service to the populace, and The Adrian Empire, itself. It's because I am so aware of this type of service, I have come to this resolve of "passing the torch". It's time to focus on the new roads that lie ahead, for my family and I.

While moving forward, please have all questions, and submissions sent to the ISOA email soa@adrianempire.org.

If you do not receive a reply within 3 days acknowledging the receipt, please check the address is correct and resend.

Forever Grateful, and Until Our Paths Meet Again, Take Care.

In Service,
-ASHLYNN O'CONNER-
