

Notice of Rebation of Arms: Allora McDonnon

BY ORDER OF THE IMPERIAL CROWN

TO ALL AND SINGULAR as well Nobles and Gentles as others to whom these presents shall come, Sir Nigel Seymour, Knight Premier and Baron, alias Fleur-de-Lis Principal Herald and King of Arms of the Realm and Empire of Adria sendeth greeting in our Lord God everlasting.

WHEREAS anciently from the beginning the valiant and virtuous acts of worthy persons have ben commended to the world with sundry monuments and remembrances of their good deserts, Amongst the which the chiefest and most usual has been the bearing of signs in shields called Arms which are curdent demonstrations of prowess and valor, which order as it was most prudently devised in the beginning to show and find in the hearts of men to the imitation of virtue and nobleness, Even so hath the same been and yet is continually observed to the end that such as have done commendable service to their Prince or Country either in war or peace may both receive due honour in their lives and derive the same successively unto their posterity for ever.

AND LIKEWISE OBSERVED that those who have been found unworthy and unvirtuous may lose their Priviledge of Arms according to our Laws by having such Arms being Rebated or Struck, depending upon the severity of the unnobleness, and it is the unpleasant duty of this Office to make known said occurrences.

AND BEING REQUIRED of Allora McDonnon of the March Where Dat Al Row in the Kingdom of Terre Neuve, that Pursuant to the decision of the duly-convened Court and Trial of the said Allora McDonnon and the sentence recommended by the Court and ratified by Their Imperial Majesties, all armorial bearings borne by the said Allora McDonnon are hereby REBATED.

WHEREUPON I have made search accordingly and do find that the armorial bearings assigned to the said Allora McDonnon are as follows: "Azure, a fess wavy between two sea-lions addorsed and two fish haurient respectant, tails entwined argent and a bordure argent semy of cinquefoils purpure", with a badge as follows: "Azure, two fish haurient respectant, tails entwined argent, and a bordure argent semy of cinquefoils purpure", and a second badge as follows: "Purpure, a griffin-headed and legless wyvern regardant argent within a bordure vert".

THUS BEING DECIDED, this Rebation shall become effective on 31 August, Anno Ludus xvj, being mmij in the Common Era, and shall remain in effect until 18 months after the date of the apology issued by the said Allora McDonnon as prescribed by the sentence issued by Their Imperial Majesties.

NOTICE IS HEREBY GIVEN that Armorial bearings that are Rebated may not be displayed by any person in any fashion. This includes Arms, Devices, and Badges, and all items upon which these bearings may be displayed, including tabards, banners, flags, belt favours, and other items. Be it also known that display of Rebated armorial bearings is a direct violation of Imperial Order and places the arms in jeopardy of being STRUCK. Anyone displaying Rebated armorial bearings, no matter who the owner of the bearings may be, may also be subject to judicial proceedings for violation of the Imperial Order.

THE WHICH SEVERAL ARMS AND BADGES, and every part and parcel thereof I the said Fleur-de-Lis King of Arms by power and authority unto my Office do ratify and confirm that the said Allora McDonnon, her family, vassals, and associates, or any other person, may not display the abovenamed Armorial bearings until the time of sentence is completed or rescinded by Imperial Order.

IN WITNESS WHEREOF I the said Fleur-de-Lis King of Arms have set hereunto my hand and seal of Office this the first day of October Anno Ludus xvj, being Anno Domini xxij and in the first year of the reign of our Sovereign Lady and Lord Meadb and Karl.
