

# Letter of Registration and Return

## August 2002

My lords and ladies,

I apologize that this Letter has taken so long. The College is now as up-to-date as possible and we have NO BACKLOG! (yay!)

Please be aware that effective Imperial Coronation 2002, I am resigning my office so that I may pursue other activities (like that pile of fabric that has been calling my name for six years.....). Sir Gregoire d'Avallon, currently Beltazure King of Arms, will be taking over the office as Fleur-de-Lis with the incoming Imperial administration. May God have mercy on his soul.

The updated Ordinary will be published in the next few days in .PDF format. This will include everything that has been registered up to this point. The updated Armorial will also be published at the same time. Local heralds are encouraged to keep a paper copy of the Armorial and Ordinary so that they can do conflict checking easily.

**Regional heralds:** in the next couple of weeks, you will receive an Excel spreadsheet with all the registered armory for your area. Please go over it carefully and note which arms belong to Estates that have gone defunct, which arms belong to people no longer living in your region, and which arms belong to individuals who no longer want them and would like to release. Also, since people's names may change over time, please go over the names so that the Imperial records will be updated.

Local heralds are responsible for making sure that their records match the Imperial records. If you notice a discrepancy, please notify me at once so that we can correct it.

Remember that there is a MANDATORY meeting for all regional heralds who will be attending the Imperial Crown War West. This meeting will discuss the changeover, as well as some new projects for the College to take on. Those who cannot attend the IWW will get a letter letting them know what happened at the meeting so that they don't miss out.

I will be doing consultations at IWW and will be taking submissions with appropriate paperwork.

In service,  
Sir Nigel Seymour  
Fleur-de-Lis King of Arms
