

Letter of Regestration and Return **November 2005**

Greeting's To all Chartered Subdivisions, Crowns and Minister's of Arms ,

Included in this LoRR is the Contact list for the Regional Deputies and which Chartered Subdivisions are assigned to them. Once Arms have been approved on a Local Level those who are required or wish registration should then submit to their Regional Deputy. This List does not necessarily represent Regional assignment set forth by the Empire. It is to maximize the efficiency of the regional while minimizing cost's to all parties. A few Subdivisions have been assigned directly to me until these offices are fully established at which time they will be assigned to the appropriate regional Deputy. Any issues or troubles in contacting or submitting Arms should be directed to me promptly or the Chief Imperial Deputies Sir Griffin Haldane for the East and southeast, Sir Guillaume Marchand du Fleur for the west. Though not apart of the official submission route, Sir Guillaume and Sir Griffin are back ups should any issues arise at the Regional Level or Local Level.

*Thank you,
Sir L'Bet'e deAcmd
