

Letter of Registration and Return **April 2006**

Greetings to the Empire of Adria and the College of Arms,

First and foremost I wish to apologize to the members of Terre Neuve. The College only works if the ministers who offer their service's fulfill there commitments and duties. To hear word of your device's status, some of you have waited 5 months for what has taken only 2 months at the most to accomplish. For those who have had their devices returned in this LoRR, I offer my personal attention should you require assistance. To Dame Claire, Raven Queen of Arms, I thank you for your commitment and dedication in resolving this issue.

In Service,
Sir L'Bet'e deAcmd
Imperial Sovereign of Arms
