

Letter of Registration and Return **December 2006**

Greetings all,

The Imperial Deputy Sovereigns of Arms inform me that only a couple of subdivisions provided reports this month.

It is very important for each seated Minister of Arms to report every month. If your report says "Nothing for December" or whatever month it is, that is still a perfectly valid and acceptable report.

As we move forward with the online armorial, auditing reports will be generated and provided to the crown of each subdivision. If your crown finds out that you didn't report for a given month, they might withhold your ministry point.

Look for the online armorial and College of Arms website to go live in January 2007.

Proposals were received this month for Cashel and Gloucester and a personal device was matriculated into Adria from the SCA. There are a few releases and transfers of arms from a defunct subdivision to a personal devices.

Wishing you all the best!

In Service,

Sir Coda Drachensohn von Rammstein,

Fleur-de-lys King of Arms

Wappenkoenig von Adria
