
ARE YOU SURE YOU WANT TO QUIT?

Adria recognizes that in any group, there may be personal conflicts that prevent some of its members from enjoying themselves. In such cases, we urge you to try and work it out. There are many avenues of conflict resolution - use them. Try everything before you resort to the drastic step of quitting.

I PAID MY MEMBERSHIP, BUT I WANT A REFUND.

Adria does not refund dues.

IF I CAN'T HAVE A REFUND, CAN I SELL MY MEMBERSHIP?

There is nothing in the bylaws to prevent you from selling your membership to someone else. The Adrian Empire is not a part of this private transaction.

CAN I TRANSFER MY MEMBERSHIP TO SOMEONE ELSE?

Yes. Both people (the person receiving the membership and the person transferring the membership) will need to fill out a membership form, and forward it to the Steward's Office, with an explanation of the transfer.

CAN I QUIT ADRIA?

Adria cannot prevent you from quitting.

HOW DO I QUIT?

You have two options. You may let your membership run out and not renew. In that case, you will be able to return to Adria in the future, and petition for reinstatement of any titles, awards, rank or heraldry you may have. The other option is to provide a letter to the Steward (who tracks memberships), and state your intent to leave Adria. At that point, you will be considered no longer a member, and your name will be removed from the Rolls, and any Estates you may belong to. If you wish, you may also state that you relinquish any titles, awards, ranks or heraldry. If you take this drastic step, Adria will comply with your wishes. If you choose to return to Adria at some future point, you will not be able to regain anything that you have relinquished.
