

Worthy Petition Form

WORTHIES OF ADRIA

At times there are members in the Empire whose deeds, character and contributions reach beyond the confines of local borders and touch the greater whole of the Empire in a positive way. When such members are taken from us it may be desired by those of the Empire to recognize the importance of such people who have graced our organization.

The following is the procedure for nomination of a Worthy candidate:

- A petition shall be submitted to the College of Arms from **three Knights** hailing from **three different Chapters**.
- The petition shall include the name of the candidate and the proposed arms to be made worthy.
- The petition shall include any and all reasons and or facts as to how the candidate has met the above example.

The College of Arms shall review the petition in consultation with other Imperial offices as it deems fit.

If the petition is approved for Worthy status, notification will be made in the next published Letter of Registration and Return issued by the Imperial Sovereign of Arms.
