

The Adrian Herald

December 1998

From the Imperial Throne

We bring you greetings and thanks from your Imperial Crowns. We have much to say, so we will get right to it.

First, we did pass the following Writ in order to clear up some misunderstandings regarding tournament wins.

Here it is:

Unto the Estates of the Adrian Empire and it's populace:

Here now Our voice as we Speak for it is Imperial:

Be it known throughout the lands of Adria that on this day the fourteenth of November in the Year nineteen hundred and ninety eight We do issued this most Lawful and Just Writ.

That no member of the Adrian Empire may gain more then one tourney win per month in the same list (ie. Knight's list combat) for the purpose of gaining rank in the knightly orders. The only exception to this rule shall be in the case of attending an Imperial Tournament in the same month as a Crown Tournament.

So Say We

***Stefanus Imperator
Tsar of all the Adrias***

What this means is that no member can gain more then one tourney win per knightly order per month. That means you can get one combat win and one arts win, but that's it. The Only exception will be if you attend an Imperial Tournament in that month.

Speaking of Imperial Tournaments, We will be hosting an Imperial Tournament in February. It will coincide with the Kingdom of Terre Nueve's feast of St Bella. It will be the Imperial Hearts and Honor Tournament and the Mistress if Ceremonies shall be Her Imperial Majesty Katayana Imperatrix, Tsarovna

of all the Adrias.

As you now, there was an Estates meeting in November. The Chancellor's Office should be finished with the minutes by the end of the month. Part of what was passed was an increase in dues. The basic membership will be increasing to \$30.00 a year. Additional Family memberships will be increasing to \$10.00 each, with a cap at \$70 per family. Six month memberships will increase to \$20.00 and \$7.50 respectively. As the Estates have given the right to the Imperial Crown to set the Price of Associate memberships on a case by case basis, We do hereby increase the Rates of all Associate memberships to \$10.00 each for a year. We expect all these increases to be in effect by January 1, 1999.

We will be sending out packets to all the Crown Heads containing all the updated manuals. This will include a new Heraldry manual, that We will put into place as a Crown Writ.

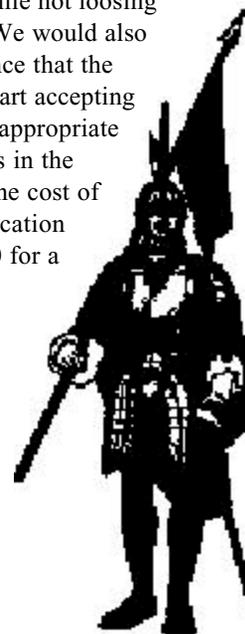

We wish to congratulate The Kingdoms of York and Umbria, which have both held successful Crown Wars. It makes US most glad to see these regions grow and attain their rightful place among the Sovereign Kingdoms of Adria. We do hereby issue challenge to the Duchies of Aragon and Tierra del Fuego, as you are both closest to attaining this lofty rank next.

We would like to thank everyone who traveled long and hard to attend our Coronation this weekend past. It moved us greatly to see so many from so many regions. Your many generous gifts to Us took us quite by surprise. We only pray that we may fulfill the confidence Ye have displayed in Us thus far. To Our government, we have a daunting task ahead, but with your hard work, We know We can achieve the lofty goals We have established. We especially wish to thank all the servers and cooks, you did your duties with style and grace.

To the Empire as a Whole, we have a

challenge too. Growth is what we all wish for. In Our younger days We made a statement about Growth which has followed Us to this day,' If everyone recruits just one person this year, we will double in size!'. Yes, even at the Imperial level, We will State the Obvious, for We do, after all live in Sunlit Shores of Terre Nueve. But this rather obvious statement illustrates just how simple significant growth can be. We challenge each and everyone out there to do this much, recruit just one new person this year. By doing what appears so easy, we can realize significant returns.

Finally, in the near future you will begin to see a change in this your newsletter. First of, the monthly newsletter will shrink, as it will be used primarily for important news and announcements. Each quarter we will then send out a much thicker newsletter. This will include educational information, Arts documentation, Stories and much more. In this way we hope to reduce the costs of mailing the newsletter. To that end, We are also looking at acquiring both a bulk mailing license as well a postage meter. In this way, we hope to further reduce the cost of producing this newsletter, while not loosing any quality. We would also like to announce that the Empire will start accepting donations for appropriate advertisements in the newsletter. The cost of monthly publication will be \$25.00 for a 1/4 page and \$10.00 for a business card or a message of 40 words or less. These donations should be sent to the P.O. Box,

with a check maid out to the Adrian Empire Inc. It is our hope to have the newsletter someday pay for itself.

On the Ether lands, the Official Adrian Empire Web Page as reopened at www.adrianempire.org. While the old one at www.adrianempire.nu still exists, it is the sole property of Jonathan Aylward, the views and opinions on that page do not necessarily reflect those of The Adrian Empire Inc. All Official news and manuals will be posted to the Official Page at www.adrianempire.org.

We wish all of Our Subjects a most wonderful Holiday Season, for whatever Holiday Ye choose to celebrate, and may good luck and fortune follow all of us in the coming months.

Stefanus Imperator
Tsar of all the Adrias

Annelynnrose

All is fine here but it is getting colder now, the local parks have shut down the privies so practices and crown events will be moved back to my house. Call or Email for details and directions (ShireofALR@aol.com).

We bid a temporary farewell to Lothar Kirintor for he has joined up with a nautical group and will be gone for a time. We will miss you Lothar and hope to see you when you get the chance.

Three of our Households have joined together and formed The Barony of Avatara, the Baron will be Sire Squire Alric Kirintor. Vivant Baron Kirintor. We would also like to send out congratulations to Liliana MacCarrick for squiring to HRG Dame Shelaine, and to Baron Alric Kirintor for squiring to HRG Sir Andru. We are getting ready for a border war with Isenwold and hopefully will bring back our first war win.

Good Luck everyone....

Congratulations go out to all the new crowns out there...may you reign long, successfully, and peacefully.

In Service to The Dream
HRG Dame Shel

Aragon

Greetings Unto the Populace of Adria,

Our heartiest thanks to all those who worked so hard to make the Age of Chivalry Renaissance Faire a huge success for the Duchy. Vivat!

Once again Aragon shines, a great encampment, good fighting, archery for the masses, a lot of information passed unto the Public (Medieval times in general, Aragon in particular), fun, friendship (new and old), and superb effort by the beer meisters to keep the brews flowing (no final figure as of Oct. 20).

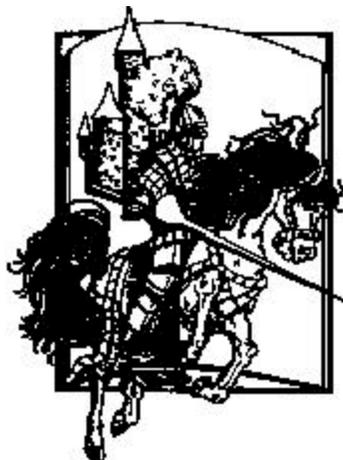

Our further thanks to our guests from far off Terra Neuve (nice scar Your Majesty), Esperance and Umbria added to the fun and joy of the weekend with their work, fellowship and grand senses of humor.

We hope everyone had some fun in the midst of all the work. To thank all those who contributed is to thank all who attended and here we so do. Many thanks.

In Service the Dream,
Lord and Lady Protector of Aragon, Earl Sir Winfred and Comtessa Lady Dame Anginette

Announcements

The Duchy of Aragon is proud to announce the elevation of the Lord and Lady Protector of Aragon, His Grace Sir Winfred Lord Randall Llewellyn Ap Alyson, and Her Grace Comtessa Lady Dame Anginette Mesalyne Theresa dela Fouche Alyson to Arch Duke and Arch Duchess of Aragon. Vivat!

Dragon's Mist

On Saturday, October 24th, Dragon's Mist held an event at the beautiful White Point Gardens. Not only did the day turn out to be sunny, but we had many visitors as well asking questions about Adria. Court began at 10 a.m. and the tourneys started shortly after that with Baron Aeryn Drake as the Crown Marshall. The victor of the Champion's Battle was Makalin Van Broch. Not only was he victorious in Champion's Battle, but he won the Renn Tourney, too. Vivat, Makalin!!

Dragon's Mist has NEWLYWED'S in our presence. We were every excited to see that Makalin Van Broch won the heart of the lovely Vixen McClune. They were wed on November 7th--HUZZAH!!!!

Hear ye, Hear ye.....a medieval fly swatter is needed. Would anyone have any ideas for this? Hurry, please, I keep getting pestered by these bugs!!

HRG Lady Baronette Maria Elenie de Mytilene
Lady of the Empire
Imperial Eastern Magistrate

Isenwold

Greetings unto the Empire from the Shire of Isenwold,

This month finds us undergoing many enjoyable changes to our small happy little group.

This months crown event was spent in Oklahoma on Halloween with the wonderful people of the Shire of Aldora. Great fun was had by all.

Also in attendance were representatives of the Duchy of Annelynnrose.

The best part of this months missive is that we are becoming a duchy. At this coming "Border War" we hope to crown our first Duc (or is that Duck, you never know with these people in the sticks). We are hoping that this first Midwest war jointly run by both Annelynnrose and Isenwold will be a huge success. We are expecting many people to participate as well as a knighting or two.

In Service to the Dream.

Sangrael

Greetings! As we begin racing into the holiday season, I shall warn you all now, December's newsletter might get a little lost in the rush of the times! There, nuff said. Onward!

Our November event was small, but full of sword play and arrows. The Dionnes won the day, Sir Gwydion taking Ren and Lady Dame Isabeau managing to break a tie in archery with her squire, Jamie Mac Donald and winning the Archery by an inch! (Literally, an inch!) It was a fun day and surprisingly busy, despite that there were no arts entries.

WAR: There will be war in Sangreal. Lady Dame Isabeau has decided to challenge for the throne. Her opponent is still up in the air; Sir Caspain may have stepped aside in lieu of Sir Carl challenging instead.

Rules; there ARE no rules---Just kidding. Rules are true to the by-laws. We hope to have a good turnout. The war is winner takes the throne, loser goes home and thinks of revolution. Come on down and play. The war begins Friday night with the Feast. Bardics and food can be judged, then on the next day, Dec 5th, at the war. Time is 11:00 a.m.. Time table will have to be strict as there is much activity happening this weekend for many of us.

NEWS: As some of you know, our senate meeting was held the second weekend of November. Word is, it was long, tedious and accomplished little on the agenda. Except for one thing. Membership rates are going up. I do not know the exact date this will be effective as yet because there will be a follow-up meeting held in January to try and finish the rest of the agenda. Then it has to be published for the masses, etc. The rate increase has to do with insurance rates charged to the empire. If you are truly curious, talk to our current Duchess who sat through the entire meeting (Kudos to her!).

Upcoming Events: December 4-5: Yule Feast and Ducal War. The Yule Feast will be Friday night. This year, the feast will be held at the Bethany Lutheran Church in Norco. This is a large hall with a full kitchen. We will be able to have dancing and Bardics! We are very excited about this site. Pastor Sharon is also excited to

have us. The site is dry;no liquor. But Sangreal has proven time and again, ya don't need wine to have a good time! The Bethany Lutheran Church is located at 1609 Hamner Ave.

If you are coming from Riverside or Temecula or Corona, take the 15 freeway toward Norco. Get off on Yuma, the new exit for the Target shopping center. Make a Right at the light onto Hammner. You will go through two lights. The second light is 1st Street. You will crest a hill. The Church is at the Bottom of the hill on the right hand side. There will be plenty of parking. We will be in their recreation hall.

If you are coming from Upland, Ontario or there abouts, take the 15 freeway to Yuma. And then follow the above directions.

Fee is \$5.00 per person, children under 13 are \$2.50. Last year's feast was a huge success.

Food entries and Bardics for the war can be judged at this time. The war will be Saturday the 5th. And from this war on, our wars become yearly, with the coronation feasts in January so that our leaders rule for a full calendar year.

Anyone who would like to volunteer to help with the feast, please notify Susan or Dawn
RSVPs must be made by November 30. Also, if you would like to help with set-up, give one of those numbers a call. We would like decorations (we will give those back) for the tables, etc. Menu will be similar to last year with our focus on desserts.

Please bring your own eating utensils and if you don't like spiced cider, something you prefer to drink.

MENU: Beastie-Coo in a Trencher, Irish Diddle, Stuffed Acorn Squash, Spiced Cider, and lots of homemade desserts.

Warning: Bring a big appetite. No one left the table wanting last year. Wear comfortable, but NICE clothing. This is our one main fancy event and dress must accommodate this. And please, if you are going to attend, please inform us post haste. We do not wish to kill a bigger Beastie-Coo, than we have to!

January Event: January 2 at Summer

Lake Park. This will see the coronation of our new ruler.

Fighter Practices are the first and third Thursdays of the month. They are smaller now, with major traveling involved for many of us. The first practice at Casa de Parsley was a huge success! Thanks to all who came and played and ate chicken nuggets!

And to all of you in Sangreal, I wish you a Happy Thanksgiving. May Joy shine down upon you and your households and may your reasons for giving thanks be many.

Play safe and mind your Dragons!

Umbria

Greetings to the Populace of Adria in General and the Populace of Umbria in Particular.

We attended the Imperial Coronation Feast and want to express Our warmest gratitude to Her Imperial Majesty Katyana and His Imperial Majesty Stefan for their hospitality, the extraordinary victuals and the impeccable service.

We would like to thank Princess Isabeau, Princess Dorothea, and Lord Nigel for gracing Our Coronation Feast with their presence. I hope all of you enjoyed your visit to Umbria as much as We enjoyed having you here.

Special thanks to Lord Nigel for running the ceremony. All of Umbria is very grateful for your participation and prowess.

Saturday, December 19th will be the Kingdom Tourney at Cactus Park, 39th Ave and Cactus Rd, Phoenix. Opening Court will begin promptly at 10am. Please be aware that, as a matter of courtesy, events in Umbria start on time.

There will be a Collegium on Persona Development at the Tourney. We'll be working on names, personal histories and other ways of fleshing out your persona! Have more fun interacting with others!

The Kingdom of Umbria has monthly Estates meetings, which are at Noon each Crown Tourney. Expenses and other issues can be addressed at these brief, open gatherings.

Anyone interested in archery within Umbria should contact Sir Cameron Kilshannig, Waylon of Winchester, Drakona, or Toma. All of these fine folk are forming an Archer's Guild and want to encourage archery events, both at Tourneys and elsewhere.

The Kingdom has two new Guilds to help address and discuss issues within their area of expertise: The Warrior's Guild is chartered to deal with combat topics including armor standards, acknowledging blows, strength of blows, training, certification, new weapons and armor, etc. The Guild provides recommendations to the Minister of War & Joust, Crown Marshals, the Estates and the Crowns.

The Artisan's Guild is chartered to

discuss judging, documentation requirements and standards, tips and techniques, etc. The Guild provides recommendations to the Arts & Sciences Minister, the Estates and the Crowns. Membership in these Guilds is open to all interested Umbrians.

Knight's Councils: In Umbria, any Knight may call a Knight's Council to discuss an issue of concern. Knights are responsible for providing guidance to the populace and the Crowns. They are the guardians of tradition and custom within our Kingdom.

Resolving Disputes: As in any organization, disputes between persons can arise. The best way to handle them is privately, person-to-person. If that is not possible, use the following method: Ask a Knight to act as your Knight Advocate to address your grievance with the other person or that person's Knight Advocate. The two Knight Advocates should work together to help resolve the dispute. If no informal resolution can be agreed to by the two persons, the dispute should then be handled with a formal court appropriate to the nature of the charges and the persons involved. If the aggrieved person is not willing to call for a court, the matter is then considered closed and not discussed further. Let it be known that the Crowns of Umbria will view further discussion of a closed grievance as Disrupting the Harmony of the Game and possibly Conduct Unbecoming a Knight. Neither of these concepts have been heretofore defined. We are now providing the first definition of them in describing both a simple method of resolving disputes as well as consequences for not doing so. We hope that this helps improve dialog between all Umbrians and allows them to further enjoy each other's company and our Kingdom. We all have much to offer each other and to learn from each other.

Cantons: We encourage the expansion of Umbria by providing simple rules for the formation and continuing existence of Cantons. Anyone interested in establishing a Canton is welcome to do so, providing they understand the following: The first Canton event is 'free', meaning that there are no minimum requirements. All subsequent Canton events must have at least one combat tourney and one arts tourney (minimum 4 entries in each) to be

considered successful. An unsuccessful Canton tourney puts the Canton's existence in jeopardy. A second unsuccessful Canton tourney will result in the Canton's dissolution. Harsh? No, not really! Cantons are risky ventures, as were the historical Viceroyalties they represent. Also, Canton events need not be every month. They can be whenever the Viceroy wishes (with 30 days notice, of course). However, Ministry points for the Viceroy and Canton Ministers are only earned at Canton tourneys (successful or not). If you are interested in forming a Canton, contact the Crowns.

On December 4th, the four early music specialists of Musica Dolce will be joined by five wonderful vocalists of the Phoenix Chamber Singers at a concert of Medieval and Renaissance music at Kerr Cultural Center, 6110 N Scottsdale Rd. The concert is \$16 and starts at 8pm with a lecture/discussion at 7pm. All Umbrians are welcome to attend. Call 965-KERR for tickets. This is part of the Phoenix Early Music Society's Olde Musicke Series.

Finally, We would like to thank Sir Angus and Dame Diana for their fine work in running the Duchy of Umbria: Guiding, nurturing and leading the Duchy to become the Kingdom it now is. Both of you are worthy of great praise and We thank you for the generous gifts of your time and energy to Umbria.

In Service to Umbria,
Rowan O'Riley, Queen of Umbria
Duriel van Hansard, King of Umbria

To Umbria

Greetings unto the populace of Umbria,

As your Duc and Duchess our reign is at an end. That is the way of things and the way it should be. We have watched this region grow and give birth to a kingdom. It has been an experience neither of us will forget. It has been a reign of challenge. The time is now upon us to take responsibility for the Kingdom we have created.

As we retire we simply offer congratulations to each and every one who received awards or gained rank within the populace. You all have worked hard and you can be proud of your accomplishments. To those of you

who are on there way to whatever goals you have set for yourselves we offer encouragement, even if you have not attained your goal just yet . Working toward an end is what makes regions grow . Without that growth comes stagnation.

We would like to extend a heartfelt "Thank you" to all of the ministers who have served faithfully during our reign . You are the people who keep this game moving . Without you tournaments would not happen, rolls would be lost, questions would go unanswered, heraldry would not get completed, there would be no Mug to keep us informed, crowns would not be guarded and there would be no one to put bandages on smacked knuckles . Again, to each and every minister, and their deputies, thank you.

Our hope is that Dame Roawyn and Sir Duriel will enjoy the year ahead . We wish them well . We offered our support at our Kingdom war and will continue to support them as the year progresses .

Remember that we engage in this game for fun . If we can all remember that we will reap exactly what we sow in this game we can make this the region that every other region tries to emulate .

In fond adieu we will always remain,

Lord Sir Angus I
Lady Dame Diana I
Last Duc and Duchess of Umbria

As the Coronation of Sir Duriel and Dame Roawyn occurred on November 21st, the new list of Ministers was not available for publishing, but will be corrected next month in the Herald.

Our web site still in the process of rebirth, so all links to it still do not work.. When it is settled and back in operation, we will notify the Populace and the Imperial Webmaster. Please continue to be patient.

Bidding all a good morrow,
Respectfully,

Lord Sir James the Red (BABY KNIGHT!)

About The Newsletter

I am Dame Rose of Aberlone, Duchy of Aragon. I am the new Editor of the Adrian Herald. I am uncomfortable with the title "Imperial Chronicler", because I do little more than edit, spell check and forward submissions to Lady de Como. I recognize her and her husband for all their efforts. They are responsible for the layout, publication and distribution of the Imperial Newsletter. Note, they are not responsible for the accuracy of the address labels.

If you are a Participating Member and you have not received a copy of the Imperial Newsletter, or you know of someone who is a Participating Member and has not received their Newsletter, please follow this process. First step, contact your Steward to insure that your information is recorded accurately in your region. Second step, ask your Steward to contact the Imperial Steward to insure that your information is recorded accurately at the Imperial Level.

For submissions, you will be seeing some changes in the content of the Adrian Herald. It is my intent this year to increase the percentage of informational

content: "How to" articles, recipes, music, songs, book reviews, bibliographies, and historical notes. However, I cannot do this alone. I need submissions. Please contact me at dreye@lvdi.net

If you have news from your region please keep your submissions coming! It is important. Please use the same information indicated above to contact me. However, I want to start limiting the contact numbers to two per region, with the complete information appearing quarterly.

ALL submissions MUST be received by the twentieth of each month. Any submissions received after the twentieth will appear in two months! For example, all submissions for this issue were due no later than November 20. Any submissions received after that date will appear in the January issue!

If you have any questions or comments please contact me.

At Your Service,
Dame Rose

For on that day a true knight he
would be.*

*Sir Traxx his squire belt and white
robes removed,
The belt of a knight was cinched
round his waist.
With chivalry and dedication proved,
Two symbolic spurs on his boots
were placed.*

*With love Sir Cullen his own sword
did give,
Hanging it at the squire's kilted side.
Three taps of a sword showed how
he would live,
As "Hip, hip, huzzah!" the proud
court thrice cried.*

*The man once known as squire Iain
was gone,
And in his place stood the brave
knight, Sir John.-----*
