Candidates Letters

The following letters of intent to run were submitted to the Imperial Chancellors office. The candidates' fitness to run for Imperial Crown is reviewed and determined at the July Imperial Estates Meeting. The results will be published in the August Adrian Herald issue.

~~~~~

Unto the Lady High Chancellor Sir Angus sends greetings.

On this 21st day of May in the year of our Lord, two thousand and one I Sir Angus Kilshannig MacAllister do declare my intention to run for the Imperial Throne of the Adrian Empire.

I am a Viscount of Umbria and a Knight Civil, and have held almost all Ministry positions possible at the Royal level. I am a Member in good standing with no charges pending at either the local or Imperial level.

These words I do send,  
Angus Kilshannig MacAllister  
Knight Civil, Knight Bachelor  
Viscount of Umbria  
Court Baron of the Empire  
Bishop of Aberdeen

~~~~~

Sir Karl von Katzberg and Dame Maedb Hawkins of the Drakonja do hereby announce our candidacy for the Imperial Crowns of the Empire of Adria, both being members in good standing and eligible by dint of our station. If elevated to the Throne it is our intent to rule as co-rulers with equal status; Dame Maedb will act as President and Sir Karl will act as Vice President. We represent very different positions concerning Adria, but have always respected one another and work well as a team. And as a team, we can and will offer dedication, diversity, and even-handed government.

I, Sir Karl, have served 18 months as Archduke of Terre del Fuego and

have been voted Viscount upon retirement. I have extensive experience with the workings of the Imperial government having served as Imperial Justicar (Nov. 98 to June 99), Imperial Chancellor (June 99 to Jan. 01), and as Justicar and Vice Chancellor (Jan. 01 to present). I have attended all Imperial Estates meetings since July 97 and have prepared all of the Imperial Estates Agendas since July 98, as well as chairing 4 Imperial Estates meetings. I humbly submit that I am learned in the Law and have written many rulings that have stood the test of

time and have been incorporated into the Law. I have had the great honor to have been the first Knight in the Empire to attain knighthood in all 4 disciplines: Ministry (K-2), Combat (K-2), Arts (K-1), and Archery (K-1).

I, Dame Maedb, have been an active member of Adria since 1996. I have served as Minister of Arts and Science locally (1998) and Imperially (1999 as deputy). I have also served as Queen of Esperance (2000). I am both a Knight Robe and a Knight Civil, and am working on the discipline of archery. I have been involved in many projects, including the rewriting of the arts manual, and rewriting the bylaws (to reflect the numerous changes the Estates have made).

submitted by,
Sir Karl & Dame Maedb

~~~~~

Dear Dame Katherine your Imperial Highness:

Dear Imperial Chancellor Dame Katherine Marshall I Dame Roawyn O'Riley would like to herewith submit myself for the Imperial thrones this year of our lord Two thousand and one. I have spoken of this with the Kingdom of Umbria and they do say that they will give me the support to do this job by my lonesome. I think it can be done.

I thank you for your time.  
In love with the Dream  
Dame Roawyn O'Riley

### Greetings from York

The Kingdom of York has had an extremely active six months since I took over the position of Chronicler. We greeted the new year with new royals, His Royal Highness Sir Elric Meladius and his Queen Consort Baroness Skye O'Malley Meladius (who, by the time of this publication will have had her own knighting.)

Our populace traveled far and near to attended many faires in our realm. The first excursion was to the Ft. Meyer's Medieval Faire. Our own Sir Alaric Thorne played a leading role in the faire's storyline, that of William the Conqueror. Huzzah should also go to Sir Alaric for his efforts in securing our encampment at the fair. Our second fair was the South Florida Renaissance Festival. Tremendous effort was put into creating and running our encampment by Sir Wright Bentwood and Ferganganym. Special notice should go to the men of our group who made an excellent showing as King Henry the VIII's Royal Guardsmen. Right after the South Florida Festival, several of our numbers traveled to the upper end of the realm for the North Florida Renaissance Festival. In addition to the King's Guards, a Huzzah should go out to Baroness Dame Gabrielle Loude for taking over the part of Lady Jane Parker in the Royal Wedding Scenes.

Our own crown events were just as productive. There were many knightings this spring and the formations of many Estates. We have two new Cantons. Lancaster will be based out of the Tampa Bay area with the Viceriense Cerridwyn. Canton Yorkshore will fill the longstanding void in Ft. Lauderdale between our capital city and Canton South Shore. Its Viceroy will be Sir Wright Bentwood. It should also be noted that two marches were formed in York this year. Marquis Sir Killian Oakesblood and Marquessa Dame Josephine Oakesblood head the new March of Tir De Righ. The March of Mercia is lead by Marquis Sir Olav Ye Wright and Marquesse Dame Etaine Llywelyn. There is also a new County under the March of Mercia. Countess Ana Llywelyn guides the County Phoenix.

After a peaceful quiet April event, our May event exploded with the announcement of the second annual Merc Fun War.

This year our crazy and wild Mercenaries decided to declare war on me. Well actually they declared war on my mundane self, Erin. Poor little, sweet, innocent me. I have to say that I was shocked but took up the gauntlet. As of this writing the war is a week away but both sides have already put in a great deal of effort to make the war fun and interesting.

The end of May saw the East Coast Banner War. I'm proud to announce that York brought home the banner yet again. Huzzah to all whom traveled outside our realm to represent our populace.

We are looking forward to seeing everyone at the Imperial Estate Meeting and Feast, which is coming up fast. Huzzah to the efforts of HRM Sir Elric Meladius, Comtessa Dame Brejenne Cunningham, Marquis Olav Ye Wright, and Countess Ana Llywelyn for the meeting, feast and entertainment respectively

submitted by Chronicler Bridgett O'Flaherty

### Greetings from Umbria

On June 2, 2001, the goode populace of Umbria gathered on the field of Honour to fight for a new Crown. As the day faded into night, we waited for the results. Night had fallen when, finally, our new King and Queen ascended the Thrones. All hail Their Royal Majesties, Sir Philippe De Bois Guilbert and Dame Justina Maria Murella, King and Queen of Umbria!

A Coronation Feast and Celebration will be held to honor Their Majesties. The Feast will be held July 7 at the King's Manor House, Dalcross Castle. The fee will be \$15 for adults, \$7 for children ages 10-16, under 10, free. Please contact Dame Kate MacPherson (armour\_thunder\_mom@yahoo.com) or TRM's for more information, directions, or to RSVP.

His Royal Majesty has been heard to make a number of predictions of late. While we are mystified at his ability to

see into the future, who would dare question the truth of His words? His latest is by far the most bizarre... "I predict in the future people will start clubs to re-enact Our time period. Some will use sticks for pretend weapons, others will use real steel swords. They will have catchy phrases like: 'It's just a game! Why can't we all just get along?' and 'Shhh there's a War going on!!!!!!' And they will have words that protect them from sword cuts... 'Clothier'."

We are most pleased to announce that the allied Armies of Umbria and Aragon have brought the Banner back to its rightful desert home. We anticipate that 2002 Western Banner War will be back in Umbria! Huzzah!

The Umbrian Colony of Trinacria is bringing international renown to the Adrian Empire. They were recently spotlighted in "Stars and Stripes." Please visit the Kingdom of Umbria website ([www.kingdomofumbria.org](http://www.kingdomofumbria.org)) to view a .pdf copy of the article. Huzzah and well done to Viceroy Sir Ivan the Forsaken, Vicerine Lady Polgara and the populace of Trinacria for all their hard work!

submitted by Dame Aislyne, Royal Chronicler, Umbria

## Greetings from Aragon

May was a very good month for our Kingdom. We saw the long awaited return of large-scale demonstrations. Two demos held at the Regal Colonnade Movie Theater for "A Knights Tale" and "Shrek". Both were extremely successful.

The May 19 Crown Event saw the recognition of the new Kingdom Champions: Archery, Squire Jareth; Shinai, Squire Ivan; Ren, Sir Eduardo; Steel, Sir William Baine; and, Dame Aleigha won the Arts. Congratulations to you all! These Champions carry the Kingdom Favors until formally challenged and defeated. You may challenge the holder for the right to bear the favor 30 days in advance and the contest will take place after the normal tournament for the specified category. Arts will be conducted according to the Minister of Arts. If there are any other questions on this please contact Me, the appropriate Ministers, and the autocrat in charge.

Banner War was another success for Aragon. After a long negotiation we made alliances with the Kingdom of Umbria and won the event. Our negotiation with Umbria will allow us to maintain the Banner except for Umbria's three main

events: their Crown War and formal Coronation this month and, in the month of November for their Renaissance fair.

Saturday, June 2, we participated in the Umbrian Crown War. Members of Aragon were on hand to assist our friends of the Desert with their event. When all was done Umbria crowned its New Sovereigns, Sir Phillippe and Dame Justina. Vivat to the new Crowns.

Thanks to the Manager of the Theater, we enjoyed part of June's Crown Event in air-conditioned comfort for the opening of "Tomb Raider". We also enjoyed the huge mundane crowds and attention. Thank you to everyone who attended and congratulations to the following winners: Daniel won the Bowman's List; Sir Jean Marc Fontenay won the Huntsman's List and a Knight's Win in the Arts; Captain Callam won in Shinai; I won the Knights' Ren List; and, Sir William Baine won Knights' Steel.

All is moving well in Our Fair Kingdom.  
Congratulations to you all for jobs well done!  
HRM Gwyllum DuDrane I  
Rex Aragon

"That day the English archers  
brought great advantage to their side...  
it was by their shooting the day  
was won and the Genoese were turned  
back... the English held the field... they  
made great fires and lit torches, for the  
night was dark. King Edward came  
towards the Prince his son, and kissed  
him. "My fine son", he said, "you are  
indeed my son". There were many fine  
sons who slept that night".
