MARCH 2011

Empress Cocah Anatolii  
Emperor Hawthorn de Tallyrand-Perigord

Greetings to the Most Noble Adrian Empire.

The Empire is strong and growing, and with that we proudly announce the creation of the Shire of Lancaster based in Carolinas and the Shire of Carn Mor Dearg based in Georgia. We also wish to announce the elevation of the shire of Brunico to the Duchy of Brunico and elevation of the Duchy of Bisqaia to the Archduchy of Bisqaia.

We give thanks to all whose hard work and sweat have grown and expanded the Empire.

We also wish to thank all those who attended the March 2011 meeting of the Imperial Estates General. A special thanks to the meeting autocrat Prince L'Bete' de Acmd. And also our Lord Chancellor His Grace Sir Polonius Fiend and his assistants Sir Drake Morcar and Squire Cormock O'Michael, for making a smooth (as smooth as an IEM can be) meeting.

A following Crown Writ was enacted this past meeting, as follows;

'Be it known to all that We, Hawthorn de Tallyrand-Perigord and Cocah Anatolii, Emperor and Empress of all Adria, do hereby issue and make effective the following Crown Writ as announced at the Imperial Estates Meeting on March 26, 2011.

All Old Business agenda item rewrites are to be resubmitted as New Business.'

*Their Majesties continued*

The following are some highlights from the Imperial Crown Report read at the March meeting;

We have had three focused goals this year.

We wished for an update of the appearance of the AdrianEmpire.org website. We are happy to say we have received generally good reviews of the site so far, and would like all to remember that the site is still being worked upon and updated. Our end goal is to make a site which is more media rich, and new member friendly. We wish to thank Sir Terrin Greyphis for his work so far on the site, and to happily announce Sir Waldham's return as well.

We will be continuing work on the Imperial Stewards office. This work is less evident than the website updates, but is sorely needed. Much like a fine instrument, the Imperial Stewards office needs to be fine tuned to play at its best for our current and future needs.

We would also like to announce the planned Adrian Empire 25th Anniversary book. This shall be a book offered for sale to members of the Empire and shall consist of articles, photos, and stories from our rich history. We are looking for those who would be interested in assisting on this project. More announcements are to come.

We also have the pleasure of announcing the creation of the Imperial Order of the Maestro. A combat oriented Imperial Order dedicated to the pursuit and study of rapier fighting. We would like to solicit help from the various regions, and are seeking 'leaders' to help spearhead this order around the Empire. More will be forthcoming on this as well.

Also at the March meeting We had the honor and pleasure of knighting Dame Evelyn Taliaferro in her 3<sup>rd</sup> level of Arts. Congratulations to Dame Evelyn, Knight Doctor.

Lastly we have a breakdown of the upcoming Imperial Events with their locations;

## *News of Somerset*

February found Somerset holding its event at the Peabody Public Library in Columbia City, IN. It was a smaller event but was still very enjoyable. HG Dame Halldora Egilsdotter was in attendance. The weather cooperated enough for fighting to be held on the patio, though it was still too cold to hold archery. Inside members worked on various projects and met and greeted members of the public. Feast was wonderful, with many thanks to Uilliam MacRath for stepping up to run feast.

March was a duel event hosted with the SCA Shire of Afonlyn, in Muncie, IN. HG Don Sebastian wrote the following about the event:

My dear friends,

I am happy to report that the March event was very successful. It was great to get to know the wonderful members of the Shire of Afonlyn. HE Dame Constance led a class on the Adrian feudal system. HE Don Miguel led a combat demo along with the assistance of Oolf Grim and Galif. As well, I taught a class on Adrian heraldry for non-Adrians. With a delicious meal provided by Their Excellencies Don Miguel and Sir Marcus, and a round of dancing led by Ulliam and Lady Solveig of the Shire of Afonlyn, the day ended as well as it began.

I want to offer my thanks to the members of Somerset who were able to join us, and let those who were unable to be there know that you were missed. We look forward to seeing everyone again at the April war, where we may be joined by many members of Afonlyn as well. Having our new friends join us will be a great addition to the event, and allow us all to get to know one another more.

In Service,

Duke Sebastian

April will be our annual war, again held at the Peabody Library.

*News of Connacht*

News from Connacht...

For the Month of February the Duchy of Connacht had plans to hold a feast and demo in conjunction with the Oyama Community Club; Unfortunately the feast had to be cancelled but the Demo went on regardless. In true Connacht fashion we were able to show the Community of Oyama what it's like to be in the Adrian Empire. Did I mention we made front page of the Lake Country Calendar! Great job to Connacht! A Little later in the month we had a last minute demo offer at a local High School and took the opportunity to demonstrate some Combat for Fulton High. On March 19th 2011 Squire Melora will be autocrating Neverwinter Knights, A day full of Tournaments of Arts & Science, Archery and Combat. Later in the evening Squire Ormr Raizer will be our Feastocrat and treat the people of Connacht with a feast with dishes taken from a Cookbook made for a King.

Yours in service...

## *News of Lancaster*

### News from Lancaster

Unto the Empire do we, the members of the Shire of Lancaster, send greetings! We were granted our Charter by Their Imperial Majesties in February and held our premier event in the town of Fort Mill, SC on February 26th, 2009. Our core members are Sir Terrin Greyphis, Dame Lenora Greyphis, Sir Knighthawk de le Treson, Dame Ariana de le Treson and Dame Sapphire Jade.

We worked very closely with the Imperial Sovereign of Arms and have had our arms approved. We also have established our web presence on Facebook. Please come

see us at Shire of Lancaster on Facebook!

At our event, we took two new memberships, had two guests come to check out to see what we had to offer all members of the shire interacted with many people from the local towns who came to the park with their children who were very excited about us being in Fort Mill.

We were able to hold a rapier tournament comprised of four people of which Sir Terrin Greyphis was the victor. We also held an Archery tournament at an offsite location of which we had 6 archers attend and shoot. Sir Terrin Greyphis was also the victor on the field of Archery.

Because the month of March was deemed to be too busy for our membership, our next event will be held on April 2nd, 2010.

We look forward to growing and showing the states of North and South Carolina what the Adrian Empire is all about.

In Service to the Adrian Empire,

Dame Lenora and Sir Terrin, Vicroys of the Shire of Lancaster
