Emperor Hawthorn de Tallyrand-Perigord

Unto the Most Noble Adrian Empire,

Greetings to the Empire. We stand here a few weeks after the 2011 Imperial Crown War, and hope that all that attended the various war sites enjoyed themselves.

We wish to take this time to thank all those that assisted in the running of the War. We wish to also specifically thank all those that assisted into the late hours at the South East War site, judging arts by lantern and car head-light.

We also congratulate Their Imperial Highness's, Dame Etaine Llwyn and Sir Thomas Weimar. May their reign be a peaceful and productive one.

As Our reign nears end, We wish to take this time to thank all of Our ministers. Without Our ministers, We would not have had such a productive year. Each and every one has served Us well, and has Our most sincere thanks.

Lastly We wish to point out that two months past renewal period, the Empire stands at over 1050 members. This is a fact everyone should be proud of. We hope to see the Empire grow beyond the numbers we saw last year.

*Adrian Anniversary book*

Greetings to the Noble and Great Adrian Empire,

The Adrian Empire 25th Anniversary Book

Cost \$25 per book (This includes shipping if necessary). An order form can be found at [www.adrianempire.org](http://www.adrianempire.org) and on the Adrian Empire egroup.

This book will be an 80 page history of The Adrian Empire from its inception through the present. Pages will be filled with full color photos, stories and memories of the past 25 years of our organization. It will include a timeline of our growth, history of our organization and memories of friends no longer with us.

Deadline to guarantee a copy will be November 1st. After that they will be sold on a first come, first served basis. Only a limited number will be printed and there will be no second printing. When they are gone, they are gone.

The book will be professionally printed by Lifetouch Publishing. It will have a leather cover and thick heavy pages. This would make a great centerpiece for any Adrian coffee table.

Buy one for yourself. Buy one for a friend. Buy one for your chapter or canton. This would make for great publicity for your group. Bring it out to every event to show passersby who we are and what we do. All aspects of our organization will be represented.

I have been working diligently for a while now but could still take submissions for the book. The following are items I am accepting for the book: **ANY SUBMISSIONS ARE REQUIRED BY OCTOBER 1, 2011.**

1. Photos going back to the inception of your time in Adria. Please label each photo with the names of the people in it and a year the photo was taken. You may also include a story behind the picture. Please limit each e-mail to no more than 3 photos each.

**PLEASE MAKE SURE TO SEND GOOD QUALITY PHOTOS OR I WILL NOT BE ABLE TO USE THEM. I WOULD LOVE SUBMISSIONS FROM ALL CHAPTERS PAST AND PRESENT.**

2. History of any guild, domain or orders that you would like represented in the book. (I am not familiar with all of them and I would hate to leave anyone out.) (Include pictures wherever possible.)

3. THE WORTHIES... There have been those among us that have passed in the last 25 years. If there is someone from your chapter that you would like included in the book, please submit a few photos and a story about them. I would be happy to include them in the book.

4. Information about any special events or fairs that your chapter holds or participates in would be good to include. Again, always include pictures that are a good quality and information about the photo.

I will repost in a week to remind everyone and let you know where we stand with room for more submissions. The book is filling up fast, so please get your photos and information to me as soon as possible.

Please e-mail all submissions to: [Jessie.silvers@gmail.com](mailto:Jessie.silvers@gmail.com) or [silversj@att.net](mailto:silversj@att.net) .

Dame Rosa Fiend has been a Yearbook advisor at her school for about 20 years now. She is very excited to be able to compile this book for an organization that she holds so dear. Please help her see this project to the end by asking everyone you know to send submissions in for the book. The more people that submit photos, the better represented Adria will be.

Empress Cocah Anatolii  
Emperor Hawthorn de Tallyrand-Perigord

**Disclaimer: Not all submittals will be in the book. Submissions will be used where there is space allowable for them.**

## *Heirs Apparent*

Unfortunately I didn't get this in before the war, but I still want to publish this as they did win and it sets the tone for their reign (publisher)

Unto the Empire,

Dame Etaine Llywelyn and Sir Thomas Weimar do hereby announce their intent to run for the Imperial Crown. We feel that our strengths, Arts and Rolls for Dame Etaine and Combat and Law for Sir Thomas, greatly complement each other and will provide us with an excellent base of knowledge and experience to perform the duties of Imperial Crown effectively. Dame Etaine has served as an Imperial Rolls minister as well as Rolls, Steward and Arts minister at the local level. She has also been the autocrat for several wars both local and Imperial. Sir Thomas has served as an Imperial Chancellor as well as the Chancellor for two kingdoms. He has also served as the Minister of Joust and War for a kingdom. Both of us have served as Crowns for the kingdom of Castilles.

Dame Etaine shall use her experience to concentrate on cleaning up the point situation for existing members. We will be prioritizing the accuracy of individual's totals so they are not kept from their justly earned ranks. We would also like to have the database more accurately reflect the current status of members. We plan to work diligently with our appointed ministers to accomplish this task.

The last several reigns have concentrated on the necessary and important task of administrative issues that needed updating or streamlining for the Adrian Empire. We feel that this work has been well done. Thus, Sir Thomas feels that he would best serve the Empire by concentrating on the Chivalry. We would like to see a more involved Chivalry. A harkening back to the original concepts of knights educating the populace on chivalric ideas. We plan to lead by example in this area.

We hope that the populace and Estates find us both worthy and acceptable to fulfill this most honorable duty. We look forward to serving the Empire and hope that our efforts and goals meet with the approval of the Empire.

In Service,  
Dame Etaine Llywelyn  
Sir Thomas Weimar

**Greetings from Your Imperial Rolls Office**

There isn't much to report. Everything that has been sent in, is caught up unless we are waiting for the answers to a question.. We do have some Chapters that are way behind in reporting and this may affect your seat at the coming IEM. Remember that you must have attended 2 events in between 11/17/10 and 5/17/11 to be able to vote. Your Rolls Minister must have entered those events and sent the paperwork in to the Imperial Rolls office for confirmation for those events to be counted.

I want to tell Sir Waldham how glad I am that he is back doing the IP's for us. I hope his health continues to improve.

We have one 3<sup>rd</sup> level this time

**ARCHDUCY  
OF  
BISQAIA**

Unto the Adrian Empire doth the new Crowns of the Archduchy of Bisqaia, Sir Gilbert Ost Westley and Dame Alinor D'Arcy du Calais, Archduke and Archduchess of Bisqaia send greetings,

The day We ascended to the Bisqaian Thorne, 16 July, was a busy day indeed. Morning Court of HRG Eric and HRG Rhiannon saw the Knighting of Dame Aurore Gaudin McCurry as a Knight Minister. The rest of the morning and early afternoon went as usual combat, lunch and archery. During Their last court a number of awards were awarded.

Our first Court as Archduke and Archduchess was a busy one. First was the Knighting of Sir Johnathon McCurry as Knight Minister ( yes, Dame Aurore and Sir Johnathon are married). The Canton of Fire Fox, the first one for the Archduchy, was officially recognized. HE Dame Rose Thorne took her Knight Civil and Knight Archer. HE Sir Mandrea Kahn took his Knight Civil. In recognition for their two years as Crown, We made Sir Eric and Lady Knight Rhiannon, Baron and Baroness of the Court of Bisqaia. To increase Our Naval forces, We made the Privateers out of the Brethren Court. Letters of Marquee were given to all.

The feast was outstanding. Mistress Sweatleaf and her crew did a grand job. As is the tradition in Bisqaia, there was much more food than we could eat. We were joined at the Head table by HE Sir Mandrea Kahn and HE Dame Rose Thorne, Baron and Baroness of Our Barony of Bloodhaven.

We're looking forward to Our time as Crown with great anticipation.

YIS

## *News of Bisqaia*

Greetings from, TRG Sir Gilbert Ost Westley and Dame Alinor D'Arcy du Calais, Archduke and Archduchess, of the Archduchy of Bisqaia,

As luck would have it, I had to work strange hours during Our first month as Crown. While I was at work during the MoPE, the retirement titles, Viscount and Viscountess, was approved for HE Sir Eric von Stryker and HE Lady Knight Rhiannon Roysdotter. Since I would have been at work for the evening Court of Our regular monthly event, HRG Alinor and I decided to make the presentation to them at the September event.

At the monthly event, 20 Aug 2011, I was able to make the morning activities and the Feast. Due to the heat, HRG Alinor announced that the fighting would start within 15 minutes of closing Morning Court. The Knight's List was won by Lord Edward Dubois, his second. Four were in the list and was probably the fastest one we've ever done. While he didn't win, Squire Lorel'anar K'vala took his Knight Bachelor at the List Field.

At the Archery field, Lord Edward Dubois took his fifth Huntsman win. Eight were on the Huntsman list. I stepped down to the Bowman's list so there could be a list, which was won by Master Dragona; his first as a paid member.

At evening Court, HRG Alinor made Sir Johnathon McCurry and HE Dame Rose Thorne Dessert Makers to the Crown.

A competition for the Archduchy was also announced. Since the name of the November event is Tournament of the Plentiful Harvest, we should share that harvest with those less fortunate. Each of the estates: Barony of Bloodhaven, House Kynligr Mjoor, House Ursus Dormiens, Canton of Firefox, and those of the general populace represented by the Crown, will conduct a food drive. The winner, which will be determined at Our November event, will get to display at its table setting a Cornucopia Horn. To get the completion started, the Crown seeded each group with: a bag of flour, bottle of cooking oil and a container of salt.

At the September MoPE it was HRG Alinor's turn to miss the meeting. Due to a scheduling change at her job, her attending the MoPE will be a very rare thing. It was a busy meeting. Plans were firmed up for the Canton of Firefox's first event, Our regular monthly event, the Sherwood Forest demo, and the Bisqaia University – Fall Session.

So Dade, son of Ormr Raizer and Melora has been handed to Dame Reynalda Arianedale to serve as her Page for House Arianedale for one year's time. War Results As this was an uncontested war there was no victor of the war, but as in Connacht fashion we fought a war any-ways.

Tournament Results: Due to time restraints all combat Tournaments were cancelled. The Bowman's List goes to Master Bolverk & The Huntsmen List goes to An Ridire Ruaidhri Silverhand. A Masterwork score for Squire Melora on her Norwegian Hand Sewn Hood. Also A Knights List win for Squire Ormr Raizer on his Willow Charcoal. Awards: Congratulations to Mistress Arrienne and Master Jake for receiving the Cauldron of Connacht. Classes: Also due to time restraints all classes were unfortunately cancelled. For those that put in the time to organize classes for this event we apologize for the inconvenience. Steps are being taken to avoid such cancellations in the future. Imperial Banner War North : Duke vs. Duchess

Written by Duke of Connacht - Duke An Ridire Reyretill Silverhand & Duchess of Connacht - Duchess Sovalye Adina Silverhand.

Thank you to all who attended Banner War North - The Battle of the Crowns! The sides first clashed on the arts tables, where the Duchess drew first blood with Squire Melora taking the war point with Champi Initials. The Duke's forces pushed back with the archery point, narrowly edging the ladies by the hand of the Duke himself! The ship battles left the Duchess' forces without a paddle for both Shinai and Rapier, but the Steel Duchess held the high ground in Armoured leaving the Duke sunk. Both sides fought hard, and well, however the Duke's side held out for the victory. We had fun, and we hope everyone else did too. See you in June! *Archery Tournament*: Bowmen's List – Page Dade. Huntsmen List – Squire Ormr Raizer. *Combat Tournament*: List Cancelled due to time restraints.

Our Next Events will be Oyama Fun Day June 5th 2011, Wolfgang Tournament June 10th to 12th 2011 and then to the USA for a combined event with Alhambra on June 24th to the 26th 2011

## *News of Connacht*

### News from Connacht....

For Connacht the month of August to September was a busy one. On August 7th 2011 the Duchy of Connacht found held's its Apocalypse War. The Four Horsemen upon stead's from the underworld rode into Vernon BC bent on destroying everything in its path. The Two sides of the War were The free People of Connacht and The Four Horsemen of the Apocalypse. In the War we had Arts and Science, Archery and Combat; For the Arts Dame Salix Alba Sericea received a Tournament Win given the People 1 War pt. In Archery the People scored 1 War pt for the Bowmen's List and the Horsemen scored 1 War pt for the Huntsmen List. On the Battle field the Horsemen took the War pt for Shinai part of the combat gaining another war point. Unfortunately the Rapier part of the War was unable to take place so no point was granted. Now using both hands and my incredible math skills it looks as though the war was a tie. So the Horsemen and the People decided to sit down and feast. Fun was had by all. Later in the month on August 20th the Duchy of Connacht headed to the Camelot Vineyards for another demo. Like last year it was a complete success with one exception, the attendance for the demo was almost tripled. Great job Connacht, I even think we might have regretted an couple of new members. Lastly on the September Long Weekend, (September 2nd to 5th) The Duchy of Connacht contributed to the Imperial Crown War for the Adrian Empire and its new Crowns. During the morning court both contenders were acknowledged and a small speech of what each contender was aiming for if they were to be Crown was given to the people of Connacht so the people may decided which side they would like to fight for. His Grace Sir Reyketill Silverhand was to be the General of the side for His Grace Sir Polonius and Her Excellently Dame Pandora. Sir Ruaidhri Silverhand offered his Services as General to aid the other side Her Grace Dame Etaine Llywelyn and His Grace Sir Tomas Weimar. With the Generals Chosen and the people rallied to their respective armies, the war began. To keep it simple both sides contributed war to their side but here is a rough overall look at it. The war Archery team Polonius/Pandora won all three scenarios, The Shinai part of the War was won by team Polonius/Pandora, The Rapier War was won by team Polonius/Pandora, the Armoured part won by Team Etaine/Thomas In Arts and Science team Polonius/Pandora had two entries both earning a win and war pt, team Etaine/Thomas also had a entry with a win and war pt. Although the battle fought in Connacht was won for the side of team Polonius/Pandora, the overall war within the Adrian Empire goes to Her Grace Dame Etaine Llywelyn and His Grace Sir Tomas Weimar. Congratulations to the new Crowns. With the long weekend in effect the Duchy of Connacht was able to get some tournaments as well. Congratulations to Master Vladimir for his win on the Sergeants Shinai and to Squire Dreatan for his win on the knights Rapier List. For the Archery Tournament Mistress Christiana took the win with her 9'10" closest to the pole for bowmen in the long distance shoot and Squire Ormr Raizer took the win for Huntsmen with his 13.25" closest to the pole long distance shoot. Next weekend The Duchy of Connacht will head to the Summerland Fall Fair to give a small demonstration in the Medieval Arts!

D is for Desdemona

A character from the play *Othello*, the wife of OTHELLO. Desdemona is unjustly suspected of adultery and murdered by her jealous husband, who was convinced of these lies by the villainous IAGO. She is a strong, outspoken woman, unafraid of the challenges of her situation. Even in the face of Othello's rage and accusations, Desdemona remains true to the ideal of love. It is believed that Desdemona's character is based upon the Medieval Morality Play's angel who fights the devil. She is the symbol of humanity and evokes the forgiveness of God. Her character represents unconditional love. Even at the moment of her murder, she continues to proclaim her love of Othello and her character plays a sharp contrast to the malevolence of Iago.
